Science Fiction-Roman Michael Bishop,1981 *The Publishers Weekly* ,1975 *Blue Fire* Jennifer M. Small,2002-10-17 One world is composed of paradox duality and seeming contradictions Living in it is like partially standing under an umbrella while the other part of us becomes soaked in the rain Sooner or later we will inevitably get wet In order to feel inner balance in an external world that is harsh and complex we must all dive deep within ourselves and discover the healing feminine aspect of God or Source known as the Divine Mother When the mind is stilled we can tangibly access and experience her inner love compassion and wisdom that is so much needed in life Her energy percolates through our conscience as she comforts and guides us through the trials and tribulations of life We can talk to her directly though our inner calmness and faith This book goes beyond rigid dry dogmatic beliefs and concepts and plunges us right into our own heart s love In this dialogue we learn that one day we not only converse with the Mother but we merge with her and realize that through our spirituality we are the essence of love itself She then tangibly flows inside us like an unbroken river of grace and we are continuously bathed in this love We thus discover our own mastery of life through the experience of this hidden sacred potential the Divine Mother within us all The conversations in this book are questions the author asks of the Divine Mother in meditation and in the day to day Through sacred dialogue questions addressed include the nature of the Divine Mother and how we can experience her love in our lives In addition the author attempts to deeply approach the nature of the inner river of grace the dormant meditation energy so much discussed in Eastern and Western mysticism Much discussion arises on how

one can approach the Mother and her qualities and imbibe them within our own being Issues on compassion mercy wisdom beauty healing abundance and grace are deeply dived into Much dialogue ensues on how one s heart is blocked from experiencing inner love and how to overcome such obstacles An agony arises for the author as issues of loneliness abandonment and all seemingly difficult states of mind are brought to the Mother s consciousness for compassionate support In addition the dialogue reflects that it is the Mother s force that is most needed in our physical world in these difficult times Above all the message of this writing is that the Divine Mother is within all of us and that in our own spiritual unfoldment and awakening we can experience a love inside ourselves that is normally veiled and hidden It is a matter of grace as well as self effort that culminates the experience of enlightenment or the communion as all mystics and saints have done over the millennia of time

EmberStone's Flame Crystal Buchanan, Where Darkness Forges the Fiercest Flames of Revenge and Desire In a realm scorched by betrayal and steeped in ancient magic survival demands more than strength it requires a soul set ablaze by vengeance The air still tastes of ash and the echo of lost screams rings through the desolate landscape of Oakhaven a village reduced to charred ruins by the merciless Obsidian Covenant Amidst the shadows of devastation stands a lone survivor a Flame elemental whose burning spirit pulses with the volatile power of the Whisperwind Fire More than a story of ruin this is a journey into the heart of darkness where morality blurs and passion scorches where love and destruction intertwine in a relentless dance Readers will be drawn into a world where the very earth bears scars of an unholy sorcery and every ember hints at secrets waiting to ignite The protagonist s fury fuels a quest not only for retribution but also for redemption relentlessly facing foes whose obsidian weapons and corrupted magic threaten to unravel reality itself Brace yourself for an immersive tale of broken legacies and forbidden desires where the line between villain and hero fades Experience intense battles not only with fire and steel but also with the aching depths of the heart This narrative will grip you with its raw emotion and vivid world building revealing strength in vulnerability and beauty within the shattered For those who crave a dark fantasy romance layered with moral complexity and fierce passion this story offers a hauntingly beautiful escape one where every page shimmers with the heat of a flame that refuses to die Step into the ashes feel the heat of a soul forged in loss and discover the incendiary power of a love that can rise from even the darkest ruin The Best of Frederik Pohl Frederik Pohl,1975 **The Ladies' Repository** ,1868
