## **A Friendly Deceit:**

**A Friendly Deceit** Greg Johnson, 1992 Trust and betrayal coercion and compliance cruel truth and friendly deceit these are among the themes in this latest collection of stories by prizewinning author Greg Johnson A young man knows his father really didn't die in Vietnam but isn't sure he's ready for his mother to tell him the truth An emotionally distraught wife copes with her husband's infidelity Watching a disturbing Gene Tierney film on the Million Dollar Movie a ten year old boy learns that there are more dangerous fevers than the one keeping him home from school And as her boyfriend loads the stolen silver on his pickup truck a female con artist teaches a childless woman a bitter lesson about motherhood **Short Story Index**

, 1994 A Friendly Address to the Members of the Methodist Society in Scotland. Occasioned by Mr. Walker's Expostulatory Address to the Members of the Methodist Society in Ireland William West (Wesleyan Minister.), 1807 *The Bliss of Your Attention* David Borofka, 2025-01-21 A powerful story collection that celebrates those who strive and fail and strive again If Joseph Campbell's dictum follow your bliss has become inspiration and goad accusation and cliché then the characters in David Borofka's *The Bliss of Your Attention* are all the more puzzled by what their futures portend Their bliss is never clear nor independent of others for the characters in these stories are ever in search of connection understanding and validation even if the latter unlike reality and cynicism is in short supply As the narrator of *Live with It* tells her would be novelist husband Learn to live with your disappointments I mean she thinks I could give him the party line you know follow your bliss etc etc but that's where the disappointments come from don't they I mean that's where bliss leads if you're not good at the thing that you think makes you happy Borofka whose collection *A Longing for Impossible Things* was selected by the American Book Fest as the 2021 winner of the American Fiction Award for the Short Story masterfully charts the spectrum of human emotion and the difficulty of connection in these pages Hapless and bumbling though they may be the characters in *The Bliss of Your Attention* continue to move forward despite all evidence to the contrary As novelist Peter Manseau noted The comedy of seeking is rarely so sympathetically portrayed as in Borofka's hands he captures perfectly the poignancy of dopey mortals dreaming and scheming to reach the divine **The Fall of the Nan Soung** A. L.

Lymburner, 1846 *After O'Connor* Hugh Ruppersburg, 2003 Georgia has produced some of the major figures of modern literature including Carson McCullers Erskine Caldwell and most notably Flannery O'Connor While such writers are firmly established in American literary history all too few readers are aware of how the state's tradition of literary excellence persists in the present day The thirty stories in *After O'Connor* were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state Embracing the social cultural and ethnic variety in today's Georgia *After O'Connor* both advances and helps redefine the great southern storytelling tradition

The Conference on Beautiful Moments Richard Burgin, 2007 Annotation The Chicago Tribune has called Richard Burgin among our finest artists of love at its most desperate a critic for the Philadelphia Inquirer dubbed him one of America's most

distinctive storytellers I can think of no one else of his generation who reports the contemporary war between the sexes with more devastating wit and accuracy Through an extraordinarily vivid and variegated set of characters The Conference on Beautiful Moments Burgin s sixth collection of stories continues his daringly dark yet often humorous exploration of these themes as well as our mysterious quest for truth success and identity In the gently satiric Jonathan and Lillian a movie star throws a dinner party with very different meanings for her biographer her butler and ex lover and herself In Cruise an aging straight man befriends a young gay man Together they meet on their cruise ship s deck to confess to each other the worst thing they have ever done In the title story a journalist sent to investigate a conference formerly devoted to discussing beauty in the arts discovers it has turned into something considerably more sinister In The Conference on Beautiful Moments Burgin writes with equal compassion and insight about the homeless and the wealthy prostitutes and businessmen an autistic child and an art forger His characters are masterfully illuminated by their interior narratives which burst sharply into conversations at once intimate and calculated

**A Longing for Impossible Things** David Borofka,2022-03-08 A short story collection that charts the yearning inherent in imperfect lives when hopefulness and disappointments abound in equal measure

**Return Fire** Glenn Blake,2010-03-31 I was born in a land of bayous raised between rivers writes Glenn Blake in his latest collection of short stories There is a place in Southeast Texas where two rivers meet and become one There is a long bridge over these waters and as you drive across you can look to the south and see where the Old River and the Lost River become the Old and the Lost You can look out as far as you can see and watch this wide water become the bay The stories in Return Fire are set in the swamps bayous and sloughs of Southeast Texas a region that is subsiding sinking inches every year beneath the encroaching tides The characters who inhabit Blake s Southern landscape struggle to salvage what they can of their hopes and dreams They are the walking wounded cautious crippled capable of any act Magnolias water mescal stars and fire return again and again in these seven sparse yet tightly written vignettes

***Crisis in Consciousness*** Greg Johnson,1993 Though this collection deals with a range of disturbing issues the AIDS epidemic aging suicide psychological aberration and the violence of contemporary America it is rich with the aid and comfort of compassion truth and a language of survival Immersed in the shared experience of sorrow the poems rise above mere confessions of grief to speak in a voice of dignity and hard earned wisdom

**Shadow Traffic** Richard Burgin,2011-10-15 A St Louis Post Dispatch Favorite Book of 2011 The New York Times Book Review has praised Richard Burgin s stories as eerily funny dexterous too haunting to be easily forgotten while the Philadelphia Inquirer calls him one of America s most distinctive storytellers no one of his generation reports the contemporary war between the sexes with more devastating wit and accuracy Now in Shadow Traffic his seventh collection of stories five time Pushcart Prize winner Richard Burgin gives us his most incisive witty and daring collection to date as he explores the mysteries of love and identity ambition and crime and our ceaseless if ambivalent quest for truth In Memorial Day an aging man at a public swimming pool recalls a brief but momentous affair he had with a

young British woman in London thirty years ago and the paradoxical role his recently deceased father played in it In the highly suspenseful Memo and Oblivion set in the near future in New York two rival drug organizations engage in a dangerous battle for supremacy one promoting a pill that increases memory exponentially the other a pill that dramatically eliminates memory The Interview centers on a B movie starlet married to a much older and more famous director and her tragic yet comic interview with an ambitious but conflicted young reporter Shadow Traffic justifies the New York Times claim that Burgin offers characters of such variety that no generalizations about them can apply and why the Boston Globe concluded that Burgin's tales capture the strangeness of a world that is simultaneously frightening and reassuring and in the contemporary American short story nothing quite resembles his singular voice

So the Story Goes John T. Irwin, Jean McGarry, 2005-05-13 Writing about a wide variety of subjects and in a multitude of styles the twenty writers collected here share a mastery of language and an extraordinary ability to entertain Ellen Akins from World Like a Knife Her Book Steve Barthelme from And He Tells the Little Horse the Whole Story Zorro Glenn Blake from Drowned Moon Marsh Jennifer Finney Boylan from Remind Me to Murder You Later Thirty six Miracles of Lyndon Johnson Richard Burgin from Fear of Blue Skies Bodysurfing Avery Chenoweth from Wingtips Powerman Guy Davenport from Da Vinci's Bicycle A Field of Snow on a Slope of the Rosenberg Tristan Davies from Cake Counterfactuals Stephen Dixon from Time to Go Time to Go Judith Grossman from How Aliens Think Rovera Josephine Jacobsen from What Goes without Saying On the Island Greg Johnson from I Am Dangerous Hemingway's Cats Jerry Klinkowitz from Basepaths Basepaths Michael Martone from Safety Patrol Safety Patrol Jack Matthews from Crazy Women Haunted by Name Our Ignorant Lips Jean McGarry from Dream Date The Last Time Robert Nichols from In the Air Six Ways of Looking at Farming Joe Ashby Porter from Lithuania West Baltimore Frances Sherwood from Everything You've Heard Is True History Robley Wilson from The Book of Lost Fathers Hard Times

The Empire of the Dead Tracy Daugherty, 2014 Searching for renewal in the face of unforeseeable tragedy and the daily changes wrought by time In the spare and deliberate stories in The Empire of the Dead through situations both comic and bluntly melancholy the future remains open for people but at an indeterminate cost Daily characters weigh their indecision against the consequences of choice Through a series of five linked stories we meet Bern a New York City architect yearning for a return to first principles the initial euphoria the falling in love that led him to consider a life devoted to sheltering others In his ministrations to colleagues and friends his memories of magical building feats now in the past he learns the limits and the expansiveness of joy and need In another tale we meet a young painter in a Gulf Coast refinery town struggling to differentiate beauty from affliction His sister's encounter with the singer Janis Joplin causes him to reconsider the nature of saintliness And in the novella The Magnitudes a planetarium director grieving over the unexpected loss of his parents must learn how much of the universe both the real sky beyond his reach and the firmament cast upon the planetarium dome he can control Like the other characters in Tracy Daugherty's masterful collection he moves through spaces at once sacred and

spoiled within cities deserts and other strange environments reckoning taking soundings trying to find firm footing in the world
