and places his proverbial usage in the context of international proverb scholarship offers examples and generalizations about his manipulation of proverbs and suggests fruitful areas of further investigation The heart of the book is a key word index to the proverbial texts that identifies the locations of the proverbial examples in the canon of O'Neill's works and facilitates comparisons of similar locutions Each proverbial construction is dated so that the reader can immediately see the chronological range of the texts For those interested in the history of particular proverbs citations of standard proverb dictionaries are appended to most of the texts Two appendices show the frequency with which proverbs appear and their distribution among the various dramas **Littell's Living Age** ,1880 *Riding* ,1959 **Cash on Delivery** Haydn Wood,Sir Seymour Hicks,1917 **New Monthly Magazine and Humorist** ,1826
