Allow The Water Anger Fear Power Work Sexuality And Practice Of Non:

Allow the Water Leonard Desroches,2004-03 Allow the Water combines an introduction to nonviolence with a deeper exploration into some of its dimensions Though its style is mainly that of storytelling there are also as many helpful references as possible The book is 500 pages long but photos and drawings make up almost half the volume This is an exploration of the spirituality and practice of the force of love we inadequately call nonviolence Nonviolence is people and their stories before it is idea a way of living and acting not just a way of thinking This book is one contribution to an urgently needed conversation It is not meant to be complete There are questions observations and convictions Hopefully in their thoroughness and simplicity they contribute to our common search *Jesus and Mature Love* Leonard Desroches,2023-07-19 Every paragraph of this compelling book calls for liberatory action enabling radical transformation and planetary survival Kathy Kelly board president of World BEYOND War Len Desroches passion for peace is a bright flame a torch in a dark world May its light so shine as to ignite action and the building of heaven among us Joy Kogawa novelist poet How have we been neglecting the deepest form of love for ourselves and all others Moving toward this kind of mature love is a courageous intentional act of resistance Emma Whitla university student As someone who had previously not heard of love of enemy as a concept for the world it really made me think about alternative ways to handle acts of violence within our society today because in a lot of ways I think the media and people make violence seem like the only response to violence *Jesus and Mature Love* has altered my perspective on the world Naomi Zacharias Bezanson high school student Mennonites like everyone need to stir up their commitment to active nonviolent peacemaking The call to mature love opens the way to true freedom and full humanness This is a rich and energizing essay about the fullness of love Tim Reimer Mennonite pastor **Resurrection Peacemaking: Plowsharing the Tools of War** Clifford Kindy,2020-10-29 The author draws the reader through the drama and mediocrity of his personal experience The hard work of peacemaking is clearly strengthened through team efforts Space is provided for the reader to step into the shallows of peacemaking and then on into the depths This book is intended to be acted into being *Fault Lines* Tish Langlois,1997 In this courageous book Tish Langlois challenges Catholic liturgy and ideology that benefits men at the expense of women and children Through a gendered division of labour and a rigidly defined sexuality Catholic culture can foster sexual abuse within Catholic families Working from the premise that sexual justice for girls and women is attainable she exposes the power relationships that promote female obedience to the male head within families and the church In conversations with survivors of sexual abuse she traces the fault lines in each of these women s lives that moment of realization when each of them understood that what happened to them was seriously wrong Sexual justice Langlois argues is not an impossibility but something all women and men within Catholicism should strive to achieve *Discovering the Bright Warrior* Joan Johannson,2001 A powerful personal story of Winnipeg anti poverty activist JoanJohannson s struggle to transform fear and anger into politicalaction and positive change Ernesto Andrew

Feldman,2019-05-28 From the first North American scholar permitted to study in residence at Hemingway's beloved Cuban home comes a radically new understanding of Papa's life in Cuba Ernest Hemingway first landed in Cuba in 1928 In some ways he never left After a decade of visiting regularly he settled near Cojimar a tiny fishing village east of Havana and came to think of himself as Cuban His daily life among the common people there taught him surprising lessons and inspired the novel that would rescue his declining career That book *The Old Man and the Sea* won him a Pulitzer and one year later a Nobel Prize In a rare gesture of humility Hemingway announced to the press that he accepted the coveted Nobel as a citizen of Cojimar In Ernesto Andrew Feldman uses his unprecedented access to newly available archives to tell the full story of Hemingway's self-professed Cuban-ness his respect for Cojimar fishermen his long running affair with a Cuban lover the warmth of his adoptive Cuban family the strong influences on his work by Cuban writers his connections to Cuban political figures and celebrities his denunciation of American imperial ambitions and his enthusiastic role in the revolution With a focus on the island's violent political upheavals and tensions that pulled Hemingway between his birthplace and his adopted country Feldman offers a new angle on our most influential literary figure Far from being a post success pre suicide exile Hemingway's decades in Cuba were the richest and most dramatic of his life and a surprising instance in which the famous American bully sought redemption through his loyalty to the underdog **Canadian Periodical Index** ,1997 **Canadian Books in Print 2002** Marian Butler,2002-02 [Don Juan and the Art of Sexual Energy](#) Marilyn Tunneshende,2001-04-01 The secret sexual energy practices of Toltec Mayan shamans revealed at last The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Castaneda Offers specific step by step instructions for mastering the ancient sexual techniques that lead to spiritual transformation Readers of Carlos Castaneda have often complained that his work in ancient Mesoamerican shamanism never covered sexual practices beyond celibacy With his death in 1998 it seemed that these practices might never be revealed but fortunately Marilyn Tunneshende has stepped in Set against the backdrop of the golden deserts of Sonora Mexico Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient sexual energy practices of the Toltec Mayan tradition Under the tutelage of don Juan Matus Chon Yakil whom Castaneda referred to as Don Genaro and dona Celestina de la Soledad she learns to reclaim her feminine power and balance the masculine and feminine forces within herself At the heart of the book is the mythical Rainbow Serpent the phallic energy within women the creative power within men Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy Twenty two sequential practices are covered providing a powerful program for serious spiritual transformation *Canadian Books in Print* ,2003 [Peace Magazine](#) ,2004 [War-Time Care Work and Peacebuilding in Africa](#) Fatma Osman Ibnouf,2019-09-03 This book provides a nuanced understanding of an often neglected aspect of armed conflicts namely the everyday structures that sustain lives during crises and specifically care work performed by women It showcases the work of women as key protagonists and stresses their role as knowledge producers in studies of conflict The

author brings an original voice to the literature on women in conflict and peace building showing the unpaid and less visible care work that women do in the context of conflict and post conflict and peacebuilding in Africa **Turning Wheel** ,1996
