Igersheimer, 2024-06-12 Grossly unsanitary living conditions cruel and abusive treatment by camp officials the withholding of medical treatment these were common experiences for refugees imprisoned at internment camps in Britain and Canada Walter Igersheimer s memoir exposes this bleak period in the British and Canadian war record After escaping from Nazi Germany with his family Igersheimer was completing his medical studies when he was caught in the panic that led to the internment of 30 000 German citizens living in Britain They were placed behind barbed wire and treated as enemies Many of the Jewish refugees were then sent to prisons in Canada but the internees did not let the authorities crush their creativity or desire for an education they started a free university mounted plays and wrote musicals Laced with black humour Blatant Injustice is a story of resilience and determination This title is available in ePUB ePDF and audiobook Audible [The Egoist](#) George Meredith, 2013-01-03 The novel recounts the story of self absorbed Sir Willoughby Patterne and his attempts at marriage

jilted by his first bride to be he vacillates between the sentimental Laetitia Dale and the strong willed Clara Middleton More importantly the novel follows Clara s attempts to escape from her engagement to Sir Willoughby who desires women to serve as a mirror for him and consequently cannot understand why she would not want to marry him Thus The Egoist dramatizes the difficulty contingent upon being a woman in Victorian society when women s bodies and minds are trafficked between fathers and husbands to cement male bonds **Frank Leslie's Sunday Magazine** ,1877 Includes music *Frank Leslie's Sunday Magazine* Charles Force Deems,1877 *Childhood's Favorites and Fairy Stories* Hamilton Wright Mabie,2016-08-24 Books are as much a part of the furnishing of a house as tables and chairs and in the making of a home they belong not with the luxuries but with the necessities A bookless house is not a home for a home affords food and shelter for the mind as well as for the body It is as great an offence against a child to starve his mind as to starve his body and there is as much danger of reducing his vitality and putting him at a disadvantage in his lifework in the one as in the other form of deprivation There was a time when it was felt that shelter clothing food and physical oversight comprised the whole duty of a charitable institution to dependent children to day no community would permit such an institution to exist unless it provided school privileges An acute sense of responsibility toward children is one of the prime characteristics of American society shown in the vast expenditures for public education in all forms in the increasing attention paid to light ventilation and safety in school buildings in the opening of play grounds in large cities in physical supervision of children in schools and the agitation against the employment of children in factories and in other and less obvious ways Children are helpless to protect themselves and secure what they need for health of body and mind they are exceedingly impressionable and the future is always in their hands The first and most imperative duty of parents is to give their children the best attainable preparation for life no matter at what sacrifice to themselves There are hosts of fathers and mothers who recognize this obligation but do not know how to discharge it who are eager to give their children the most wholesome conditions but do not know how to secure them who are especially anxious that their children should start early and start right on that highway of education which is the open road to honorable success **The Egoist** George Meredith,1894 **Harvest of Souls Crossover** VA McCloud,2017-07-14 The Harvest of Souls Crossover is a story that is exciting vigorous and full of suspense about the fight of good and evil in two realms the light and dark world The Howdy Family is determined to defeat the world of darkness led by the seemingly undefeatable dark world leader Shuby **Centering on African Practice in Musical Arts Education** Minette Mans,2006 This collection brings together many African voices expressing their ideas and conceptions of musical practice and arts education in Africa With essays from established scholars in the field as well as young researchers and educators and topics ranging from philosophical arguments and ethno musicology to practical classroom ideas this book will stimulate academic discourse At the same time practical ideas and information will assist teachers and students in Africa and elsewhere bringing fresh musical perspectives on instrument playing singing children s literature and play
