Changing Ourselves Kent Hodge, 2013 Kent Hodge draws on nearly 30 years experience in Missions and church growth in this radical new book about how to live like Jesus both in times of persecution and in an indifferent Western world of moral decay It s radical because it s so simple We don t belong in camps and we do need to cross bridges In fact we need to build the bridges between the camps of differing opinion and practice in the church to search out again the simple truths that Jesus lived before the recorders of the Gospels Did Jesus really mean what he said in the Sermon on the Mount How do we do that In Northern Nigeria where the church has suffered bombings burnings midnight attacks on the homes of Christians only a return to the simple gospel has shown us how to respond The chapters of this book are illustrated with life stories the stories and experiences of friends and co workers living and overcoming in tough times It s simple and it makes sense but is incredibly challenging When you read what Jesus said in the Gospels you don t get the impression that faith is some kind of escape clause to heaven This book studies anew how the church goes about renewing the world

Many are called - Can a Christian lose their salvation and be lost? Heino Weidmann, 2025-10-08 Can a Christian be lost even after conversion baptism and a life of faith This question touches the very heart of the Christian faith and remains one of the most debated issues among Bible believing Christians This book explores whether true followers of Jesus can lose their salvation not on the basis of theological systems but by examining all 545 salvation relevant passages of the New Testament representing about 35 % of its total text The study is unique in the history of theology every verse has been identified systematically categorized and carefully interpreted in its original context The result is a comprehensive and clearly structured synthesis from God s gracious call to the conditions of genuine discipleship from assurance and preservation to the possibility of falling away Following the structure of the 7 Level Pyramid presented on *vielesindberufen.de* this volume Level 6 offers a clear main thesis intermediate summaries and in depth textual analysis ideal for serious theological readers Bible students small groups or personal study To the best of our knowledge this work ranks among the three most extensive investigations on this subject in the entire history of the Church and may well be the most comprehensive ever written Its methodological breadth and analytical precision make it a pioneering contribution combining systematic clarity exegetical depth and spiritual discernment in a way previously unseen in theological research *Many Are Called* is both a wake up call to vigilance and a source of deep encouragement for those who truly follow Jesus It invites readers to renewed devotion to a faith that endures and to a life rooted in the unshakable truth of God s Word For all who desire to remain faithful to the end sustained by God s grace

What does it mean to be a Christian Answers to this question in both the secular world and the church have often been anything but clear In this book Jesse Hamilton seeks to provide a simple clear and honest answer to the question of what it really means to be a Christian Intended for both believers and unbelievers alike How to Be a Christian considers the full range of the New Testament evidence and presents the Christian life as Jesus and his apostles both taught and lived it At the heart of this message lies a call to an all out commitment to the teaching and mission of Jesus that both the world and the church desperately need to recover in our increasingly corrupt times *Father's Love Journey* Fount Shults,2007-05 God sent his Son to draw mankind into his personal journey of love Jesus journey makes a full circle from his Father into the world and back to the Father He invites believers to join him as He returns Christian **The One Year Devotions with**

If We Follow Jesus, He Will Lead Us Out of Christianity and Into Messianic Judaism Donald Werner,2020-02-03 Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul's teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today's Christian Church bases its doctrines on Paul's writings to the exclusion of Jesus words And because they have set Jesus words aside they have reject God's Torah law which Jesus told us to keep and that leads to many other problems And as a result today the Christian church is divided into hundreds of sects and it is confused and weak Christians following those corrupt doctrines are lawless which means God does not answer their prayers
