Al Capone A Biography:

Al Capone Deirdre Bair, 2016-10-25 From a National Book Award winning biographer the first complete life of legendary gangster Al Capone to be produced with the cooperation of his family who provided the author with exclusive access to personal testimony and archival documents From his heyday to the present moment Al Capone Public Enemy Number One has gripped popular imagination Rising from humble Brooklyn roots Capone went on to become the most infamous gangster in American history At the height of Prohibition his multimillion dollar Chicago bootlegging prostitution and gambling operation dominated the organized crime scene His competition with rival gangs was brutally violent a long running war that crested with the shocking St Valentine's Day Massacre of 1929 Law enforcement and the media elite seemed powerless to stop the growth of his empire And then the fall a legal noose tightened by the FBI a conviction on tax evasion Alcatraz After his release he returned to his family in Miami a much diminished man living guietly until the ravages of his neurosyphilis took their final toll But the slick mobster persona endures immortalized in countless novels and movies The true flesh and blood man behind the legend has long remained a mystery Unscrupulous newspaper accounts and Capone s own tall tales perpetuated his mystique but through dogged research Deirdre Bair debunks the most outrageous of these myths With the help of Capone's descendants she discovers his essential humanity uncovering a complex character that was flawed and sometimes cruel but also capable of nobility And while revealing the private Al Capone a genuine family man as remembered by those who knew him best Bair relates how his descendants have borne his weighty legacy Rigorous and intimate Al Capone provides new answers to the enduring guestions about this fascinating figure who was equal parts charismatic gangster devoted patriarch and calculating monster Al Capone Fred D.
