an especially timely warning about this scourge where losses often extend beyond money into broken relationships and mental health issues The proliferation of live betting has the potential to turn a generation of unwitting sports fans into nothing more than rats frantically tapping their phone screens for the next dopamine rush This book is a call to action It raises a banner of hope amid a sea of desperation and signals the start of a new alliance which is weaving a safety net so that addicts of all stripes might never hit rock bottom again As Joel continues his difficult journey as a work in progress he hopes that Never Enough Zeroes will be a worthy addition to the self help canon as well as a companion piece to the mental health professional's bookshelf If you know you're powerless over gambling how can you make gambling powerless over you The Confident Woman Anabel Gillham,2003-05-01 Many women believe that if they try hard enough to be the perfect Christian woman God will honor their efforts But God does not call them to be perfect He wants them to be confident confident in His love and acceptance As a mentor friend and former perfection seeker Anabel Gillham shares how women can experience the transforming touch of confidence as they understand who they are in relation to Christ and to others recognize their three biggest needs and discover how God meets them rely on God for their value worth and success With more than 100 000 copies sold this book ministers to women of all ages and backgrounds as they encounter their perfect identity in Christ

Guide to the Bodhisattva's Way of Life Volume 7 , Innerwealth Christopher Walker,2003-04-02 Innerwealth is an exceptional insight into working with heart and inspiration By integrating personal development business development global change and life mastery into one philosophy Chris Walker challenges the conventional way of managing our lives Innerwealth offers a wealth of insights and advice to help us discover and harness our own spirituality and put this into practice in the way we work with others and the way we dream about our careers This book is about business change through personal change It is a rebuke at so much of what is being done at present in the name of good business self help and cultural development Chris Walker's aim has been to find a way of life which is REAL non denominational solves world problems instead of making them and is open and transparent He achieves this using the universal laws of nature The Knotted Thong Daniel M. Hooley,1997 D M Hooley has now reexamined Persius in light of developments in contemporary critical thinking particularly that which builds upon classical imitation theories Addressing each of the six Satires as well as the introductory Choliambics Hooley contends that one of the most conspicuous features of Persius verse its allusiveness is a key to this desiderated view The long recognized exceptionally high frequency of imitations of and allusions to the works of Horace and others can be seen not as a mark of artistic immaturity but as a technique intended to engage other voices in the expression of a poem's meaning Seen as an aspect of structural and thematic strategy the pattern of Persius' engagement with the words of other poets reveals a remarkable and hitherto unregarded coherence in the Satires **Revelations of the Fallen** D.E.
