Discover UK Shoegaze and Dream Pop Vernon Joynson, 2023-10-20 *Discover UK Shoegaze and Dream Pop* is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music, and where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names, but several less well-known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music, commencing with *The Two Volume Tapestry of Delights* 2014, *A Sharp Shock To The System* 2019, and *The Britpop Bible* 2022. These three previous titles appeared in print, but in view of the cost of living crisis, *Discover UK Shoegaze and Dream Pop* has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there.

In his autobiography, Miles talks in great detail about all of his recording sessions with all his various labels. He usually mentions things in detail, such as when they were done, who was playing with him at that session, whose arrangements the tunes were from, and so forth. Use this annotated sequencing companion guide to help you find and listen to those particular tunes within your collection, or to help you track down those missing tracks so you can compile your own soundtrack to his life. This guide will give you a perfectly good reason to reread the autobiography, and trust me, it is better the second time around. Core content includes a listing of 388 jazz tunes and albums as mentioned by Miles Davis himself in his autobiography. Use as a guide to help you find and listen to those particular tunes within your collection, or to help you track down those missing tracks so you can compile your own soundtrack to his life. Supplemental features of this book include an eleven-page summary of the autobiography, an exclusive never-before-seen article, Miles Davis vs Wynton Marsalis, a listing of all Miles Davis Video Audio Interviews, a listing of all Miles Davis DVDs, a listing of all Miles Davis Concert CDs, a Miles Davis buyers guide for both completists with no spending budget and for conscience spending people.
