Knack Night Sky Nicholas Nigro, 2010-07-13 Knack Night Sky is an ode to the solar system in its awe inspiring complexity This book shows you ways to find stars constellations and other celestial objects photos comets and meteor showers from the past and comets and meteor showers to come

The Amateur Astronomer's Introduction to the Celestial Sphere William Millar, William Charles Millar, 2006-06-08 Introduction to the night sky and the principles of naked eye astronomy using only elementary mathematics

Light Years Away Sudhir Routhay, 2004-12 Light Years Away covers the wonderful things of our universe and the possibilities beyond our visible range As the name suggests most of the subject matters of the book are of distant objects like our neighbouring stars star clusters nebulae galaxies galaxy clusters and superclusters In the final chapters the possibilities beyond the observable limit and beyond our universe have been looked at carefully But the facts of solar system and earth have not been ignored The whole view of the creation has been presented in a lucid format The basic questions that we encounter like where is the end boundary of the universe what can be the nature of the extra universal things is light the fastest why we are unable to explain the universe etc have been addressed in a scientific and logical but unsophisticated way Of course some back ground in the subjects like physics and astronomy can help in the better understanding into the matter But for any enthusiast of space and cosmos irrespective of the back ground and age Light Years Away will be a satisfactory text

Lawrence Wood, 2009-09-01 Numerous opinion polls reported from time to time in the daily newspaper reveal that approximately 40% of Americans believe in Creationism 40% in Intelligent Design and 20% in Evolution Have you ever wondered why there are three such drastically different explanations of our origin Evolution The Inevitable Consequence of the Need for Species

Survival explains why there are three and how and why three were developed Perhaps you are a Creationist you will meet Stephen Geoffrey who was once a Creationist He describes his agonizing reappraisal of his beliefs and eventual abandonment of Creationism Take a look it might change your views The Bible states in Genesis Chapter 7 verse 19 regarding the biblical Flood that the waters prevailed so mightily upon the earth that all the high mountains under the whole heaven were covered That s a lot of water did it really happen Chapter 9 answers this question by examining the biblical Flood in detail such as the 820 million cubic miles of water required to cover the highest mountains for which there is no credible source If you do not believe in Evolution the powerful and detailed facts in Evolution might cause you to pause and reconsider even if only for a moment

Observing the Nearest Stars Robert Prokop,2012-06-04 Looking up into the Heavens on a clear night under a dark sky we can easily fool ourselves into thinking that the brightest stars we see are those closest to us The reality could not be more different In fact 19 of the 25 closest stars to the Sun are invisible to our naked eye and many are actually fo faint that even with the modest equipment owned by most amateur astronomers they can be supremely difficult to find Observing the Nearest Stars takes the reader on a one year guided tour through the region of the Milky Way galaxy closest to our own solar system concentrating on practical hints at observing this region for one s self 63 color illustrations and detailed star charts guide the viewer to find for themselves every star within 12 light years of the sun and visible from the Continental United States
