Albania Travel Guide Charlotte V Rogers,2023-07-24 Albania is quite possibly Europe s trick of the trade However it expands in fame every year the nation is generally overlooked by travelers many actually consider it a post socialist backwater as though the world hasn t changed over the most recent 30 years However this is a place that is known for immaculate regular magnificence with a rich history tracing all the way back to the old Illyrians and Greeks It has turned into a strong number one of hikers searching for a reasonable outside of what might be expected objective to investigate I totally adored my time visiting Albania It s a nation brimming with great food and inviting individuals I was so delighted that I expanded my visit Explorers and nature darlings can participate in all the climbing and journeying here ocean side sweethearts have the Albanian Riviera along the Ionian coast and history buffs can wonder about the country s uncrowded UNESCO locales in Butrint an old Roman city Berat and Gjirokastrë Albania is ok with additional

travelers visiting every year I figure it will become as famous and costly as Croatia in the following two or three years so visit now before the groups come
