THERE IS ALWAYS A WAY BACK Keith Tipple, 2023-02-09 Whether you have wandered away and lost faith or never embraced real faith in Jesus Christ this book will bring you new hope Perhaps on the other hand you are praying for loved ones and friends to return or come to faith this book will inspire you to believe in the god who answers prayer and that there is always a way back The casualties of life are everywhere and deceptions are numerous Many look back on wrong decisions hurts and broken relationships and the scars and guilt from such things are etched into their hearts leaving them with regrets that may have haunted them for years The pull of a world system constantly seeks to take people as far away from God as possible and then leaves them wondering if there is any way back to real faith peace and hope This book will bring you face to face with the truth that no matter what has transpired in your life there is always a way back My challenge to you is to be prepared to take the journey this book sets before you and to seriously consider the truth Jesus taught as he told a simple story one day in order to illustrate the heart of his loving heavenly Father who is full of grace and truth and is always waiting to welcome home those who have wandered away Whatever has transpired in your journey of life no one is too far away that the grace and forgiveness of God cannot reach and restore It's time to come home Your heavenly Father is waiting and everything is prepared because there is always a way back At the back of this book is the added bonus of questions for discussion on each of the nineteen chapters which can be used in small groups May you be blessed and encouraged as you read *There Is Always a Way Back Not Always a Happy Ending* Shriyut Kumar Srivastava, Soul mates the word seems so common We use it in our everyday life without even knowing the true meaning of it One does not simply find their soul mate in this bizarre world so easily Estella did not care about the world's practicality and opinions All she knew was that like the Estella in *Great Expectations* she would also find her Pip And then one fine evening she does meet the perfect guy Like every fairy tale they fall in love and decide to get married Everything was going perfectly But of course this isn't the whole story Professor Jay Malhotra has been the best in his job and most loved teacher in SAU His words would make every single being sway in the wind of love But why was he the way he was Why did he look like someone had taken out his soul Does love really matter to him as much as he stated and taught Join the inexplicable respective journeys of Estella Hudson and Jay Malhotra in the first installment of the epic romantic trilogy Get a peek inside the world of love drama and tragedy This is not a love story it's the procedure of creating love and the science behind the word Soul mate And most importantly understand the concept that in every story there is not
