Alaska A Pictorial History:

Alaska, a Pictorial History Claus-M. Naske, Ludwig J. Rowinski, 1983 Includes chapters on geological history native history Russian occupation in North America the Gold Rush the Depression etc *Alaska at War, 1941-1945* Fern Chandonnet, 2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback Alaska at War brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you re a historian or a novice student interested in this pivotal period of American history Alaska at War provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront *History of Alaska , Volume I* Jonathan M. Nielson, Ph.D., 2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins **The Thousand-Mile War** Brian Garfield, 2010-04-15 The Thousand Mile War is a powerful story of the battles of the United States and Japan on the bitter rim of the North Pacific that has been acclaimed as one of the great accounts of World War II Author Brian Garfield a novelist and screenwriter whose works have sold some 20 million copies was searching for a new story when he came upon this forgotten war in Alaska He found the history of the brave men who had served in the Aleutians so compelling that he wrote the first full length history of the Aleutian campaign The book remains a favorite among Alaskans and WWII history buffs The war in the Aleutians was fought in some of the worst climatic conditions on earth for men ships

and airplanes The sea was rough the islands craggy and unwelcoming but the most fearful enemy was the weather the savage wind fog and rain of the Aleutian chain The fog seemed to reach even into the minds of the military commanders on both sides as they directed their men into situations with often had tragic results Frustrating befuddling and still the subject of debate the Aleutian campaign nevertheless marked an important turn of the war in favor of the United States More than half a century after the war ended more of the fog has been lifted In this updated edition Garfield supplements his original account drawn from statistics personal interviews letters and diaries with more recently declassified photographs and significant additional illustrations

A History of the North Pacific Division Mary E. Reed,1991 *Southeast Alaska* Patricia Roppel,1986-01-01 Our Alaska ,2003 **Alaska's Heritage: Human history, prehistory to 1724** Joan M. Antonson,William S. Hanable,1992 **Shipwrecks of the Alaskan Shelf and Shore** Evert E. Tornfelt,Michael Burwell,1992 This comprehensive list of shipwrecks occurring in Alaskan waters from 1741 to the pre World War II era is arranged by Alaska Outer Continental Shelf Region lease sale planning area for oil and gas exploration and includes data on vessel name and type date location and cause of wreck and a historic context of the phenomenon A Pictorial History of Alaska's Capital City Charles L. Westmoreland,Juneau Empire (Firm),2009 **Icebreaking Alaska** Capt. Jeffrey D. Hartman USCG (ret),2014 The Arctic is a place of great challenges and great rewards A century ago it was whale oil today it is motor oil The increasing open water in the warmer months is attracting cruise ships to tour the Arctic Significant offshore oil and natural gas deposits are of great interest to an oil dependent economy But the history of the Arctic is full of surprises for the unwary and the unprepared despite native peoples having managed to live there for thousands of years Oil spills or maritime emergencies can and do arise a long way off from assistance Legendary Arctic storms are if anything becoming more intense and dangerous All this is in an area inaccessible by roads or by sea except for icebreakers the majority of the year It is of extreme interest to the US Coast Guard charged with protecting seafarers enforcing laws and facilitating commerce *The Human Face of the Alaska Gold Rush* Steve Levi,2021-01-01 It is the land of the Alaska Gold Rush where nuggets were said to be the size of goose eggs where men froze to death in search of the elusive yellow metal and dancehall girls lured overnight millionaire sourdoughs into marriage Honky tonk pianos punctuated the howl of the north wind in towns that were half tent and half ramshackle collections of driftwood whalebone and packing cases It was a time of whiskey and gold and long lonely trails behind a dogsled It was in a word ALASKA In cities rugged men and women walked on planks set across streets so deep with spring mud horses could be swallowed On the tundra life was a living hell with mosquitoes gnats white socks and biting flies descending in clouds on warm blooded creatures On the flip side of the season temperature could drop to 50 or 60 degrees below zero cold enough to freeze a can of oil so solid it could be cut in half with a saw With wind blasting at 100 miles an hour the chill factor could go down to 100 degrees below zero cold enough to freeze a person to death in a matter of minutes if he could not find proper shelter In whiteout conditions visibility could diminish to a foot in a matter of

minutes It was in a word ALASKA *Alaska History*, 2005 **The Seventymile Kid** Tom Walker, 2013-01-25 [CLICK HERE](#) to download the first two chapters from *The Seventymile Kid* A true and complete account of the first successful ascent of Mount McKinley setting the record straight The summer of 2013 marks the 100th anniversary of the McKinley's first ascent Features archival photographs including rare and never before published images *The Seventymile Kid* tells the remarkable account of Harry Karstens who was the actual if unheralded leader of the Hudson Stuck Expedition that was the first to summit Mount McKinley in Alaska All but forgotten by history a young Karstens arrived in the Yukon during the 1897 Gold Rush gained fame as a dog musher hauling U S Mail in Alaska and eventually became the first superintendent of Mount McKinley National Park now known as Denali National Park and Preserve Aided by Karstens's own journals longtime Denali writer and photographer Tom Walker uncovered archival information about the Stuck climb and reveals that the Stuck triumph was an expedition marred by significant conflict Without Karstens's wilderness skills and Alaska honed tenacity it is quite possible Hudson Stuck would never have climbed anywhere near the summit of McKinley Yet the two men had a falling out shortly after the climb and never spoke again In this book Walker attempts to set the record straight about the historic first ascent itself as well as other pioneer attempts by Frederick Cook and Judge Wickersham Fans of Alaska literature American history and mountaineering lore will love this adventurous biography of the larger-than-life sourdough Karstens in which Alaska its wilderness its iconic mountain and its pioneer spirit looms large **The Black Soldiers Who Built the Alaska Highway** John Virtue, 2012-11-16 This is the first detailed account of the 5 000 black troops who were reluctantly sent north by the United States Army during World War II to help build the Alaska Highway and install the companion Canol pipeline They were the first black regiments deployed outside the lower 48 states during the war The enlisted men most of them from the South faced racial discrimination from white officers were barred from entering any towns for fear they would procreate a mongrel race with local women and endured winter conditions they had never experienced before Despite this they won praise for their dedication and their work Congress in 2005 said that the wartime service of the four regiments covered here contributed to the eventual desegregation of the Armed Forces **Aunt Phil's Trunk** Laurel, Bill, 2016-07-09 Author Laurel Downing Bill continues to bring Alaska history alive in *Aunt Phil's Trunk* Volume Four Following in the fast paced and entertaining footsteps of the previous three volumes Volume Four captures the essence of life in Alaska between 1935 and 1960 Its easy to read nonfiction short stories and more than 350 historical photographs highlight major events of World War II the Cold War era and Alaska's struggle for statehood *Good Time Girls of the Alaska-Yukon Gold Rush* Lael Morgan, 1999 Morgan offers an authentic and deliciously humorous account of the prostitutes and other disreputable women who were the earliest female pioneers of the Far North At the turn of the century tens of thousands of Americans left their homes escaping a worldwide depression ruthless heartbreakers Cad Wilson French Marie Larose who auctioned herself off as a wife to the highest bidder Edith Neile called the Oregon Mare famous for both her outlandish behavior her soft hearted

generosity These good time girls crossed geographic social frontiers finding freedom independence hardship heartbreak sometimes astonishing wealth They were an important part of this key chapter in the history of the West which holds a special place in the American imagination

Catalogue Raisonné of the Alaska Commercial Company Collection, Phoebe Apperson Hearst Museum of Anthropology Nelson H. H. Graburn, Molly Lee, Jean-Loup Rousselot, Alaska Commercial Company Collection, 1996 This book documents with photographs and complete descriptions the more than 2 200 Native Alaskan Eskimo Aleut Northwest Coast and Athapaskan objects originally collected by the Alaska Commercial Company and donated to the University of California in 1897 Introducing the catalogue are essays on the historical background and cultural context and significance of the collection Also included are indexes of personal and geographical names and a concordance

Joe Quigley, Alaska Pioneer Cheryl Fair, 2020-01-17 In May 1891 Joe Quigley embarked on a journey north to try his luck prospecting for gold in Alaska Although he had been wandering across America since leaving home at 15 this would be the biggest adventure and the biggest risk Quigley had ever taken A project that began as genealogical research into a family's history this biography traces the life of a fascinating character before during and after the great Klondike gold rush Deeply researched including quotes from Quigley and numerous photographs this book is more than another tale of the Klondike Gold Rush It is an intimate look at the inspiring life of a pioneer prospector who witnessed the exploration and development of one of America's most harsh beautiful and captivating landscapes

Women Pilots of Alaska Sandi Sumner, 2005-01-20 Since the time of its inception the field of aviation has rapidly grown in both importance and popularity The acceptance and recognition of women's participation and achievements in this activity however did not develop with nearly the same speed The first biographical history of women pilots in Alaska this work explores the challenges faced by women of Alaska as they pursued roles in aviation something that had long been considered part of the men's world Beginning in 1927 with Marvel Crosson and reaching to the present day 37 adventurous and personal tales are offered including that of an ultralight flyer the first woman to become U S Aerobatic Champion a parachute jumper the first woman to fly in a small airplane over the North Pole and an Iditarod dog musher Questions about why these women chose to fly where they learned when they soloed what it meant to them to become a pilot what challenges they faced in such a non traditional role and why they chose the skies of Alaska are addressed as these intriguing stories are told

Alaska A Pictorial History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Alaska A Pictorial History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Alaska A Pictorial History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Alaska A Pictorial History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
