Foundations of Criminology provides an invaluable contribution to the growing conversation about criminology's origin story and the level that this is grounded in the idiosyncrasies of the North Atlantic world and its historical development. This book will be invaluable reading to students and academics engaged in studies of criminology and criminal justice.

The Handbook of the History and Philosophy of Criminology Ruth Ann Triplett, 2018-01-04. Featuring contributions by distinguished scholars from ten countries, The Wiley Handbook of the History and Philosophy of Criminology provides students, scholars, and criminologists with a truly a global perspective on the theory and practice of criminology throughout the centuries and around the world. In addition to chapters devoted to the key ideas, thinkers, and moments in the intellectual and philosophical history of criminology, it features in-depth coverage of the organizational structure of criminology as an academic discipline world-wide. The first section focuses on key ideas that have shaped the field in the past, are shaping it in the present, and are likely to influence its evolution in the foreseeable future. Beginning with early precursors to criminology's emergence as a unique discipline, the authors trace the evolution of the field from the pioneering work of 17th-century Italian jurist/philosopher Cesare Beccaria up through the latest sociological and biosocial trends. In the second section, authors address the structure of criminology as an academic discipline in countries around the globe, including North America, South America, Europe, East Asia, and Australia. With contributions by leading thinkers whose work has been instrumental in the development of criminology and emerging voices on the cutting edge, The Wiley Handbook of the History and Philosophy of Criminology provides valuable insights in the latest research trends in the field, world-wide, the ideal reference for criminologists as well as those studying in the field and related social science and humanities disciplines.

Zoo Rob Haan, 2022-02-03. Bonobo Bob and Billie Ape lead the other animals living at the zoo in Zoological Operations Organization, which is referred to as ZOO. ZOO is made up of Fancy and Freddy Fox, Montee Monkey, Reynaldo Raccoon, Willie Wombat, Redtail Rick, Bobo Bigfoot, and an assist from Goldie Golden Lab, as well as plenty of others. The animals use their natural abilities, skills, and sense of humor to benefit the other animals and humans of the zoo and the surrounding area. Bonobo Bob and Billie Ape also educate the group on the relationship various animals have with humans. All while Hopper Rabbit tries not to get eaten.

Criminology Eamonn Carrabine, Pamela Cox, Nigel South, Maggy Lee, Ken Plummer, Jackie Turton, 2009-01-13. The new edition of Criminology: A Sociological Introduction builds on the success of the first edition and now includes two new chapters: Crime Place and Space, and Histories of Crime. More than a collection of orthodox thinking, this fully revised and updated textbook is also grounded in original research and offers a clear and insightful introduction to the key topics studied in undergraduate criminology courses, including crime trends from historical overview to recent crime patterns, criminal justice system, including policing and prisons, ways of thinking about crime and control from the origins of criminology to contemporary theories, research methods used by criminologists, new topics within criminology including terrorism, cybercrime, human

rights and emotion The book is packed with contemporary international case studies and has a lively 2 colour text design to aid student revision Specially designed to be accessible and user friendly the new edition is also supported by a fully interactive companion website which offers exclusive access to British Crime Survey data as well as other student and lecturer resources

The Sound of Hope Kellie D. Brown,2020-06-25 Since ancient times music has demonstrated the incomparable ability to touch and resonate with the human spirit as a tool for communication emotional expression and as a medium of cultural identity During World War II Nazi leadership recognized the power of music and chose to harness it with malevolence using its power to push their own agenda and systematically stripping it away from the Jewish people and other populations they sought to disempower But music also emerged as a counterpoint to this hate withstanding Nazi attempts to exploit or silence it Artistic expression triumphed under oppressive regimes elsewhere as well including the horrific siege of Leningrad and in Japanese internment camps in the Pacific The oppressed stubbornly clung to music wherever and however they could to preserve their culture to uplift the human spirit and to triumph over oppression even amid incredible tragedy and suffering This volume draws together the musical connections and individual stories from this tragic time through scholarly literature diaries letters memoirs compositions and art pieces Collectively they bear witness to the power of music and offer a reminder to humanity of the imperative each faces to not only remember but to prevent another such cataclysm
