Davis,2014-12-20 Curiosity about my great grandmother s name Margaret Henry Hughes was the force behind the writing of this book Searching what few records survived I was surprised to discover her parents were a Volunteer Union Kentucky Cavalry soldier Henry Hughes and the daughter of a farmer in Confederate Georgia Eliza Anne Tucker Coming from opposite worlds they met fell in love and married during the Civil War The Union troops of which Henry was a part were occupying Eliza s small hometown of LaFayette Georgia in the summer of 1864 The circumstances that allowed them to meet fall in love and marry are fascinating This story tells how the war brought them together and also how it made their lives very difficult Their time together was cut short when the Union forces left LaFayette shortly after they married For months Henry was involved in military action facing the dangers of the war They drew strength from the letters they received from each other After my research my curiosity was satisfied to find out why their daughter was named Margaret Henry Hughes At the end of the war in 1865 Henry was involved in a dramatic event that most Americans have never heard about Henry Hughes was among the thousands of soldiers who served our country during the Civil War Since that time many of those soldiers have become nameless faceless and forgotten Like my great great grandmother Eliza it is my hope that Henry Hughes s service and memory will not be left in the forgotten cobwebs of history *Almost Home* Debbie Macomber,Cathy Lamb,Judy Duarte,Mary Carter,2012-07-13 Old flames reignite and new passions burn when lovers follow their hearts back to the place they once called home Whale Island by Cathy Lamb Family secrets and imposing friends are making Chalese feel like an outsider in her very own home on beautiful Whale Island But it s only when a shocking revelation makes her feel truly lost that she opens her heart to the possibilities the past offers including a chance

Almost Home David Steen, 2023-10-03 A young boy and girl born worlds apart chased the promise of the good life the American Dream only for the lives they carefully built to fall apart in the wake of divorce Almost Home shares the truth of God's promises his power to rebuild lives and transform hearts Almost Home shares how two broken families joined together in holy matrimony and God's healing David Steen takes readers through one family's journey of remarriage building a home growing a family selling a house and pursuing life on a farm all while pursuing the believers true home with Christ The family in Almost Home sought to build their lives anew on a firm foundation Their desire for God and faith in Him along with their raw determination and love for one another carried them through decades of joyous victories as well as trials and tribulations The life of their dreams along with an amazing place to call home was built in amazement before their very eyes and their growing family drew near to God continually desiring to hear His voice and to obediently follow the Lord with reckless abandon Yet even then something was missing In all of their pursuits the destination of home they sought after in this life

eventually became somewhat of a mystery something to cling to less and less as time passed on What they longed for was fleeting as they came to recognize that they were not citizens of this world after all but sojourners on a journey to another world a heavenly realm where the struggles of this life are no more Join this family on their miraculous journey to find hope for the future as they pursue their heavenly home encouraging readers to loosen their grip on the things of this world

**Freerange Vol.4: Almost Home** ,2012 **Almost Home - America's Love-Hate Relationship with Community** David L. Kirp,2002 For David Kirp a gifted storyteller and journalist the concept of community stretches beyond a cliched figure of speech to describe what happens when people make decisions that reshape one another s lives He has collected a fascinating variety of such stories from across America to re create the immediate experience of community tales that signify in their particulars giving meaning to the much bandied about idea of civic virtue They paint a rich picture of how for better and for worse Americans live together We meet two San Francisco families one Nicaraguan and the other black trying to live peacefully

with each other residents in the fire ravaged Berkeley hills whose greed and architectural ambitions thwart attempts to build the new Eden of their dreams parents and teachers fighting against long odds to improve the East Harlem public schools residents of a small southern town caring for a parentless teenager with AIDS residents of the New Jersey suburb of Mount Laurel deciding whether poor families will be allowed to live in our town and neighbors choosing sides when a black teenager kills his gay white neighbor While there are real heroes Ethel Lawrence the Rosa Parks of the affordable housing movement and Deborah Meier tireless advocate for better schools the stories are mainly about ordinary people caught up in extraordinary events These beautifully written tales reveal individuals in the process of forming new alliances or falling back on familiar ones bowling alone or promoting the common good They show us past all self delusion who we really are
