Around The Year With C S Lewis And His Friends:

Around the Year with C. S. Lewis and His Friends Kathryn Ann Lindskoog, 1986-08 **Taking Up Serpents** David L. Kimbrough, 2002 David Kimbrough explains the history and practice of serpent handling believers from the perspective of a respectful and scholarly participant observer **Journey Into Narnia** Kathryn Ann Lindskoog, 1998 Renowned C S Lewis scholar Kathryn Lindskoog has here expanded and updated her classic study of Lewis's Narnia series originally titled *The Lion of Judah in Never Never Land The Theology of C S Lewis Expressed in his fantasies for Children* Now with the addition of a study guide including a look at the chronological order of the series of the seven books the *Journey into Narnia* is filled with abundant and fresh new background information that not only puts the series in its context but explains many of the English terms unfamiliar to the American reader Ms Lindskoog provides many Biblical parallels which illumine the plot These concise insights and applications are designed for personal reading pleasure as well as being practical helpers for teachers parents and ministers When C S Lewis read the first draft of this manuscript he commented You are in the center of the target everywhere For one thing you know my work better than anyone else I've met certainly better than I do myself You alone of the critics I've met realize the connection or even the unity of all the books scholarly fantastic theological and make me appear a single author not a man who impersonates half a dozen authors which is what I seem to most This wins really very high marks indeed This important text of Lewis scholarship has been copied widely used but never surpassed *Words to the Wise* Kathryn Ann Lindskoog, 2000 George MacDonald said It is the heart that is not yet sure of its God that is afraid to laugh in his presence G K Chesterton said Solemnity flows out of us naturally but laughter is a leap C S Lewis said Joy is the serious business of heaven This book is for people who enjoy the pleasure of playing with words and ideas The 60 essays chosen for this collection run the gamut from coolheaded social satire to highspirited human interest and warmhearted inspiration Some of the pieces gathered here appeared first in *The Christian Century* *Christianity Today* *Eternity* *The Wittenburg Door* *The Reformed Journal* *The Other Side* and the *Journal of Psychology and Theology* **C.S. Lewis, Mere Christian** Kathryn Ann Lindskoog, 1987 Supplies biographical background and analysis to bring the reader intimately in touch with one of Christendom's greatest thinkers Explains Lewis views on key topics *C.S. Lewis* Perry C. Bramlett, 1996 This book is a rich lively compact survey of Lewis's Christian life and lay ministry Perry provides a wealth of practical insights for every reader I warmly and gladly recommend this book Kathryn Lindskoog **C S Lewis** Colin Duriez, 2013-05-02 An Oxford student of C S Lewis said he found his new tutor interesting and was told by J R R Tolkien Interesting Yes he's certainly that You'll never get to the bottom of him You can learn a great deal about people by their friends and nowhere is this more true than in the case of C S Lewis the remarkable academic author populariser of faith and creator of Narnia He lost his mother early in life and became estranged from his father much to his regret Throughout his life key relationships mattered deeply to him from his early days in the north of Ireland and his schooldays in England as still a

teenager in the trenches of World War One and then later in Oxford The friendships he cultivated throughout his life proved to be vital influencing his thoughts his beliefs and his writings What did Arthur Greeves a life long friend from his adolescence bring to him How did J R R Tolkien and the other members of the now famous Inklings shape him Why in his early twenties did he move in with a single mother twice his age Janie Moore and live with her for so many years until her death And why did he choose to marry so late What of the relationship with his alcoholic and gifted brother who eventually joined his unusual household In this sparkling new biography which draws on material not previously published Colin Duriez brings C S Lewis and his friendships to life *Halloween, Hallowed Is Thy Name* Eddie J. Smith, 2012 Halloween has been referred to as the Devil s holiday but all 365 1 4 days were created by and belong to Jesus If Satan usurps even one day it is our Christian duty and responsibility to reclaim and redeem it in the name of our Lord Are the imaginary ghouls and goblins of Halloween any more wicked than the jolly elf called Santa Claus or the Easter bunny Should the Church stop celebrating these holy days the bookends of our faith as well Instead of battling the spiritual enemy on Halloween the Church is guilty of crossing swords with one another We fight among ourselves not about how to celebrate Halloween but whether it should even be observed Jesus is more the reason for the season on Halloween than He is at Christmas The Church must realize it is forfeiting Halloween as an opportunity to glorify the Prince of Peace the One who has given us the victory over the prince of darkness and his evil minions The Way the Truth and the Life has conquered Death and the grave By dressing up in costumes and portraying frightening creatures who at one time caused us to fear and tremble we are not glorifying Satan Rather we are poking fun at the Serpent whose kingdom has been plundered by our Savior and whose head has been crushed Should we celebrate Halloween The question is How can we not Halloween Hallowed is Thy Name offers a believer confidence and joy in expressing the greeting Happy Halloween **Practical Disciplines of a Christian Life** Sharon Bahrych, 2016-11-21 Practical Disciplines of a Christian Life is for women who are looking for helpful information on how to apply the various Christian disciplines into their lives This book will also give readers encouragement through their reading about other historical figures through short biographical sketches who have struggled with the same issues as the reader Each chapter ends with applications readers can use to begin growing in the individual disciplines each chapter covers Practical Disciplines of a Christian Life ends with a chapter which encourages readers to continue growing and moving forward in their Christian life reminding them that it is not a one time deal but that they are to grow each and every day They are to look for ways that God has moved them forward in their Christian growth by being able to look back and see where they have come from Overall Practical Disciplines of a Christian Life is to be an encouragement to all women who read it that they too can move forward in their Christian growth and they don t have to feel stuck in place Some Christian disciplines are a trial and error before acquiring the knack of doing it right 131 Christians Everyone Should Know Christian History Magazine Editorial Staff, 2010-10-01 This book offers a succinct yet thorough introduction to 131 of the most intriguing courageous
