Roberts, 2013-09-13 Suitable for 19th and 20th century Europe modern political narrative history Europe undergraduate courses This well established and immensely successful book provides a standard introduction to the subject by one of Britain's most popular historians Social economic and social history are skillfully integrated within a framework of political narrative history **Europe, 1880 - 1945** John Morris Roberts (Historiker),1977 1880-1945 John Morries Roberts, 1989 Europe, 1880-1945 John Morris Roberts, 1970 *Europe in the Eighteenth* Century 1713-1789 M.S. Anderson, 2014-07-22 For 1st and 2nd year undergraduate courses in Modern European History in departments of history Also higher level courses on enlightenment This book provides a wide ranging account and discussion of the history of Europe from 1713 1789 As well as political events problems and institutions it looks at the economic life of the continent social structures and problems and intellectual and religious life It also covers all aspects of Europe's relations with the rest of the world during a key period in European history Europe in the High Middle Ages John H. Mundy, 2014-06-11 A revised and updated new edition of Professor Mundy's lively introduction to Europe 1150 1300 It provides a portrait of the social economic political and intellectual life of Latin Christendom in the period Wherever possible the men and women of the high middle ages are allowed to speak for themselves as Professor Mundy makes wide use of contemporary sources xxx bringing alive the complexities and concerns of people living in medieval times Another strength of the book is the attention devoted to groups often marginalised in other histories looking at the experience of women for instance and that of the Jews in a predominantly Christian society **Europe, 1880-1945 [by] J. M. Roberts** John Morris Europe 1780 - 1830 Franklin L. Ford, 2014-01-21 Europe 1780 1830 rapidly established itself as a standard Roberts, 1967 introduction to European history in the age of the French Revolution and its aftermath when it first appeared Now for the first time the book has been fully revised updated and expanded The half century covered constitutes one of the most complex eventful and rapidly changing of any in Europe's history It is a period whose emphasis on conflict and political crisis combines daring innovation with the stubborn persistence of many older attitudes and patterns of human behaviour Professor Ford explores these tensions throughout and he gives his readers a powerful sense of the extraordinary energy in every aspect of human activity that characterised the time Europe in the Sixteenth Century H.G. Koenigsberger, George L. Mosse, G.Q. Bowler, 2014-06-06 This bestselling seminal book a general survey of Europe in the era of Rennaisance and Reformation was originally published in Denys Hay's famous Series A General History of Europe It looks at sixteenth century

Europe as a complex but interconnected whole rather than as a mosaic of separate states The authors explore its different aspects through the various political structures of the age empires monarchies city republics and how they functioned and related to one another A strength of the book remains the space it devotes to the growing importance of town life in the sixteenth century and to the economic background of political change **Europe in the Central Middle Ages** Christopher Brooke,2016-04-15 This wide ranging introduction to medieval Europe has been updated and revised In his popular survey Brooke explores the variety of human experience in the period He looks at society economy religious life and popular religion learning culture as well as political events the rise of the Normans and the heyday of the medieval Empire For the new edition there is increased coverage of the role of women and more attention to central Europe Bohemia Hungary and Poland

Europe in the Nineteenth Century Harry Hearder, 2014-01-21 The period between 1830 and 1880 was one of immense activity radical political change and striking economic and social growth in Europe The major themes of the struggles between individuals parties and classes within the state and between the states themselves are explored within the context of a study of the administration organisation and growth of European society The whole book has been fully revised and updated particularly the section on German history Professor Hearder has also given greater consideration to many important issues such as popular movements of protest and insurrection life styles and the role of women **Seventeenth Century** Donald Pennington, 2015-12-14 As before the second edition of this widely used survey is in two main parts The first analyses the major themes of seventeenth century European history on a continent wide basis The second part moves on to outline political diplomatic and military events in the various states and nations of the time For the second edition all the chapters have been rewritten to take account of recent scholarship Moreover many new topics are discussed the family crime the impact of printing climate population and social mobility Islam in seventeenth century Europe Throughout the book emphasises current lines of research and controversy to illustrate that the history of the period is a process of enquiry and argument rather than incontrovertible fact **Europe in the Fourteenth and Fifteenth Centuries** Denys Hay, 2016-04-15 The second edition of this highly successful textbook analyses the structure of later medieval society in Europe identifies its main groups and their political programmes and examines their impact on the political economic and social history of the major European states There are many additions and expansions in this new edition and the important chapter on the Central Monarchies of Poland Hungary Bohemia Rumania and Lithuania has been newly contributed by Professor J M Bak of the University of British Columbia The Longman Companion to European Nationalism **1789-1920** Raymond Pearson, 2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information unavailable elsewhere
