Sussman Ph.D.,2023-06-14 It is important to bear in mind that Sussman has also been a true credit to the Reform rabbinate He has taught thousands of congregants over the decades He imparted his love for the Jewish people and its past from the pulpit under the marriage canopy and even at the funeral bier These attainments must never be minimized or overlooked One of Isaac Mayer Wise s students memorialized a noteworthy incident that occurred during a class that Wise was teaching Wise suddenly began to feel ill and decided to end the class early As Wise began to step down from his teaching platform a well meaning rabbinical student jumped up from his seat grabbed his teacher s arm and said May I help you down Doctor The famous rabbi shifted his glance and said in a voice loud enough for the rest of the class to hear Never help a person down my boy a rabbi must always help people up This is how Rabbi Dr Sussman has led in the various communities he served over the past four decades He has been a learned rabbi who never lost sight of his obligation to help people up Rabbi Dr Gary P Zola Executive Director Emeritus American Jewish Archives Ackerman Family Distinguished Professor HUC JIR From To The Readers written for the AJA Festschrift in honor of Rabbi Dr Lance J Sussman 2024 *My Time with Einstein* Stanley R. Cohen,2012-09-05 Would you like to know the truth about Albert Einstein from a friend who really knew him Much of what is reported by some historians about his life is consistent with his personal writings but much is conjecture based on people who never knew him and they simply made up whatever the writers thought he must be like After nearly two years of personal conversation directly with Einstein I have tried to recall specific things about him which may be of interest to you He needs to be remembered for the truth about his contributions to the whole world He was indeed a rare bird **Pete Seeger in His Own Words** Pete Seeger,Rob Rosenthal,Sam Rosenthal,2015-11-17 Long an icon of American musical and political life Pete Seeger has written eloquently in a diverse array of publications but nowhere is his life story more personally chronicled than in these his private writings documents and letters stored for decades in his family barn Pete Seeger His Life in His Own Words collects Seeger s letters notes published articles rough drafts stories and poetry creating the most intimate picture yet available of Seeger as a musician an activist and a family man The book covers the passions personalities and experiences of a lifetime of struggle from the pre WWII labour movement and the Communist Party to Woody Guthrie the Civil Rights movement and the struggle against the war in Vietnam The portrait that emerges is not of a saint but a flesh and blood man struggling to understand his time and his place Albert Einstein in His Own Words in Two Complete Books Albert Einstein,1961 *Einstein in His Own Words: 100+ Quotes (Albert Einstein Quotes)* Markkus Rovito,2012-04-04 ABOUT THE BOOK Albert Einstein was born in 1879 By the time of his death in 1955 the world Einstein was born into would be completely foreign to him Scientific

breakthroughs and advancement over the 76 years of his life permanently changed the world While Einstein was regarded as brilliant by both his contemporaries and predecessors Einstein had a humble assessment of his mental faculties Einstein published his theory of relativity in 1905 at the tender age of 26 and years later it was all but validated by the scientific community at large Yet the source of his greatest triumph also lead to his greatest sources of consternation MEET THE AUTHOR Markkus took a degree in journalism and ran with it covering topics such as music technology business health and the future for a variety of print and online publications including Remix MaximumPC DJ Tech Tools Charged EVs San Francisco Business Times Philadelphia Weekly Mac Life MacHome Electronic Musician and others He likes to make music funny voices and people s days He generally keeps a baseline healthy lifestyle going and then experiments from there Other interests include world travel world shifts and world non domination As a rule he s more well rounded than he used to be He s also currently training for a half marathon and when finished will be halfway proud <http://www.facebook.com/markkus.rovito> Twitter treefitty EXCERPT FROM THE BOOK It is just as important to make knowledge live and to keep it alive as to solve specific problems Contact between the intellectual and the masses must not be lost It is necessary for the elevation of society and no less so for renewing the strength of the intellectual worker for the flower of science does not grow in the desert I am only coming to Princeton to research not to teach There is too much education altogether especially in American schools The only rational way of educating is to be an example of what to avoid if one can t be the other sort The wonderful things you learn in your schools are the work of many generations produced by enthusiastic effort and infinite labour in every country of the world All this is put into your hands as your inheritance in order that you may receive it honor it add to it and one day faithfully hand it on to your children Thus do we mortals achieve immortality in the permanent things which we create in common buy the book to read more exclusive quotes CHAPTER OUTLINE Einstein in His Own Words 100 Quotes Introduction On Knowledge and Education On Science Einstein s Humility and much more [Jesus Christ In His Own Words](#) Elizabeth Wallace,2009-09 For the first time united and illustrated in one volume the canonical gospels of Matthew Mark Luke and John with the gnostic gospels of Thomas Philip Judas and Mary Magdalene *Wisdom Of The Martians Of Science: In Their Own Words With Commentaries* Istvan Hargittai,Balazs Hargittai,2015-12-10 Wisdom of the Martians of Science refers to five scientists whose brilliance contributed to shaping the modern world John von Neumann was a pioneer of the modern computer Theodore von K r m n was the scientist behind the US Air Force Leo Szilard initiated the development of nuclear weapons the Nobel laureate Eugene P Wigner was the world s first nuclear engineer and Edward Teller was the father of the hydrogen bomb They were born and raised in Budapest were forced out of Hungary and then from Germany they became Americans and devoted themselves to the defense of the United States and the Free World They contributed significant discoveries to fundamental science ranging from the properties of materials to the application of the symmetry principle in physics to creating information theory to game theory The areas in which we can learn about their wisdom

include applications of science to past present and future real world needs defense education environment human nature humor politics religion weather modification and others This book shows the wisdom of the Martians by presenting their thoughts and ideas in their own words and placing them into context Their wisdom is intriguing witty provocative and thought provoking It extended over many aspects of life and culture that impinge on our existence While we cannot always agree with what they say they are never boring The power of their words and their philosophies will inspire the readers to pursue their own dreams

Albert Einstein's "Why Socialism?" Albert Einstein, 2025-05-05 A contemporary look at Albert Einstein's classic call for socialism First published more than seventy five years ago in the inaugural issue of Monthly Review An Independent Socialist Magazine Albert Einstein's Why Socialism is an unheralded classic Written during the McCarthyite witch hunt in the United States it constituted an act of defiance making a case for socialism unrivaled in its time or ours Yet its very existence has been an embarrassment to an establishment which has continually sought to downplay the significance of his iconoclastic essay together with Einstein's socialism itself This slim elegant volume includes Einstein's essay along with a detailed commentary on his essay by Monthly Review editor John Bellamy Foster Foster's introduction tells the story of Einstein's life long commitment to socialism and the events leading to the publication of Why Socialism and contextualizes the importance of his essay as we enter a time of planetary crisis and new threats of world war Over the three quarters of century since its publication Why Socialism is one of those rare statements whose power has only grown reaching untold numbers of readers over the years It is of crucial importance that for the sake of the future of humanity Einstein's message continues to proliferate

Albert Einstein In His Own Words Introduction

In today's digital age, the availability of Albert Einstein In His Own Words books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Albert Einstein In His Own Words books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Albert Einstein In His Own Words books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Albert Einstein In His Own Words versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Albert Einstein In His Own Words books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Albert Einstein In His Own Words books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Albert Einstein In His Own Words books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Albert Einstein In His Own Words books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
