Arrancame La Vida:

Arráncame la vida / Tear My Life Angeles Mastretta, 1998-06-23 Catalina es una persona apasionada e imaginativa casada con un hombre que s lo tiene intereses pol ticos en un contexto social donde la mujer sigue siendo una figura exquisita pero al margen de lo importante Angeles Mastretta Jane Elizabeth Lavery, 2005 The first major study on the works of the Mexican novelist Angeles Mastretta demonstrating the rich complexity and range of the author s fiction and essays The Mexican novelist Angeles Mastretta b 1949 has only recently received serious critical attention largely because her work has been seen as popular and therefore inappropriate for academic study This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author s fiction and essays In the tradition of Post Boom Latin American women s writing Mastretta s texts are motivated by a desire to speak primarily of the silenced experiences and voices of women Two of her novels referential and testimonial in style can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta s texts are also considered in this volume Her feminist works avoid facile simplifications heterogeneous and dialogical they interweave the historical and the fictional the everyday and the fantastic The originality of Mastretta s writing lies in its elusive postmodern ambiguities shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent **Metáforas de lo indecible** Ramona Lagos, 2003 Arráncame la vida Ángeles Mastretta, 1987 La novela Arr ncame la vida ngeles Mastretta fue escrita en la Ciudad de M xico en el a o 1985 cuenta la vida de la muy joven Catalina Guzm n su mpetu como mujer pro modernista en un pa s que estaba saliendo de los estragos de la Revoluci n Mexicana el v nculo con su esposo Andr s Ascencio un hombre con mucha influencia y crecimiento en el mbito pol tico **Arráncame la vida** Ángeles Mastretta, 1994 **A Companion to Modern Spanish American Fiction** Donald Leslie Shaw, 2002 With such figures as Jorge Luis Borges Miguel ngel Asturias and Gabriel Garc a M rquez both the latter Nobel Prizewinners Spanish American fiction is now unquestionably an integral part of the mainstream of Western literature This book draws on the most recent research in describing the origins and development of narrative in Spanish America during the nineteenth and twentieth centuries tracing the pattern from Romanticism and Realism through Modernismo Naturalism and Regionalism to the Boom and beyond It shows how while seldom moving completely away from satire social criticism and protest Spanish American fiction has evolved through successive phases in which both the conceptions of the writer s task and presumptions about narrative and reality have undergone radical alterations DONALD SHAW holds the Brown Forman Chair of Spanish American literature in the University of Virginia **Ambivalence, Modernity, Power** Nuala Finnegan, 2007 By incorporating a variety of critical approaches within a feminist framework the author here argues that Mexican women writers participate in a crucial project

of unsettling dominant discourses as they strive for new ways of capturing the ambivalent position of the Mexican women in their texts

Contemporary Mexican Women Writers Gabriella de Beer, 1996-11-01 Mexican women writers moved to the forefront of their country's literature in the twentieth century. Among those who began publishing in the 1970s and 1980s are Maria Luisa Puga, Silvia Molina, Brianda Domecq, Carmen Boullosa, and Angeles Mastretta. Sharing a range of affinities while maintaining distinctive voices and outlooks, these are the women whom Gabriella de Beer has chosen to profile in *Contemporary Mexican Women Writers*. De Beer takes a three-part approach to each writer. She opens with an essay that explores the writer's apprenticeship and discusses her major works. Next, she interviews each writer to learn about her background, writing, and view of herself and others. Finally, de Beer offers selections from the writer's work that have not been previously published in English translation. Each section concludes with a complete bibliographic listing of the writer's works and their English translations. These essays, interviews, and selections vividly recreate the experience of being with the writer and sharing her work, hearing her tell about and evaluate herself, and reading the words she has written. The book will be rewarding reading for everyone who enjoys fine writing.

Perez, 2010-10-28 Joe Conzo and David A Perez luminously recreate the life of widely acclaimed Afro Cuban and jazz musician Tito Puente in the biography Mambo Diablo My Journey with Tito Puente The authors chronicle the life of the popular and combative New York Puerto Rican multi talented musician and entertainer who climbed from his obscure and poor environment in East Harlem El Barrio New York to international fame and recognition Countless stories have been written about Tito Puente s percussive musical abilities but rarely has the talent intuition mishaps and controversies been presented in a vivid and personal biography Joe Conzo was Tito s close friend confidant and chronicler for nearly 40 years no one was closer to Tito or knew him better not even his family Joe tells the story of a man and his music the way it has never been told David A Perez sets down Joe s personal recollections and fits them into the context of the social milieu and revolving world Hundreds of articles have been written about Puente and three books Powell Josephine Tito Puente When The Drums are Dreaming Authorhouse 2007 Information re Tito is based on her conversations with Tito Puente The book is self published and chronicles many of his activities on the West Coast There are many inconsistencies mis quotes and errors of fact Loza Steven Tito Puente and the Making of Latin Music University of Illinois Press 1999 A technical work that is based on interviews with people who knew Tito The life of Puente is glanced over the musicians he worked with are almost overlooked Joe Conzo is among those interviewed Payne Jim Tito Puente The King of Latin Music Hudson Music 2000 Is presented as an overview of Tito Puente s music and includes a DVD with footage of Tito discussing his 50 year career Joe Conzo provided much of the information for this endeavor record some of his achievements None of them touch on the personal life of the man expose his weaknesses reveal his intensity for perfection and describe the musical brilliance in such a delicate and personal way Joe and David reveal the inner Tito Puente through his music his musical associations and present a man that is more than a flamboyant percussionist Tito played piano and he played it well Tito played the saxophone and often sat in the sax section of his orchestra Tito played the vibes and had an incomparable style that was exciting romantic and jazzy He

composed about 500 tunes probably more And yet in the realm of American jazz historians writers and critics ignore brush over and avoid the importance of Tito s music and his contributions A prime example of this is Ken Burn s television documentary about jazz he virtually ignores Afro Cuban music Afro Cuban jazz Joe and David reveal Tito s rightful place in the history of music and give an unbiased on the mark portrait of Puente s complexities like no book before it Author and journalist Pete Hamill sets the stage for the journey in the preface

Dude Lit Emily Hind,2019-05-28 How did men become the stars of the Mexican intellectual scene Dude Lit examines the tricks of the trade and reveals that sometimes literary genius rests on privileges that men extend one another and that women permit The makings of the best writers have to do with superficial aspects like conformist wardrobes and unsmiling expressions and more complex techniques such as friendship networks prizewinners who become judges dropouts who become teachers and the key tactic of being allowed to shift roles from rule maker the civilizado to rule breaker the b rbaro Certain writing habits also predict success with the high and hard category reserved for men s writing and even film directing In both film and literature critically respected artwork by men tends to rely on obscenity interpreted as originality negative topics viewed as serious and coolly inarticulate narratives about bullying understood as maximum literary achievement To build the case regarding rebellion as conformity Dude Lit contemplates a wide set of examples while always returning to three figures each born some two decades apart from the immediate predecessor Juan Rulfo with Pedro P ramo Jos Emilio Pacheco with Las batallas en el desierto and Guillermo Fadanelli with Mis mujeres muertas as well as the range of his publications Why do we believe Mexican men are competent performers of the role of intellectual Dude Lit answers this question through a creative intersection of sources Drawing on interviews archival materials and critical readings this provocative book changes the conversation on literature and gendered performance
