A Geography of Africa R. Mansell Prothero, Kenneth Michael Barbour, 1973-01-01 **A Geography of Africa. Regional Essays on Fundamental Characteristics, Issues and Problems. Edited by R. Mansell Prothero, Etc. (Reprinted, with a Revised Final Chapter.).** Ralph Mansell PROTHERO, 1973 A Geography of Africa; Regional Essays on Fundamental Characteristics, Issues, and Problems. Edited by R. Mansell Prothero; Contributors: K.M. Barbour (And Others). R. Prothero (Mansell), 1969 **Rethinking Development Geographies** Marcus Power, 2004-08-02 Development as a concept is notoriously imprecise vague and presumptuous Struggles over the meaning of this fiercely contested term have had profound implications on the destinies of people and places across the globe Rethinking Development Geographies offers a stimulating and critical introduction to the study of geography and development In doing so it sets out to explore the spatiality of development thinking and practices The book highlights the geopolitical nature of development and its origins in Empire and the Cold War It also reflects critically on the historical engagement of geographers with the Tropics the Third World and the South The dominant economic and political philosophies that shape the policies and perspectives of major institutions are discussed The interconnections between globalization and development are highlighted through an examination of local national and transnational resistance to various forms of development The text provides an accessible introduction to the complex and confusing world of contemporary global development Informative diagrams cartoons and case studies are used throughout While exploring global geographies of economic and political change Rethinking Development Geographies is also grounded in a concern with people and places the view from below the views of women and the view from the South **Africa** Air University (U.S.). Library, 1970 Bulletin - African Studies Association of the West Indies African Studies Association of the West Indies, 1970 *Estuaries: A Lifeline of Ecosystem Services in the Western Indian Ocean* Salif Diop, Peter Scheren, John Ferdinand Machiwa, 2016-03-22 This book provides recent environmental ecological and hydrodynamic information for the major estuaries and the coastal marine systems of the Western Indian Ocean Region It covers various functions and values of the region s estuarine ecosystems and their respective habitats including the land ocean interactions that define and impact ecosystem services The Western Indian Ocean region covered by this volume consists of the continental coastal states of Kenya Mozambique South Africa and Tanzania and the island states of Madagascar Mauritius Seychelles and Comoros **Development** Stuart Corbridge, 2017-05-15 The volume brings together twenty five of the most influential articles published in the field of development geography since 1960 The first part looks at the origins of development geography and the debates between modernization theorists and radicals that took shape in the 1970s Thereafter the book is organized thematically Geographers have made key contributions to development studies in four major areas all of which are represented here and include gender and households development alternatives and identities resource conflicts and political ecology and globalization and resistance The book ends with three broad ranging
