H. Lawrence,2016-01-14 I AS FAR AS PALERMO Comes over one an absolute necessity to move And what is more to move in some particular direction A double necessity then to get on the move and to know whither Why can t one sit still Here in Sicily it is so pleasant the sunny Ionian sea the changing jewel of Calabria like a fire opal moved in the light Italy and the panorama of Christmas clouds night with the dog star laying a long luminous gleam across the sea as if baying at us Orion marching above how the dog star Sirius looks at one looks at one he is the hound of heaven green glamorous and fierce and then oh regal evening star hung westward flaring over the jagged dark precipices of tall Sicily then Etna that wicked witch resting her thick white snow under heaven and slowly slowly rolling her orange coloured smoke They called her the Pillar of Heaven the Greeks It seems wrong at first for she trails up in a long magical flexible line from the sea s edge to her blunt cone and does not seem tall She seems rather low under heaven But as one knows her better oh awe and wizardy Remote under heaven aloof so near yet never with us The painters try to paint her and the photographers to photograph her in vain Because why Because the near ridges with their olives and white houses these are with us Because the river bed and Naxos under the lemon groves Greek Naxos deep under dark leaved many fruited lemon groves Etna s skirts and skirt bottoms these still are our world our own world Even the high villages among the oaks on Etna But Etna herself Etna of the snow and secret changing winds she is beyond a crystal wall When I look at her low white witch like under heaven slowly rolling her orange smoke and giving sometimes a breath of rose red flame then I must look away from earth into the ether into the low empyrean And there in that remote region Etna is alone If you would see her you must slowly take off your eyes from the world and go a naked seer to the strange chamber of the empyrean Pedestal of heaven The Greeks had a sense of the magic truth of things Thank goodness one still knows enough about them to find one s kinship at last *The Gift of Shamanism* Itzhak Beery,2015-03-13 Discover the shamanic powers within each of us Explores ayahuasca rituals in the Amazon messages from power animals and plant spirits intuitive dreams soul retrieval and holograms of past lives and spirits Explains the shamanic way of seeing to diagnose spiritual emotional and physical ailments via candle readings remote viewing and shamanic journeys Details how the author has helped individuals communicate with loved ones who have passed on and release themselves from negative spirits Each and every one of us has shamanic powers Glimpses of them can arise at any age in the form of intuitive dreams d j vu spontaneous visions and out of body experiences Most people dismiss these experiences However by embracing these gifts we can unlock our shamanic potential to change ourselves and the world around us Revealing his transformation from skeptic to respected shamanic healer Itzhak Beery explains how after countless prescient dreams and visions throughout his life that he brushed off a series of synchronistic
