Wilfer, 1973 *Alan Shields Artist*, 1972 *Alan Shields*, 1998 **Artist File** Alan Shields, 1970 **Alan Shields** Alan Shields, Jill Brienza, Bill North, 1999 *Alan Shields* Alan Shields, 2023 Part artist's book part exhibition catalogue the publication features installation images with a special emphasis on 11 reproductions that showcase the material diversity of Shields' work The publication includes essays by Mark W Turner Geraldine Tedder and Ian Woolridge from <https://artmetropole.com/shop/15357> viewed 15 September 2023 **American Painting of the 1970s** Albright-Knox Art Gallery, Linda L. Cathcart, 1978 *Alan Shields* Alan Shields, Carter Ratcliff, Kathy Halbreich, 2016 This monograph published on the occasion of the Aspen Art Museum exhibition of Alan Shields 1944-2005 in summer 2016 showcases a comprehensive survey of the artist's expansive practice which encompassed printmaking painting sculpture and installation Moving easily between these different mediums Shields with his deep consideration of material and color was interested in opening up a broader context of art creating objects that could be experienced in relation to the movement of the human body The artworks essays and interviews in this publication not only examine Shields' layered pieces but also illustrate his belief in a direct connection between art and life revealing a multifaceted practice that merges the sculptural the painterly and the theatrical *Alan Shields* Nancy Cohen, Pat Kettenring, Alan Shields, New Jersey Center for Visual Arts, 1987 **Homemade Esthetics** Clement Greenberg, 2000-10-19 Thanks to his unsurpassed eye and his fearless willingness to take a stand Clement Greenberg 1909-1994 became one of the giants of 20th century art criticism a writer who set the terms of critical discourse from the moment he burst onto the scene with his seminal essays *Avant Garde* and *Kitsch* 1939 and *Towards a Newer Laocöon* 1940 In this work which gathers previously uncollected essays and a series of seminars delivered at Bennington in 1971 Greenberg provides his most expansive statement of his views on taste and quality in art arguing for an esthetic that flies in the face of current art world fashions Greenberg insists despite the attempts from Marcel Duchamp onwards to escape the jurisdiction of taste by producing an art so disjunctive that it cannot be judged that taste is inexorable He argues that standards of quality in art the artist's responsibility to seek out the hardest demands of a medium and the critic's responsibility to discriminate are essential conditions for great art The obsession with innovation the epidemic of newness leads in Greenberg's view to the boringness of so much avant garde art He discusses the interplay of expectation and surprise in aesthetic experience and the exalted consciousness produced by great art *Homemade Esthetics* allows us particularly in the transcribed seminar sessions never before published to watch the critic's mind at work defending and at times reconsidering his theories His views often controversial are the record of a lifetime of looking at and thinking about art as intensely as anyone ever has **With Pleasure** Anna Katz, 2019-01-01 A timely and expansive survey of a groundbreaking American art movement that overturned aesthetic hierarchies in a riot of color and ornamentation The Pattern and Decoration movement emerged in the 1970s as an embrace of long dismissed art forms associated with the

decorative Pioneering artists such as Miriam Schapiro 1923 2015 Joyce Kozloff b 1942 Robert Kushner b 1949 and others appropriated patterns frequently from non Western decorative arts to produce intricate often dizzying or gaudy designs in media ranging from painting sculpture and collage to ceramics installation art and performance This dazzling book showcases an astonishing array of works by more than 40 artists from across the United States examining the movement's defiant adoption of art forms traditionally viewed as feminine craft based or otherwise inferior to fine art In addition to offering an overview of the Pattern and Decoration movement as it is commonly recognized this volume considers artists of the period who are not typically associated with the movement Rethinking the significance of patterns and the decorative in postwar American art this panoramic view provides new insights into abstraction feminism and installation art Essays explore the movement's feminist methods and values including Miriam Schapiro's femmage practice its impact on contemporary abstract painting and its relationship to postmodern architecture and design Artist biographies an exhibition history and reprints of historically significant writings further establish With Pleasure as the most expansive publication on the subject
