Wang,Chien Ming Wang,Kim Weinert,Rutger de Graaf-van Dinther,2025-09-26 Large Floating Solutions builds on the foundations laid in Large Floating Structures Technological Advances extending the analysis to the next generation of Very Large Floating Structures VLFS as integrated climate adaptive urban systems This volume provides a comprehensive examination of the engineering environmental and architectural innovations required to deliver modular resilient floating cities alongside offshore energy aquaculture and transport infrastructure It addresses the complex legal regulatory and governance frameworks that underpin buoyant urbanism including property rights environmental compliance and international law and considers the role of artificial intelligence and autonomous maritime systems in urban management Together these contributions position floating infrastructure as a critical solution to escalating global water challenges      *The Book of What If...?* Matt Murrie,Andrew R McHugh,2017-04-18 What if a book didn t just tell you how to think or what to know but rather encouraged you to think for yourself What if there was a book that focused on asking questions instead of just answering them The Book of What If does just that What if you lived on a floating city What if politicians were kids What if broccoli tasted like chocolate What if you could explore outer space By asking these fun open ended questions this book fosters greater critical thinking skills and gives kids a space to interact by breaking out a notebook to draw or write out their personal reactions or engage in entertaining exercises with family and friends Plus sidebars deepen the investigation with peer to peer insights historical and current profiles real life examples and more making for unlimited learning opportunities      **The Lex Chronicles Trilogy E-Book Collection** Crystal Crawford,2019-04-16 This box set collection contains ALL THREE e books in The Lex Chronicles Trilogy Legends of Arameth An evil force terrorizes Arameth but those out to stop it have a serious problem their prophesied hero is dead Centuries ago a malevolent magicborn overtook Arameth fracturing their world and unleashing a devastating war between magicborn and their non magic neighbors To protect their magical heritage the Ancients of Arameth sealed themselves off in The Core wiping all memory of magic from the ordinary people The remaining magicborns retreated into hiding unable to use their abilities for fear of inciting the wrath of the Ancients dark regime or the terror of their own neighbors Two hundred years later the damage wreaked by the Fracture threatens to unravel their world A dark energy from The Core is slowly corrupting once beautiful

Arameth and the Worldforce the source of all Arameth's magic is destabilizing. The heroes sworn to restore the balance fail catastrophically in their final battle and tensions peak between the peoples of Arameth. Fluctuations in the unstable Worldforce bring frequent disasters. But not all of Arameth's problems come from The Core. Lex is a seventeen year old with no memories before this morning and no clue why a group of villagers want him dead. Realizing they have mistaken him for a destructive magicborn who slaughtered innocents in their village, Lex flees for his life only to discover he's more tangled in the conflicts of the past than he ever imagined. And the mysterious girl he stumbles upon during his escape creates a whole new set of problems. An epic fantasy portal fantasy soft sci fi mashup, this trilogy is teeming with quirky characters, fantastical creatures, surprises and suspense. With subtle, clean, sweet romance, high stakes adventure and a strong focus on friendship and second chances, this all the feels fantasy series will keep you flipping the pages.
