Schaberg, 2019-09-24 The definitive history of writing and producing the Big Book of Alcoholics Anonymous told through extensive access to the group's archives Alcoholics Anonymous is arguably the most significant self help book published in the twentieth century Released in 1939 the Big Book as it's commonly known has sold an estimated 37 million copies been translated into seventy languages and spawned numerous recovery communities around the world while remaining a vibrant

plan for recovery from addiction in all its forms for millions of people While there are many books about A A history most rely on anecdotal stories told well after the fact by Bill Wilson and other early members accounts that have proved to be woefully inaccurate at times Writing the Big Book brings exhaustive research academic discipline and informed insight to the subject not seen since Ernest Kurtz s Not God published forty years ago Focusing primarily on the eighteen months from October 1937 when a book was first proposed and April 1939 when Alcoholics Anonymous was published Schaberg s history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A A archives Woven together into an exciting narrative these real time documents tell an almost week by week story of how the book was created providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A A history Fast paced engaging and contrary Writing the Big Book presents a vivid picture of how early A A operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful

Medical and Health Care Books and Serials in Print ,1997 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery Marc Galanter, Lee Anne Kaskutas, 2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of Recent Developments in Alcoholism reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research findings and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find Volume 18 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series
