Alan Moorehead A Rediscovery

Nancy Underhill

Alan Moorehead A Rediscovery:

Alan Moorehead Ann Moyal,2005 In this volume of the National Library s biography series An Australian Life Ann Moyal brilliantly illuminates the passion and creative energy which drove Alan Moorehead s life and work Moorehead was one of Australia s most adventurous and celebrated writers and his work remains a vitally important part of our literature

Alamein Simon Ball,2016 The story of Alamein one of the pivotal battles of the Second World War but also one of the most hotly debated in the years since how it was fought how it has been remembered and what it means for us today **Our Man Elsewhere** Thornton McCamish,2017-06-01 A world famous Australian writer an inspiration to Robert Hughes and Clive James a legendary war correspondent who also wrote bestselling histories of exploration and conservation and yet forgotten In this dazzling book Thornton McCamish delves into the past to reclaim a remarkable figure Alan Moorehead As a reporter Moorehead witnessed many of the great historical events of the mid 20th century the Spanish Civil War and both world wars Cold War espionage and decolonisation in Africa He debated strategy with Churchill and Gandhi fished with Hemingway and drank with Graham Greene Ava Gardner and Truman Capote As well as being a regular contributor to the New Yorker in 1956 Moorehead wrote the first significant book about the Gallipoli campaign With its countless adventures its touch of jet set glamour and its tragic arc Moorehead s story is a beguiling one Thornton McCamish tells it as a quest intimate perceptive and superbly entertaining His funny ardent book reveals an extraordinary Australian and takes its place in a fresh tradition of contemporary biography Winner of the 2017 Douglas Stewart Prize for Non Fiction at the NSW Premier s Literary Awards Shortlisted for the 2017 Prime Minister s Literary Awards and the 2018 Adelaide Festival Awards for Literature Longlisted in the 2016 Walkley Book Awards McCamish succeeds beautifully Our Man Elsewhere is crammed with anecdote and shrewd observation with the kind of detail and ruminative digression that conventional biographers might consider trivial or irrelevant it is such a good book that I m hard put to find anything wrong with it Inside Story This is one of those rare biographies that will keep you transfixed right to the very last pages even though in this instance they are scorchingly sad Country Style McCamish s triumph is to apply Moorehead s own relentless curiosity to his subject and add a modern prism to the man and his work McCamish s writing is elegant frosted in fresh insights marvellous Herald Sun A detailed involving and very readable look at the life of a flawed man with a large appetite for life Books Publishing Full hearted free striding this is a book that sings Helen Garner Clio s Lives Doug Munro,John G. Reid,2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding

essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work *Clio's Lives* is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University

The Pontecorvo Affair Simone Turchetti, 2012-02-15 This book examines the life and motivations behind Italian born nuclear physicist and alleged spy Bruno Pontecorvo and his reasons for defecting to the Soviet Union in 1950

Witnesses To War Fay Anderson, Richard Trembath, 2011-04-01 *Witnesses to War* is a landmark history of Australian war journalism covering the regional conflicts of the nineteenth century to the major conflicts of the twentieth World War I World War II Vietnam and Bosnia through to recent and ongoing wars in Iraq and Afghanistan Fay Anderson and Richard Trembath look at how journalists reported the horrors and politics of war the rise of the celebrity journalist issues of censorship and the ethics of embedding Interviews with over 40 leading journalists and photographers reveal the challenges of covering wars and the impact of the violence they witness the fear and exhilaration the regrets and successes the private costs and personal dangers *Witnesses to War* examines issues with continued and contemporary relevance including the genesis of the Anzac ideal and its continued use the representation of enemy and race and how technology has changed the nature of conflict reporting

Churchill and the Dardanelles Christopher M. Bell, 2017 The story of the highly controversial First World War campaign that nearly destroyed Churchill's reputation for good and of his decades long battle to set the record straight a battle which ultimately helped clear the way for Churchill's appointment as Prime Minister in Britain's darkest hour

Kylie Tennant Jane Grant, 2005 Substantially based on the National Library's holdings of Tennant manuscripts this work provides key insights into Tennant's prolific literary output as a popular novelist and biographer It also explores the connections between her personal life and methods of working It is an ideal introduction to this Australian writer

History Wars Doug Munro, 2021-10-21 In 1993 Manning Clark came under severe posthumous attack in the pages of *Quadrant* by none other than Peter Ryan who had published five of the six volumes of Clark's epic *A History of Australia* In applying what he called an overdue axe to a tall poppy Ryan lambasted the *History* as

an imposition on Australian credulity and declared its author a fraud both as a historian and a person This unprecedented public assault by a publisher on his best selling author was a sensation at the time and remains lodged in the public memory In History Wars Doug Munro forensically examines the right and wrongs of Ryan s allegations concluding that Clark was more sinned against than sinning and that Ryan repeatedly misrepresented the situation More than just telling a story Munro places the Ryan Clark controversy within the context of Australia s History Wars This book is an illuminating saga of that ongoing contest James Curran University of Sydney The Ryan Clark controversy speaks to the place of Manning Clark in Australia s national imagination Had Ryan taken his axe to another historian it s unlikely that we would be still talking about it 30 years later But Clark was the author and keeper of Australia s national story however imperfect his scholarship and however blinkered that story Few if any historians in the Anglo American world have occupied the space that Clark occupied by dint of will force of personality and felicity of pen Donald Wright University of New Brunswick

Daisy Bates Bob Reece,2007 This book is about the life and work of Daisy Bates drawn from her letters and published writings The book covers 1 The Making of Daisy May O Dwyer 1859 1904 2 The Virus of Research 1904 1912 3 The Great White Queen of the Never Never Lands 1912 1933 4 My Natives and I 1933 1941 5 A Bit Mental The Last Years 1941 1951 Daisy Bates Letters and Other Records Daisy Bates Published Writings Works about Daisy Bates Provided by publisher

Sidney Nolan Nancy Underhill,2015-06-01 Digging through the myths around Australia s most famous artist many of which he created himself as a masterful self promoter this book is the biography that Sidney Nolan deserves In an authoritative insightful and often irreverent biography that fully charts Nolan s life and work Nancy Underhill peels back the layers from a complicated expedient and manipulative artistic genius She carries the story from Nolan s birth in 1917 to his death in 1992 tracing his early life his experience as a commercial artist his involvement in the Angry Penguins magazine his painting and set design his difficult marriages and friendships with some of the twentieth century s most famous figures Patrick White Albert Tucker Benjamin Britten Robert Lowell Stephen Spender and Kenneth Clark

Operation Crusader and the Desert War in British History and Memory Alexander Joffe,2022-02-24 Shortlisted for the 2021 Society for Army Historical Research s Templer Medal Operation Crusader launched in November 1941 was the third and final British attempt to relieve the siege of Tobruk and break the German and Italian forces in North Africa After tough initial fighting the British made important gains only to be countered by a stunning breakthrough overseen personally by Lt General Erwin Rommel As the British situation teetered the commander of the 8th Army Lt General Alan Cunningham was relieved of duty by his superior General Claude Auchinleck This decision changed the direction of the battle and perhaps the war itself Why and how Cunningham was relieved has been the subject of commentary and speculation since it occurred Using newly discovered evidence Alexander Joffe rethinks the events that brought about the sudden relief of the operation s commanding officer including insubordination The book then discusses how narratives regarding the operation were created were incorporated into British

and Commonwealth official and unofficial historical writing about the war and contributed to British historical memory Based on a decade of archival work the book presents a new and detailed analysis of a consequential battle and importantly of how its history was written and received in the context of post war Britain Holocaust Studies ,2008 Australian Book Review ,2006 War Memory and Commemoration Brad West,2016-07-15 In a period characterised by an unprecedented cultural engagement with the past individuals groups and nations are debating and experimenting with commemoration in order to find culturally relevant ways of remembering warfare genocide and terrorism This book examines such remembrances and the political consequences of these rites In particular the volume focuses on the ways in which recent social and technological forces including digital archiving transnational flows of historical knowledge shifts in academic practice changes in commemorative forms and consumerist engagements with history affect the shaping of new collective memories and our understanding of the social world Presenting studies of commemorative practices from Africa Asia Australia Europe and the Middle East War Memory and Commemoration illustrates the power of new commemorative forms to shape the world and highlights the ways in which social actors use them in promoting a range of understandings of the past The volume will appeal to scholars of sociology history cultural studies and journalism with an interest in commemoration heritage and or collective memory **The A to Z of Australia** James C. Docherty,2010-04-01 The last continent to be claimed by Europeans Australia began to be settled by the British in 1788 in the form of a jail for its convicts While British culture has had the largest influence on the country and its presence can be seen everywhere the British were not Australia s original populace The first inhabitants of Australia the Aborigines are believed to have migrated from Southeast Asia into northern Australia as early as 60 000 years ago This distinctive blend of vastly different cultures contributed to the ease with which Australia has become one of the world s most successful immigrant nations The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through a detailed chronology an introduction appendixes a bibliography and cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets author James Docherty provides a much needed single volume reference on Australia from its most unpromising of beginnings as a British jail to the liberal tolerant democracy it is today **Historical Dictionary of Australia** Norman Abjorensen,James C. Docherty,2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its

Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

The Trio Richard Knott, 2015-08-03 The Trio tells the story of three war correspondents two Englishmen and an Australian all in their 30s whose friendship was forged during the Second World War They became so close that their colleagues dubbed them The Trio sometimes out of disgruntled rivalry Alan Moorehead Alexander Clifford and Christopher Buckley worked for the Express Mail and Telegraph respectively Clifford and Moorehead lived together more closely than most married couples and all three correspondents spent the war years travelling relentlessly chasing news and writing stories while being reliant on each other s friendship and mutual trust They slept under the desert stars in sumptuous Italian villas in trains and army trucks They were frequently in the line of fire while their names became synonymous with the best war reporting The Trio describes their relationship what happened to each of them in the war and finally when the fighting was over how success gave way to personal tragedy

The Patrician and the Bloke John Robert Thompson, 2006 In the era following World War II Alan Geoffrey Serle came to stand in the forefront of historians and biographers of Australia This biography reflects on the various stages of Searle s life from his education at Scotch College service in WWII and chair at Monash University

The War Lords and the Gallipoli Disaster Nicholas A. Lambert, 2021-02-05 An eye opening interpretation of the infamous Gallipoli campaign that sets it in the context of global trade In early 1915 the British government ordered the Royal Navy to force a passage of the Dardanelles Straits the most heavily defended waterway in the world After the Navy failed to breach Turkish defenses British and allied ground forces stormed the Gallipoli peninsula but were unable to move off the beaches Over the course of the year the Allied landed hundreds of thousands of reinforcements but all to no avail The Gallipoli campaign has gone down as one of the great disasters in the history of warfare Previous works have focused on the battles and sought to explain the reasons for the British failure typically focusing on First Lord of the Admiralty Winston Churchill In this bold new account Nicholas Lambert offers the first fully researched explanation of why Prime Minister Henry Asquith and all of his senior advisers the War Lords ordered the attacks in the first place in defiance of most professional military opinion Peeling back the manipulation of the historical record by those involved with the campaign s inception Lambert shows that the original goals were political economic rather than military not to relieve pressure on the Western Front but to respond to the fall out from the massive disruption of the international grain trade caused by the war By the beginning of 1915 the price of wheat was rising so fast that Britain the greatest importer of wheat in the world feared bread riots Meanwhile Russia the greatest exporter of wheat in the world and Britain s ally in the east faced financial collapse Lambert demonstrates that the War Lords authorized the attacks at the Dardanelles to open the straits to the flow of Russian wheat seeking to lower the price of grain on the global

market and simultaneously to eliminate the need for huge British loans to support Russia's war effort. Carefully reconstructing the perspectives of the individual War Lords, this book offers an eye-opening case study of strategic policy making under pressure in a globalized world economy.

Unveiling the Magic of Words: A Report on "**Alan Moorehead A Rediscovery**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Alan Moorehead A Rediscovery**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
