Bertram, 1985 Dutch Post-war Fiction Film through a Lens of Psychoanalysis Peter Verstraten, 2025-10-01 Dutch Post war Fiction Film through a Lens of Psychoanalysis is a sequel to Humour and Irony in Dutch Post war Fiction Film AUP 2016 but the two studies can be read separately Because of the sheer variety of Fons Rademakers oeuvre which spans art cinema and cult genre film and historical epics each chapter will start with one of his titles to introduce a key concept from psychoanalysis It is an oft voiced claim that Dutch cinema strongly adheres to realism but this idea is put into perspective by using psychoanalytic theories on desire and fantasy In the vein of cinephilia this study brings together canonical titles Als twee druppels water Soldaat van Oranje and little gems Monsieur Hawarden Kracht It juxtaposes among others Gluckauf and De vliegende Hollander on father figures Flanagan and Spoorloos on rabbles and heroes De aanslag and Leedvermaak on historical traumas and Antonia and Bluebird on aphanisis House of the Rain King Will Greatwich, 2025-02-28 When the Rain King comes the floodwaters rise On the banks of Lake Tilehat lies the Rain House monastery ancient sprawling and corrupt It s also the closest thing to a true home for the young novice Emwort A bookish child from a family of hardworking fisherwomen Emwort wants nothing more than to find a place for himself among the Rain King s worshippers Then the Rain King arrives in person and Emwort s world is thrown into chaos Suddenly the monastery becomes a death trap as a senile deity wanders the halls trampling his devotees underfoot And out beyond the walls the floodwaters are rising As Emwort s sisters struggle to warn their people of the coming danger Emwort discovers a conspiracy among his fellow monks to erase the King s true history With no one else to trust Emwort forges a fragile alliance with the mercenaries of Sparrow Company who serve the Rain King while trying to mitigate his destruction But the Sparrows have their own dark past to reckon with and the secrets Emwort reveals may turn one comrade s blade against another As the flood reaches its peak Emwort and the Sparrows will face a terrible decision For the Rain King is waiting to claim his Bride And if he does not have her he will leave the land flooded forever more **Humour and Irony in Dutch Post-War Fiction Film** Peter Verstraten, 2025-10-01 Dutch

cinema when discussed is typically treated only in terms of pre war films or documentaries leaving post war fictional film largely understudied At the same time a Hollandse school a term first coined in the 1980s has developed through deadpan ironic films like those of director and actor Alex van Warmerdam Using seminal theories on humour and comedy this book explores a number of Dutch films using the notion of categories such as low class comedies neurotic romances deliberate camp and grotesque satire With its original approach this study makes surprising connections between Dutch films from various decades

Annual Index to Motion Picture Credits, 1986 Byerly Woodward,1987-04 *International Film Guide* ,1985

Images of Occupation in Dutch Film Wendy Burke,2025-10-01 The German occupation of the Netherlands during World War II left a lasting mark on Dutch memory and culture This book is the first to explore depictions of that period in films made a generation later between 1962 and 1986 As Dutch public opinion towards the war altered over the postwar decades the historical trajectory of Dutch recovery and reconstruction political economic and most complicated of all psychological came to be revealed often unconsciously in the films of the period
