Quoting from Mother Theresa: The greatest disease in the West today is not TB or Leprosy; it is being unwanted, unloved, and uncared for. We can cure physical diseases with medicine, but the only cure for loneliness, despair, and hopelessness is love. There are many in the world who are dying for a little love. The poverty in the West is a different kind of poverty; it is not only the poverty of loneliness but also of spirituality. There is a hunger for love as there is a hunger for God.

Mother Theresa: A Simple Path. Mother Theresa: In most of the inspirational stories you will be able to experience God's love for humankind and His love for you, and at the same time demonstrate your love for God through your love for neighbor, as suggested by Mother Theresa's quote: "Even though I'm very acquainted with the section on humor, I find myself laughing out loud each time I revisit this section. If you are an introvert, quiet, or your attention is mainly on yourself, this humor will make you an extrovert, active, and expressive, and the life of any gathering, because almost everyone loves humor." Make this book a treasured addition to your library, and one you will gladly recommend to others. It is my fervent prayer that through this effort, I am leaving the wood pile a little higher than I found it.

Jesus loves you, and so do I.

**Heaven's Delight** Niraj Kapur, 2007-04-13. Heaven's Delight is a feel-good romantic comedy novel about getting a second chance at life and finding meaning and value in a tumultuous world.

Beth Woodson is a thirty-three year old cynical, self-centred Londoner who God sends back to earth to make up for her past sins, which include infidelity, being a terrible manager to her staff, and a dishonest friend. She has six days to help bring together four couples of different ages and backgrounds to learn the real values of love, friendship, and honour.

When you're a cynical non-committal, couldn't care less about children, thirty-three year old woman, how do you help others fall in love? Especially when you possess no angel power and have to be a normal human being again? And if that weren't enough, the devils have been observing Beth. They're furious that God took her to heaven when her self-destructive madness belongs in hell, so they make it their mission to cause destruction on earth and get her back where she belongs.

Matters are further complicated when she falls madly in love with Chris, but has to hide her true identity from him. If Beth succeeds in her goals, her sins will be forgiven, and she can return to earth. But if she fails, she'll be condemned to an eternity in hell.

**Heaven's Outcasts** AQEEL AHMED, 2024-03-01. The Nephilim were kicked out of heaven and now wander the earth looking for forgiveness and a new purpose among both angels and people.

Summary

Heaven's Outcasts is a moving story about the Nephilim who were sent out of heaven for breaking the rules of the realm. Imagine being locked out of your house and not knowing what to do. This is how the Nephilim felt when they first came to Earth. Heaven was not at all like the world which had mountains, rivers, and lots of animals. The Nephilim were scared and wondered if they would ever be happy or fit in again. After that, something amazing happened. As they explored this new world, they met many different kinds of animals and people. Their first meeting was with Bella, a friendly bird who showed them around Earth and introduced them to her friends. People who were Nephilim started to use their special abilities for good. For example, they helped farms with their crops, saved animals in danger, and cheered up kids who were sad. So they did great things and felt like they had a purpose in their new life on Earth. But not everything was easy. Before there was a mistake that made the Nephilim feel alone in a group. However, the villagers realized they were wrong and were happy to see the Nephilim because of a little girl named Lily who saw the Nephilim's good traits. Even though kindness and patience can change people's thoughts, this showed the Nephilim that people can be afraid of things they don't understand. Then, when an angel from heaven visited, their trip took a turn they didn't expect. The angel told them that their good deeds on Earth made God happy. They were told they had a new job to protect Earth with kindness and hope. It was exciting and clear to the Nephilim what they had to do. Even though they had a lot of problems, they were never alone. They had each other and their new friends to help them get through anything. Protecting the town from a strong storm was a big problem they had to deal with. The Nephilim worked together to protect each other and used their skills. People in the area thanked them for being brave and kind, which cemented their place in the community. They were no longer outsiders; they were now dear friends. In the end, the Nephilim decided to stay on Earth instead of going back to heaven. They were determined to reach their goal because they loved their new home so much. They lived with people and other animals and shared kindness, love, and hope. We can learn a lot from Heaven's Outcasts about how to understand, accept, and value second chances. It shows that everyone can make a change and find their place in the world, no matter where they come from. We can learn to be brave, kind, and selfless from the story of the Nephilim. Moving, making new friends, and realizing that everyone deserves a second chance to do things right are all parts of this story.

Chapter 1: The Fall

Heaven was a place of unmatched beauty and peace, perched high above clouds that sparkled with golden light in the enchanted world of the deep blue sky. There were many angels living in this heavenly world, and they were all nice and helpful. There was also a strange race of animals called the Nephilim. Heavenly beings loved the Nephilim for their amazing skills, kind hearts, beautiful wings, and eyes. But their journey suddenly went in a different direction, starting a new era in Heaven's past full of strange events. Nephilim, who were always interested in new things and seeking excitement, had to make a tough choice one day. They broke Heaven's most important rule without meaning to, at a time that would change their fate forever. This law was made by the highest authority to keep the peace and order in this celestial place. This rule was broken because people didn't follow it, and it also upset the delicate balance that kept Heaven and its

people in perfect peace What they did had terrible results right away Because the Nephilim were so bad they were sent out of Heaven as a punishment Even though this choice was bad for everyone it had to be made to follow the rules that guide the celestial worlds Even though the angels used to admire the Nephilim they now found themselves falling from the sky going through the clouds and landing on Earth They were filled with fear and uncertainty Once the Nephilim arrived on Earth they found a world that was very different from the paradise they had experienced in heaven They were in a place with lush woods huge oceans that seemed to whisper secrets from deep within and mountains that reached for the sky The Nephilim on the other hand felt lost in this amazing beauty as if they had lost their way While they were traveling around the world they felt very alone and couldn't figure out why they were there To fall from Heaven wasn't just to hit the ground it was a journey into the unknown full of obstacles and lessons to be learned It was the start of a trip that would test their bravery make them question their beliefs and change them completely by the end When the Nephilim came into contact with people and nature they started a trip to learn more about them It was their hope to find a new mission that would give their time on Earth for purpose and for forgiveness Even though they were scared and didn't trust each other their fall from Heaven was the beginning of an amazing journey It was an invitation to find the strong bonds of friendship to look inside themselves and to learn what it really means to forgive There were challenges in this new part of their lives but there was also hope It was like a lighthouse pointing them toward a time when they would be able to find their place in the world again this time as valued guardians of a brand new home instead of misfits
