Alaskan Historical Documents Since 1867:

Alaskan Historical Documents Since 1867, 1989 Alaskan history is different from that of other states The 39 documents in this compilation were included because they are not widely available have had significant impact illustrate a point of view and are interesting to read Annotation copyrighted by Book News Inc Portland OR *Alaska History*, 2005 **Global America, 1915-2000** D. W. Meinig, 2006-09-01 This landmark book the concluding volume in a magisterial series presents the story of America s interwoven history and geography from 1915 to 2000 Discussing such developments as the automotive neotechnic and communications revolutions the world wars urban migration and regionalism D W Meinig offers unprecedented insights into the reshaping of the United States Meinig at his best he presents a masterly synthesis of the cultural complexity of America a compelling account of the dramatic but immensely complicated restructuring of its human geography during the twentieth century Graeme Wynn *Journal of Historical Geography* This work will shape the way many people view the United States for a long time to come Essential Choice This splendid work concludes the most ambitious writing project of any American geographer ever Global America meets and even exceeds the high standards set by the previous three volumes John C Hudson Northwestern University *The Shaping of America: A Geographical Perspective on 500 Years of History* D. W. Meinig, 2010-01-01 This landmark book the concluding volume of D W Meinig s magisterial series The Shaping of America presents the story of America s interwoven history and geography from 1915 to 2000 The author describes decades of enormous national growth and change in his characteristic engaging style and through more than seventy original maps he ingeniously depicts diverse twentieth century trends and developments The book addresses the expanding nation s progress in terms of the automotive revolution neotechnic evolution access to air travel growth of instantaneous forms of communication including telephones television and the Internet and such political events as World War II Meinig relates these developments to social and geographic trends among them patterns of urban migration regionalism metropolitanization the beginnings of the urban megalopolis shifts in ethnic and religious populations and on a more global scale transformations in America s connections with Europe Asia and Latin America A masterful synthesis of twentieth century history and geography this book offers unprecedented insights into the shaping and reshaping of the United States over the past century Race, Gender, and Punishment Mary Bosworth, Jeanne Flavin, 2007 In this book Mary Bosworth and Jeanne Flavin bring together twelve original essays by prominent scholars to examine not only the discrimination that is evident but also the structural and cultural forces that have influenced and continue to perpetuate the current situation Contributors point to four major factors that have impacted public sentiment and criminal justice policy colonialism slavery immigration and globalization In doing so they reveal how practices of punishment not only need particular ideas about race to exist but they also legitimate them *Environmental Justice in North America* Paul C. Rosier, 2023-11-01 Emphasizing the voices of activists this book s diverse contributors examine communities common

experiences with environmental injustice how they organize to address it and the ways in which their campaigns intersect with related movements such as Black Lives Matter and Indigenous sovereignty The global COVID 19 pandemic exposed the ways in which BIPOC Black Indigenous People of Color communities and white working class communities have suffered disproportionately from the crisis due to sustained exposure to toxic land air and water creating a new urgency for addressing underlying conditions of systemic racism and poverty in North America In addition to exploring the historical roots of the Environmental Justice movement in the 1980s and 1990s the volume offers coverage of recent events such as the DAPL pipeline controversy the Flint water crisis and the rise of climate justice The collection incorporates the experiences of rural and urban communities Alaska Natives Native Hawaiians Puerto Ricans and Indigenous peoples in the U S Canada and Mexico The chapters offer instructors undergraduate and graduate students and general readers a range of accessible case studies that create opportunities for comparative and intersectional analysis across geographical and ethnic boundaries

Empire's Edge Preston Jones, 2007 In 1898 Nome Alaska burst into the American consciousness when one of the largest gold strikes in the world occurred on its shores Over the next ten years Nome's population exploded as both men and women came north to seek their fortunes Closer to Siberia than to New York Nome's citizens created their own version of small town America on the northern frontier Less than 150 miles from the Arctic Circle they weathered the Great War and the diphtheria epidemic of 1925 as well as floods fires and the Great Depression They enlivened the Alaska winters with pastimes such as high school basketball and social clubs *Empire's Edge* is the story of how ordinary Americans made a life on the edge of a continent a life both ordinary and extraordinary

Shapers of Urban Form Peter J. Larkham, Michael P. Conzen, 2014-06-27 People have designed cities long before there were urban designers In *Shapers of Urban Form* Peter Larkham and Michael Conzen have commissioned new scholarship on the forces people and institutions that have shaped cities from the Middle Ages to the present day Larkham and Conzen collect new essays in urban morphology the people centered predecessor to contemporary theories of top down urban design *Shapers of Urban Form* focuses on the social processes that create patterns of urban forms in four discrete periods Pre modern early modern industrial era and postmodern development Featuring studies of English American Western and Eastern European and New Zealand urban history and urban form this collection is invaluable to scholars of urban design and town planning as well as urban and economic historians

Life and Times of a Big River Peter J. Marchand, 2015-05-15 *Life and Times of a Big River* weaves together the fascinating cultural and natural history of interior Alaska through the story of a field expedition conducted by 5 biologists in a 4000 square mile roadless area of interior Alaska The expedition was ordered by the United States government following the signing into law of the Alaska Native Claims Settlement Act and was to help decide the fate of a vast area that would ultimately become the Yukon-Charley Rivers National Preserve And yet this is a human story related through the personal experiences the uncertainties discoveries accidents and encounters with others recorded by this disparate and at one point desperate group of biologists Weaving in

and out of this narrative is an account of the natural and cultural history of the area told as it related to the expedition and to people living in the bush The five scientists explore every aspect of the land itself from fossil tree ferns to rare insects and little known mammals deciphering a record of change in a land often thought of as static and monotonous Against this background the history of both aboriginal and Anglo exploitation and adaptation to a very demanding environment is also told In the context of the expedition the natural and cultural history takes on an uncommon relevance and insight This expedition may well represent the last of its kind conducted before the explosion of satellite communications and geographic positioning technology forever changed scientific field work in remote regions

Lake Clark National Park and Preserve, Alaska Harlan D. Unrau,1994 **The Teacher and the Superintendent** George E. Boulter II,Barbara Grigor-Taylor,2015-12-03 From its inception in 1885 the Alaska School Service was charged with the assimilation of Alaskan Native children into mainstream American values and ways of life Working in the missions and schools along the Yukon River were George E Boulter and Alice Green his future wife Boulter a Londoner originally drawn to the Klondike had begun teaching in 1905 and by 1910 had been promoted to superintendent of schools for the Upper Yukon District In 1907 Green left a comfortable family life in New Orleans to answer the call to serve in the Episcopal mission boarding schools for Native children at Anvik and Nenana where she occupied the position of government teacher As school superintendent Boulter wrote frequently to his superiors in Seattle and Washington DC to discuss numerous administrative matters and to report on problems and conditions overall From 1906 to 1918 Green kept a personal journal hitherto in private possession in which she reflected on her professional duties and her domestic life in Alaska Collected in The Teacher and the Superintendent are Boulter s letters and Green s diary Together their vivid first hand impressions bespeak the earnest but paternalistic beliefs of those who lived and worked in immensely isolated regions seeking to bring Christianity and civilized values to the Native children in their care Beyond shedding private light on the missionary spirit however Boulter and Green have also left us an invaluable account of the daily conflicts that occurred between church and government and of the many injustices suffered by the Native population in the face of the misguided efforts of both institutions

The Fires of Patriotism Preston Jones,2017-04-01 The little known history of Alaska s participation in World War I long before it became a state includes photos In the early twentieth century Alaska was facing an exciting future as the newest US territory Yet just five years after its official designation the country entered World War I and citizens were called to fight Despite the threat of a looming economic collapse Alaska sent more people per capita to war than any other state and displayed a patriotism that rivaled that of any of the states The Fires of Patriotism explores Alaska s wartime experience bringing to light new stories and new characters from a decade that shook the world This multifaceted book explores the era through engaging stories and rare photos offering a fresh perspective on World War I from a marginal land that forged its place in the greater unity of the country

The Alaska Purchase in American History David K. Fremon,1999 Late on the night of March 29 1867 Secretary of

State William Seward met a Russian statesman to conclude an agreement they had been discussing that the United States would buy the vast territory of Alaska from Russia By 4 00 A M the next day they had settled the terms of the sale Then Seward had to convince Congress and the American people that the Alaska Territory was worth the price of 7 2 million dollars Author David K Fremon traces the exploration settlement and development of Alaska under the Russian government and shows how the land deal that is often called Seward s Folly was in fact one of the best bargains in history **A Place of Belonging** Phyllis Demuth Movius,2010-03-15 Alaska has always attracted people from varied backgrounds In A Place of Belonging Phyllis Movius introduces us to five women who settled in Fairbanks between 1903 and 1923 and who typify the disparate population that has long enriched Alaska The women s daily lives and personal stories are woven together in these biographical portraits drawn from the women s letters memoirs personal papers club records their own oral histories and published writings Enriched by many never before published historical photos Movius s research gives us a unique inroad into life on the frontier Alaska History Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom **Semblances of Sovereignty** T. Alexander Aleinikoff,2002-05-30 In a set of cases decided at the end of the nineteenth century the Supreme Court declared that Congress had plenary power to regulate immigration Indian tribes and newly acquired territories Not coincidentally the groups subject to Congress plenary power were primarily nonwhite and generally perceived as uncivilized The Court left Congress free to craft policies of assimilation exclusion paternalism and domination Despite dramatic shifts in constitutional law in the twentieth century the plenary power case decisions remain largely the controlling law The Warren Court widely recognized for its dedication to individual rights focused on ensuring full and equal citizenship an agenda that utterly neglected immigrants tribes and residents of the territories The Rehnquist Court has appropriated the Warren Court s rhetoric of citizenship but has used it to strike down policies that support diversity and the sovereignty of Indian tribes Attuned to the demands of a new century the author argues for abandonment of the plenary power cases and for more flexible conceptions of sovereignty and citizenship The federal government ought to negotiate compacts with Indian tribes and the territories that affirm more durable forms of self government Citizenship should be decentered understood as a commitment to an intergenerational national project not a basis for denying rights to immigrants *History of Alaska , Volume I* Jonathan M. Nielson, Ph.D.,2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The

reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins

Federal Reserves and the Politics of Alaskan State and Native Sovereignty Steven Mitchell Cohn,1998

A Construction History of Sitka, Alaska, as Documented in the Records of the Russian-American Company Katherine L. Arndt,Richard Austin Pierce,2003

Organizing Asian-American Labor Chris Friday,1995-08-09 This book traces the shifts in the ethnic and gender composition of the cannery labor market from its origins through its decline and examines the workers creation of work cultures and social communities Resisting the label of cheap laborer these Asian American workers established formal and informal codes of workplace behavior negotiated with contractors and recruiters and formed alliances to organize the workforce

Alaskan Historical Documents Since 1867 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alaskan Historical Documents Since 1867 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alaskan Historical Documents Since 1867 has opened up a world of possibilities. Downloading Alaskan Historical Documents Since 1867 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alaskan Historical Documents Since 1867 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alaskan Historical Documents Since 1867. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alaskan Historical Documents Since 1867. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alaskan Historical Documents Since 1867, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Alaskan Historical Documents Since 1867 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Alaskan Historical Documents Since 1867 Books

1. Where can I buy Alaskan Historical Documents Since 1867 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
