

History of Alcohol Treatment

- Alcoholics Anonymous—founded 1935 (BB 1st ed.1939)
 - Bill W(ilson) and Dr. Bob (Smith)
 - Two ideological bases for treatment
 - Medical model – recognizing alcoholism as a disease though does not formally endorse Disease Model - ('malady of the mind, body, and spirit')
 - Christian-based spiritual model - alcoholism a manifestation of power of sin, requiring confession. But not a moral model, more a condition of flawed character.
- Yale Research Group—1940-1960's
 - E.M. Jellinek
 - Heavily promoted the disease concept of alcoholism
- Disease model endorsed by WHO in 1951 and by AMA in 1956

Alcoholism And Brentwood A Spiritual Model Of Recovery:

Alcoholism and Brentwood Wilfred Alexander Gallant, Paul Charbonneau, 1994-01-01 Spirituality and Religiousness and Alcohol/Other Drug Problems Brent B. Benda, Thomas E. McGovern, 2006-10-13 An in depth look at the relevance of religious and spiritual issues to alcohol and drug use and abuse throughout the lifespan Spiritual issues and forgiveness are oft neglected topics in treatment programs for substance abusers This unique book brings those underrated components of recovery to the forefront through current research

God and Alcoholism Dick B., 2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century

By the Power of God Dick B., 2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing

Cured Dick B., 2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today's recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today's room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn't tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God's own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step

Recovery or Therapy writings Yet they were the heart of early A A s Program and successes **Current Index to Journals in Education** ,1997-10 The Oxford Group & Alcoholics Anonymous Dick B.,1998 A A s life changing program derived almost exclusively from the precepts of A First Century Christian Fellowship also known as the Oxford Group of which A A was an integral part in its early years This book is the only study devoted exclusively specifically to the Oxford Group origins ideas principles practices specific impact on A A its Big Book its Twelve Steps **New Light on Alcoholism** Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to Shoemaker s churches in Pittsburgh and New York to the Episcopal Church Archives in Austin Texas to Hartford Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has published 33 books on the history of early A A **How We Are Healed** Jeffrey Driscoll,2007-07 A first aid resource for the deep problems people face in their lives this text provides immediate help to the desperate reader who might be experiencing difficulty with biblical advice from a variety of sources 184 pp Christian **Quality-of-Life Research in Chinese, Western and Global Contexts** Daniel T.L.
