Pitts,2003 For fans of musicals singing Hollywood history and the lives of stars no other work equals this new three volume reference to the on and off camera careers of more than 100 performers who made major contributions to the American screen musical From June Allyson to Mae West Hollywood Songsters provides a detailed narrative ranging from 2 000 to 5000 words each of the lives and careers of stars forever etched in our memories Each entry includes a filmography discography of both albums and CDs Broadway appearances radio work television appearances and series and a full page photo of the subject This is the ideal reference work for everyone one from the mildly curious to the devoted fan      **A Dictionary of Catch Phrases** Eric Partridge,2003-09-02 A catch phrase is a well known frequently used phrase or saying that has caught on or become popular over along period of time It is often witty or philosophical and this Dictionary gathers together over 7 000 such phrases      **Music in the 20th Century (3 Vol Set)** Dave DiMartino,2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response      Encyclopedia of Music in the 20th Century Lol Henderson, Lee Stacey,2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader      Steve Allen's Songs Steve Allen,1999-01-01 To most Americans Steve Allen is a comedian whose ground breaking work on The Tonight Show and The Steve Allen Show still inspires comics and writers But Steve Allen is also a tremendously prolific and passionate composer and lyricist who has written some 8 000 songs Here are collected the lyrics to 100 of his favorites including This Could Be the Start of Something Big Gravy Waltz The South Rampart Street Parade and the themes to Picnic On the Beach and Bell Book and Candle From Dixieland to jazz to blues Allens lyrics resonate with romance and insight often punctuated by humor Allen provides a commentary for each song The foreword is contributed by noted author critic and jazz historian Gene Lees      **Black Manhood on the Silent Screen** Gerald R. Butters,2002 In early twentieth century motion picture houses offensive stereotypes of African Americans were as predictable as they were prevalent Watermelon eating chicken thievery savages with uncontrollable appetites Sambo and Zip Coon were all representations associated with African American people Most of these caricatures were rendered by whites in

blackface Few people realize that from 1915 through 1929 a number of African American film directors worked diligently to counter such racist definitions of black manhood found in films like D W Griffith s *The Birth of a Nation* the 1915 epic that glorified the Ku Klux Klan In the wake of the film s phenomenal success African American filmmakers sought to defend and redefine black manhood through motion pictures Gerald Butters s comprehensive study of the African American cinematic vision in silent film concentrates on works largely ignored by most contemporary film scholars African American produced and directed films and white independent productions of all black features Using these race movies to explore the construction of masculine identity and the use of race in popular culture he separates cinematic myth from historical reality the myth of the Euro American controlled cinematic portrayal of black men versus the actual black male experience Through intense archival research Butters reconstructs many lost films expanding the discussion of race and representation beyond the debate about good and bad imagery to explore the construction of masculine identity and the use of race as device in the context of Western popular culture He particularly examines the filmmaking of Oscar Micheaux the most prolific and controversial of all African American silent film directors and creator of the recently rediscovered *Within Our Gates* the legendary film that exposed a virtual litany of white abuses toward blacks *Black Manhood on the Silent Screen* is unique in that it takes contemporary and original film theory applies it to the distinctive body of African American independent films in the silent era and relates the meaning of these films to larger political social and intellectual events in American society By showing how both white and black men have defined their own sense of manhood through cinema it examines the intersection of race and gender in the movies and offers a deft interweaving of film theory American history and film history
