Jagged Little Pill an existential awakening of sexuality a rail against sexism and a confessional catch all of topics related to anxiety depression angst eating disorders religious dogma and beauty standards In an era coming off the high of the 80s and 90s pop machine Alanis was a total about face peeling off the sheen of what female music leads could be She was the voice sitting quietly within women in the post grunge era who finally felt the freedom to let it all out Alanis Thirty Years of Jagged Little Pill tracks it all with Interviews from Alanis s first manager Scott Welch first publicist Mitch Schneider and several women music journalists Lyndsey Parker Annie Zaleski Amy Schroeder and Liza Lentini who have covered Alanis career as well as quotes from some of today s biggest names in music including Olivia Rodrigo and Taylor Swift on how important Alanis and Jagged Little Pill was and continues to be A full rundown of every track on Jagged Little Pill including the meaning of each song and what inspired it Photos tracing the rise of Alanis Morissette s career and the development of this iconic album An exploration of Jagged Little Pill s lasting legacy in music and pop culture including becoming a Broadway hit musical A look at other highlights across Alanis career Alanis Morissette has become a godmother of confessional singer songwriter styles beloved by the new crop of talents thanks largely to the success of Jagged Little Pill Celebrate this unstoppable piece of music history that you oughta know

Why Alanis Morissette Matters Megan Volpert, 2025 Since 1991 only three albums have sold more than 15 million copies Metallica Metallica Come on Over Shania Twain and Jagged Little Pill by Alanis Morissette JLP won Grammys Junos and stayed in the Billboard 200 for more than a year The record remains a touchstone for many listeners as evidenced by the Tony Award winning musical by the same name that premiered in 2018 If you listened to the radio in 1995 you probably recognize You Oughta Know One Hand in My Pocket and several other songs if only for Morissette s distinctive voice or as the author puts it this aggressively female noise Megan Volpert works through Alanis Morissette s career via JLP her best known record Each chapter dives into one of the 13 tracks from the album dissecting that song while connecting to later work that extends the relevant theme For instance the first chapter makes the point that All I Really Want reflects a highly sensitive person rather than an angry one and discusses Morissette s producing on the documentary Sensitive 2015 Later chapters take up mental health queer symbolism skepticism vs Catholicism as well as more explicitly feminist concerns As with most of the books in this series her own experience is an occasional but consistent lens As she writes in the prologue JLP got the author through high school and it captures a specifically female existential anger that suggests deploying some memoir is appropriate References to Derrida Sophocles and the films of Kevin Smith among others balance the personal side Publication of this book will coincide with the 30th anniversary of Jagged Little Pill Officially released on June 13 1995

Mysteries of Alanis: Book 4 of "Hell's Blade" Series R.L. Pool, 2025-01-31 When Holly Kelley joined Pat Langstrom in her return to Estelan she never dreamed she would find answers to conspiracy theories that spurred her imagination from a very early age She and Greg Graisson traveled to the Lost Citadel in search of those answers and found themselves bruised wounded and close to death They also found Illani The

little white haired girl led them into secret catacombs within the Lost Citadel and to the library that told of a civilization that came here from another world The research they did there prompted a desire to sail to a land where Mandarin was the language spoken and the people seemed to be living under ancient Chinese feudalism How did that happen To find the answers Holly Greg and Illani would have to sail west to the continent of Alanis Only there would they finally find the answers to Illani s heritage They would find more than they bargained for They would find what many in our world have searched for dreamed of and sought for ages

The 'air of Liberty' Ineke Phaf-Rheinberger,2008 The Caribbean imagination as framed within a Dutch historical setting has deep Portuguese African roots The Seven Provinces were the first European power in the first half of the 17th century to challenge the Iberian countries directly for a share in the slave trade This book analyzes the philosophy underlying this transoceanic link when contacts with Africa started to be developed The ambiguous morality of the air of liberty governing the Afro Portuguese past had its impact on the creole cultures white black Jewish of the Dutch territories of Suriname and Curacao Although this influence is gradually disappearing it is astonishing to witness the engagement with which writers and visual artists have interpreted this heritage in their different ways Recent narratives from Angola and Brazil offer an appropriate starting point for an examination of strategies of self representation and national consolidation in works by authors from the Dutch Caribbean In order to reveal this complex historical pattern the formerly Dutch related port communities are conceived of as cultural agents whose lettered cities Angel Rama have engaged in critical dialogue with the heritage of the South Atlantic trade in human lives Artists and writers discussed include colonial period Caspar Barlaeus David Nassy Frans Post and John Gabriel Stedman modern period Frank Martinus Arion Cola Debrot Gabriel Garcia Marquez Albert Helman Francisco Herrera Luque Boeli van Leeuwen Tip Marugg Alberto Mussa Pepetela Julio Perrenal and Mario Pinto de Andrade This is a notable achievement for it both draws attention to the region and challenges critics and historians to engage in cross regional and trans disciplinary research and analysis Saul Sosnowski

My Wicked Pirate Rona Sharon,2006-11-01 First He Gave Her A Wicked Kiss Azure eyed Alanis was by far the most exquisite treasure ever claimed by the black pirate known as the Viper but his motives went deeper than his silken promise to ravish the feisty Yorkshire heiress Commanding the waters of the Caribbean was his means to an end reclaiming his birthright and his blood debt against those who had betrayed him Then He Gave Her Nights Of Wicked Pleasure Comfortably betrothed to a nobleman Alanis never imagined the heady emotions involved in the true games of seduction games this blackguard seemed to thoroughly enjoy playing with her Swept up into an adventure that soon revealed a gentleman and kindred spirit beneath the ruthless veneer of a privateer Alanis began to soften towards her enigmatic captor as her pride and her heart fell under his erotic spell A rich sweeping passionate read Rona Sharon instantly takes her place among the romance greats New York Times bestselling author Rosemary Rogers
