Classroom Interactions in Literacy Eve Bearne, Henrietta Dombey, Teresa Grainger, 2003-11-16 This book examines some
of the complexities and debates about language literacy and learning challenging current assumptions about shared
understanding of pedagogical principles It foregrounds social and cultural issues and the nature of interaction between
children and teachers children and children children and texts of all kinds and the significance of wider interactions within
the teaching profession The contributors revitalise debate about the nature of professional knowledge provide insights into
the detail of classroom discourse and teacher interventions and examine the transformative possibilities of literacy They
argue for a more open and expansive agenda informed by an analytically constructive view of pedagogy and challenge the
profession to move from restrictive certainties to the potent possibilities of development through uncertainty and risk 110
