Alliances And Small Powers:

Alliances and Small Powers Robert L. Rothstein, Columbia University. Institute of War and Peace Studies, 1968

Alliances and Small Powers Robert Lewis Rothstein, 1968 Crucible of Beliefs Dan Reiter, 2019-05-15 How do foreign policymakers learn from history When do states enter alliances Why have some small powers chosen to enter alliances whereas others have stayed neutral In Crucible of Beliefs Dan Reiter uses work in social psychology and organization theory to build a formative events model of learning in international politics History does inform the decisions of policymakers he suggests but it is history of a specific sort based on firsthand experience in major events such as wars Tested against balance of threat theory the leading realist explanation of alliance behavior Reiter's formative events model of learning emerges as a far better predictor of states decisions Crucible of Beliefs shows that contrary to balance of threat theory state leaders ignore the level of international threat and focus instead on avoiding past mistakes and repeating past successes A serious blow to realism these findings demonstrate that to understand the dynamics of world politics it is essential to know how leaders learn from history **The Origins of Alliances** Stephen M. Walt, 2013-08-10 The Origins of Alliances offers a different way of thinking about our security and thus about our diplomacy It ought to be read by anyone with a serious interest in understanding why our foreign policy is so often self defeating New Republic How are alliances made In this book Stephen M Walt makes a significant contribution to this topic surveying theories of the origins of international alliances and identifying the most important causes of security cooperation between states In addition he proposes a fundamental change in the present conceptions of alliance systems Contrary to traditional balance of power theories Walt shows that states form alliances not simply to balance power but in order to balance threats Walt begins by outlining five general hypotheses about the causes of alliances Drawing upon diplomatic history and a detailed study of alliance formation in the Middle East between 1955 and 1979 he demonstrates that states are more likely to join together against threats than they are to ally themselves with threatening powers Walt also examines the impact of ideology on alliance preferences and the role of foreign aid and transnational penetration His analysis show however that these motives for alignment are relatively less important In his conclusion he examines the implications of balance of threat for U S foreign policy **American Alliance Policy in the Middle East, 1945-1992** John P. Miglietta, 2002-01-01 American Alliance Policy in the Middle East provides a stimulating new look at a U S Cold War foreign policy gripped by anticommunist paranoia Through case studies of America's relationships with Iran Israel and Saudi Arabia John P Miglietta reveals how an overriding fear of global communism led to the overcommitment of U S security resources to the region The perceived need to preserve Middle East stability rendered U S policy ineffectual and unresponsive to changing local conditions drastically altering the patron client paradigm to the detriment of American strategic interests This superb analysis of American foreign policymaking illustrates how Cold War anticommunist ideology prevented the evolution of traditional military alliances into broader based relationships and

perpetuated authoritarian regimes that mired the Middle East in a cycle of poverty and despotism **Unipolarity and the Evolution of America's Cold War Alliances** Nigel Thalakada, 2012-05-04 Thalakada argues that the principal purpose of US alliances have shifted since the end of the Cold War from containing communist expansionism balance of power to preserving and exercising US power management of power He also looks across all US alliances highlighting the trend from regionally based to more globally active alliances *The Weaker Voice and the Evolution of Asymmetric Alliances* Andrea Leva, 2023-10-24 Military alliances are a constant feature in international politics and a better understanding of them can directly impact world affairs This book examines why alliances endure or collapse As a distinctive feature it analyses asymmetric alliances focusing on the junior allies decision to continue or terminate a military agreement It deepens our knowledge of alliance cohesion and erosion investigating the relevance of the weaker side s preferences and behavior in alliance politics The author examines the literature on alliance persistence and termination and puts forward a theoretical model that helps interpret historical and contemporary cases in a way that is useful for expert researchers and non expert readers alike **Prospect Theory and Foreign Policy Analysis in the Asia Pacific** Kai He, Huiyun Feng, 2013-01-17 Why does North Korea behave erratically in pursuing its nuclear weapons program Why did the United States prefer bilateral alliances to multilateral ones in Asia after World War II Why did China become nice no more military coercion in dealing with the pro independence Taiwan President Chen Shuibian after 2000 Why did China compromise in the negotiation of the Chunxiao gas exploration in 2008 while Japan became provocative later in the Sino Japanese disputes in the East China Sea North Korea s nuclear behavior U S alliance strategy China s Taiwan policy and Sino Japanese territorial disputes are all important examples of seemingly irrational foreign policy decisions that have determined regional stability and Asian security By examining major events in Asian security this book investigates why and how leaders make risky and seemingly irrational decisions in international politics The authors take the innovative step of integrating the neoclassical realist framework in political science and prospect theory in psychology Their analysis suggests that political leaders are more likely to take risky actions when their vital interests and political legitimacy are seriously threatened For each case the authors first discuss the weaknesses of some of the prevailing arguments mainly from rationalist and constructivist theorizing and then offer an alternative explanation based on their political legitimacy prospect theory model This pioneering book tests and expands prospect theory to the study of Asian security and challenges traditional expected utility based rationalist theories of foreign policy behavior *The Onset of World War (Routledge Revivals)* Manus I. Midlarsky, 2014-07-16 First published in 1988 this historical and quantitative analysis of war defines systemic world wars as conflicts of wide scope and intensity which leave profound historical legacies in their wake Manus Midlarsky examines various possible explanations for the onset of such past wars as the Peloponnesian War the Thirty Years War and World Wars I and II Midlarsky develops his basic theory of systemic war outlining the reasons for the absence of wars of this magnitude and describing the violations of certain structural

conditions that are associated with the onset of world war A timely and relevant reissue this insightful analysis will be of particular value to those with an interest in International Relations War and Peace Studies Military History and Security Studies

Defence Planning for Small and Middle Powers Tim Sweijs, Saskia van Genugten, Frans Osinga, 2024-08-01 This book examines the processes practices and principles of defence planning in small and middle powers Small and middle powers are recalibrating their force postures in this age of disruption They are adapting their defence planning and military innovation processes to protect the security of their nations The purpose of this book is to explore defence planning and military innovation in 11 contemporary case studies of small and middle powers in North America Europe the Middle East Asia and Oceania Employing a structured focused comparison framework it traces patterns in the choices of small and middle powers across the following themes 1 alliances dependencies and national ambitions 2 approaches processes methods and techniques and 3 military innovation strategies and outcomes Breaking new theoretical ground it offers a three pronged typology distinguishing between the strategic defence planner the transactional defence planners and the complacent defence planner The book offers a rich array of insights into cases that fall across different geographies strategic cultures and governance systems These insights can help guide discussions on how to structure decision making structures arrive at ambition levels formulate priorities select partners and design defence planning and military innovation processes This book will be of much interest to students of defence studies security studies public policy and international relations as well as to professionals in defence planning

Handbook of Indo-Pacific Studies Barbara Kratiuk, Jeroen Van den Bosch, Aleksandra Jaskólska, Yoichiro Sato, 2023-03-08 This handbook explores the significance of the Indo Pacific in world politics It shows how the re emergence of the Indo Pacific in international relations has fundamentally changed the approach to politics economics and security The volume explores the themes related to trade politics and security for better understanding of the Indo Pacific and the repercussions of the region s emergence studies different security and political issues in the region military competition maritime governance strategic alliances and rivalries and international conflicts analyses various socio economic dimensions of the Indo Pacific such as political systems cultural and religious contexts and trade and financial systems examines the strategies of various states such as the United States Japan India and China and their approaches towards the Indo Pacific covers the role of middle powers and small states in detail Interdisciplinary in approach and with essays from authors from around the world this volume will be indispensable to scholars researchers and students in the fields of international relations politics and Asian studies

China's Rise and Australia-Japan-US Relations Michael Heazle, Andrew O'Neil, 2018-04-27 One of the most pressing policy challenges for Australia and Japan today is ensuring that China s rise does not threaten the stability of the Asia Pacific while also avoiding triggering conflict with their largest trading partner This book examines how Australian and Japanese perceptions of US primacy shape their respective views of the Asia Pacific regional order the robustness of Asia s alliance system and the future of Australia Japan security cooperation

China's Rise

and the Balance of Influence in Asia William W. Keller, Thomas G. Rawski, 2007-05-31 China's protracted boom and political transformation is a major episode in the history of global political economy. Beginning in the late 1970s, China experienced a quarter century of extraordinary growth that raised every indicator of material welfare, lifted several hundred million out of poverty, and rocketed China from near autarky to regional and even global prominence. These striking developments transformed China into a major U.S. trade and investment partner, a regional military power, and a major influence on national economies and cross-national interchange throughout the Pacific region. Beijing has emerged as a voice for East Asian economic interests and an arbiter in regional and even global diplomacy, from the Asian financial crisis to the North Korean nuclear talks. China's accession to the World Trade Organization promises to accentuate these trends. The contributors to this volume provide a multifaceted examination of China in the areas of economics, trade, investment, politics, diplomacy, technology, and security, affording a greater understanding of what relevant policies the United States must develop. This book offers a counterweight to overwrought concerns about the emerging Chinese threat and makes the case for viewing China as a force for stability in the twenty-first century.

The Soft Power of Non-Western Small States Sarina Theys, 2024-09-12 This book critically engages with the concepts of small states and soft power and advances a new approach to defining small states, a new conceptualisation of soft power, and a method for empirically analysing the exercise of soft power. It revisits the concepts of small states and soft power with a focus on Bhutan and Qatar and their approach to exercise soft power to achieve their foreign policy goals. Building on two main perspectives to define small states, the objective approach and the subjective perspective, this book offers an intersubjective approach to define states as small. The intersubjective approach requires a shared understanding between states that a certain state is small. The book further highlights the importance of deconstructing the meaning of size and to separate the notion of size from the concept of power, because size is not always indicative of power. It argues that although small states tend to have fewer material resources than large states, they nevertheless can have influence through the exercise of soft power. Soft power is in this book defined as the ability of an actor to convince another actor that something is true. Convincing deals with the beliefs of an actor and is a mental decision rather than a physical action. This book argues that the exercise of soft power can be analysed through examining the development, projection, and reception of identities. The findings of this book show that Bhutan was more successful than Qatar in exercising soft power and explains the reasons for this variation. Aimed at a multidisciplinary audience, this book will be of particular interest to practitioners, scholars, and students of International Relations, Political Power, Small States, and Area Studies.

The Foreign Relations of Iran Sepehr Zabih, Shahram Chubin, 2023-11-15 This study of the foreign relations of a small state in a zone of Great Power conflict focuses on the evolution of Iranian foreign policy from a struggle for national survival to the achievement of preponderance in an otherwise unstable region. The topic is of special interest because of the continuing proliferation of new actors on the international stage and the paucity of published

studies of their foreign affairs It is also particularly timely because of the increasing importance of the Persian Gulf and of oil in world politics Recognizing that international politics exercises a major influence on the diplomacy of a small state by imposing constraints as well as offering options the author argue that the success of Iranian diplomacy in achieving a balanced international posture and a strong regional policy is primarily a result of two factors the gradual transformation of Soviet policy toward Iran from expansionism to accommodation and Iran s enhanced economic and political capabilities A perceptive interpretation of the international political environment and a realistic recognition of the constraints and opportunities involved have redounded to the advantage of Iran Consequently Iran has been able to use its proximity to a Great Power with a long history of expansionist aspirations in order to pursue a posture of de facto nonalignment without abandoning a generally pro Western orientation The authors have designed their book to provide a detailed case study of Iranian foreign policy within an analytical framework conducive to theorizing about the foreign policy of other comparable small states Previous treatments of the subject have ignored insights afforded by contemporary international relations and have been largely historical and descriptive The present volume taking a different approach should serve both the specialist on Iranian affairs and the student of international relations and comparative foreign policy This study of the foreign relations of a small state in a zone of Great Power conflict focuses on the evolution of Iranian foreign policy from a struggle for national survival to the achievement of preponderance in an otherwise unstable region The topic

Small Powers in Alignment Omer de Raeymaeker,1974

The Turkish-American Relationship Between 1947 and 2003 Nasuh Uslu,2003 Turkish American Relationship Between 1947 2003 The History of a Distinctive Alliance

Raimo Väyrynen: A Pioneer in International Relations, Scholarship and Policy-Making Raimo Väyrynen,2023-01-03 This book provides a broad overview of Professor Raimo Väyrynen s academic work his role in international research organizations and his contributions to policy debates It offers an interesting review of important political issues during the time span of half a century from disarmament in Europe to the changing relationship between state sovereignty and transnational forces Väyrynen has dealt with the changing agenda of peace and international relations security and the arms race and the world economy This book provides comprehensive analyses of the regional and systemic structure of international relations with the emphasis on conflicts and warfare between nations It argues that while states even smaller ones still matter transnational issues are increasingly important Taking a historical perspective the articles suggest that large scale violence and arms races have been recurrent and cyclical phenomena in international relations These events reflect the deep seated inequalities in the political and economic systems which moreover vary considerably between regions The publication is important reading for any researcher as well as students policy makers and the science oriented public at large Traces the changing agenda of international relations from disarmament and the world economy to the changing relationship between state sovereignty and transnational forces Provides analyses of the regional and systemic structure in international relations with the emphasis on

conflicts and warfare Argues that large scale violence and the arms race have been recurrent and cyclical phenomena in international relations Reviews important political issues from peace and conflict in Europe to the changing power relationship in the world

Weak States in the International System Michael I. Handel, 2016-01-20 This work defines weak states and their strengths and weaknesses It examines why they are weak and their position in different international systems as well as their economic positions

Newcomers No More? Contemporary NATO and the Future of the Enlargement from the Perspective of "Post-Cold War" Members Robert Czulda, Marek Madej, 2015 The central aims of the book is to present in the form of a collection of papers a variety of views on NATO from member states formerly known as new and to assess in this context the prospects for NATO enlargement Therefore the book consists of two parts The main objective of the first part is to present how NATO is now perceived in Central and South Eastern Europe Papers collected here offer an opportunity to reflect on the impact of the enlargements starting from 1999 on NATO functioning and evolution roles tasks and capabilities The issue of how accession has transformed accessioning states will also be discussed Last but not least the perspective of new members on NATO s future will be presented The authors of the articles in this part mainly come from those countries that joined the Alliance after the end of the Cold War The second part is devoted strictly to the topic of enlargement In this part we asked experts from NATO members both old and new potential candidates and other NATO partners including Russia Georgia Ukraine Azerbaijan Sweden Finland etc how they view the future of NATO cooperation with external partners in Europe and the prospects for enlargement of the Alliance

Reviewing **Alliances And Small Powers**: Unlocking the Spellbinding Force of Linguistics

Alliances And Small Powers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alliances And Small Powers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alliances And Small Powers has opened up a world of possibilities. Downloading Alliances And Small Powers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alliances And Small Powers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alliances And Small Powers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alliances And Small Powers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alliances And Small Powers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alliances And Small

Powers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Alliances And Small Powers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Alliances And Small Powers is one of the best book in our library for free trial. We provide copy of Alliances And Small Powers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Alliances And Small Powers. Where to download Alliances And Small Powers online for free? Are you looking for Alliances And Small Powers PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Alliances And Small Powers. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Alliances And Small Powers are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands

or niches related with Alliances And Small Powers. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Alliances And Small Powers To get started finding Alliances And Small Powers, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Alliances And Small Powers So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Alliances And Small Powers. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Alliances And Small Powers, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Alliances And Small Powers is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Alliances And Small Powers is universally compatible with any devices to read.
