The Alchemy of Happiness Abu Al-Ghazzali,2021-10-12 The Alchemy of Happiness is a work of Islamic philosophy by Persian theologian philosopher mystic and moralist Al Ghazzali Written around AD 1105 this was one of many works by the great man to help Muslims clarify which aspects of contemporary philosophy contradicted the faith and which supported it In middle age Al Ghazzali was in the midst of a successful career as a well known educator and guest at the court of a powerful vizier Despite his accomplishments he abandoned his lucrative posts in AD 1095 and disposed of his wealth electing to live as an ascetic and mystic He chose not to teach at state sponsored schools anymore opting for a life of seclusion and teaching at smaller donation supported schools He was considered one of the renewers of Islam who are said to appear at the start of each century to cleanse the faith and keep it pure This belief was supported by Al Ghazzali s writing He wrote over seventy works during his lifetime with another twenty attributed to him but unconfirmed Near the beginning of the twelfth century Al Ghazzali wrote The Alchemy of Happiness It is a shorter Persian version of his previous work The Revival of Religious Sciences originally written in Arabic It is one of his many works of Sufism and is considered Al Ghazzali s most important Persian writing The first four chapters of this book are commentary on the famous traditional saying from Muhammad He who knows himself knows God In the first chapter Al Ghazzali explains the knowledge of the self Each of us has attributes of animals devils and angels he writes and it is up to us to determine which are which Rather than indulging in earthly pleasures that come to us from our more brutish instincts we should strive toward our angelic selves and Contemplate the beauty of God The second chapter is concerned with the knowledge of God Starting from the premise that man did not make himself and that everything mortal man needs has been provided from the storehouse of creation we begin to become aware of God's mercy and love The events of a lifetime even illness and suffering are designed to lead individuals to God In the next

chapter we learn about the world as it is It is a place where we are put to prepare for our future journey that is to prepare for the afterlife If we spend our time caring for our bodies and nourishing our souls through knowledge and love of God we will be prepared for the next phase of our journeys to happiness The final step in the alchemy is the knowledge of the next world Each man possesses two souls an animal and an angelic soul The animal soul emits from the heart and powers the organs and limbs of the body When that heart ceases to beat the animal soul dies. The angelic soul is not tied to the body so when the animal soul dies the angelic soul is freed If that soul was tied to earthly pleasures like money and family it will suffer from the loss of them But if the soul had a lesser connection to the world and a stronger connection to God then it will rejoice and be at peace The remaining chapters of the book go into greater detail about religious life exploring music self examination and marriage as either aids or detractors to the work of the angelic soul The primary thesis of The Alchemy of Happiness is that a life of self discipline and devotion to God is fundamental to the joy of living Al Ghazzali s legacy was to bring Sufism or Islamic mysticism into the orthodoxy of Islam He is considered by some to be the most important Muslim after the prophet Muhammad and he was given the title The Proof of Islam during his life Alchemy of Happiness Al Ghazzali, 2021-03-15 Kimiya yi Sa dat was a book written by Ab mid Mu ammad ibn Mu ammad al Ghaz l a Persian theologian philosopher and prolific Sunni Muslim author regarded as one of the greatest systematic thinkers of Islam The Kimiya yi Sa dat was written towards the end of his life shortly before 499 AH 1105 AD The Alchemy of Happiness Mohammed Al-Ghazzali, 2017-07-11 Kimiya yi Sa dat Persian English The Alchemy of Happiness was written by Ab mid Mu ammad ibn Mu ammad al Ghaz l a Persian theologian philosopher and prolific Sunni Muslim author regarded as one of the greatest systematic thinkers of Islam The Kimiya yi Sa dat was written towards the end of his life shortly before 499 1105 During the time before it was written the Muslim world was considered to be in a state of political as well as intellectual unrest Al Ghaz l noted that there were constant disputes regarding the role of philosophy and scholastic theology and that Sufis became chastised for their neglect of the ritual obligations of Islam Upon its release the Kimiya yi sa dat allowed al Ghazali to considerably reduce the tensions between the scholars and mystics Kimiya yi sa dat emphasized the importance of observing the ritual requirements of Islam the actions that would lead to salvation and avoidance of sin The factor that set the Kimiya yi sa dat apart from other theological works at the time was its mystical emphasis on self discipline and asceticism Sa da happiness is a central concept in Islamic philosophy used to describe the highest aim of human striving Sa da is considered to be part of the ultimate happiness namely that of the hereafter Only when a human being has liberated his her soul completely from its corporal existence and arrives at what is called active intellect Al Ghazali believed in practical ethical perfection and that by exercising his God given capacity for reason man must be drawn to the spiritual alchemy that transforms the soul from worldliness to complete devotion to God This alone he believed could produce ultimate happiness Ghaz l s teachings were to help man to live a life in accordance with the sacred law and by doing so gain a deeper understanding of its meaning
