

A GERMAN WOMEN'S MOVEMENT

CLASS & GENDER IN HANOVER, 1880-1933

NANCY R. REAGIN

A German Womens Movement Class And Gender In Hanover 1880 1933

Michael Geyer, Sheila Fitzpatrick

A German Womens Movement Class And Gender In Hanover 1880 1933:

A German Women's Movement Nancy R. Reagin, 1995 A German Women's Movement Nancy Ruth Reagin, 1995
Nancy Reagin analyzes the rhetoric strategies and programs of more than eighty bourgeois women's associations in Hanover a large provincial capital from the Imperial period to the Nazi seizure of power She examines the social and demographic foundations **Germany, 1914-1933** Matthew Stibbe, 2013-12-19 Germany 1914 1933 Politics Society and Culture takes a fresh and critical look at a crucial period in German history Rather than starting with the traditional date of 1918 the book begins with the outbreak of the First World War in 1914 and argues that this was a pivotal turning point in shaping the future successes and failures of the Weimar Republic Combining traditional political narrative with new insights provided by social and cultural history the book reconsiders such key questions as How widespread was support for the war in Germany between 1914 and 1918 How was the war viewed both from above by leading generals admirals and statesmen and from below by ordinary soldiers and civilians What were the chief political social economic and cultural consequences of the war In particular did it result in a brutalisation of German society after 1918 How modern were German attitudes towards work family sex and leisure during the 1920s What accounts for the extraordinary richness and experimentalism of this period The book also provides a thorough and comprehensive discussion of the difficulties faced by the Weimar Republic in capturing the hearts and minds of the German people in the 1920s and of the causes of its final demise in the early 1930s

Right-Wing Women Paola Bacchetta, Margaret Power, 2013-01-11 An oft neglected subject right wing women are an important component in understanding the many racist fascist and anti feminist movements of the 20th century Providing original research on an array of right wing groups around the world the contributors paint a disturbing and complicated portrait of the women involved in these movements From Mussolini supporters to Klanswomen this collection provides an eye opening look at extremist women **Beyond Totalitarianism** Michael Geyer, Sheila Fitzpatrick, 2009 These essays rethink the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond outdated twentieth century models of totalitarianism ideology and personality They offer a new understanding of the intertwined trajectories of socialism and nationalism in European and global history **German Women for Empire, 1884-1945** Lora Wildenthal, 2001-11-28 Analyses gender sexuality feminism and class in the racial politics of formal German colonialism and postcolonial revanchism **Gender and Fascism in Modern France** Melanie Hawthorne, Richard Joseph Golsan, 1997 Discovering the ways gender issues are articulated in the cultures of the extreme right in modern France

The Whole Wide World, Without Limits Mary McCune, 2005-06-14 An analysis of gender politics in the American Jewish community during the interwar period that reveals the role of gender and class in organizational politics and the importance of Jewish women in American political and activist history Often perceived as being removed from the rough and tumble world of male politics women involved in relief during World War I and the 1920s found themselves grappling daily

with questions of ideology nationalism and political statehood Participation in large scale relief work provided Jewish women with a firm sense of their own capabilities and contributed to their heightened sense of gender consciousness Their experience provides powerful evidence that women activists in the post suffrage period sustained a notable degree of separation from men even as they propounded gender equality thereby facilitating American Jewish women s entrance into the public realm without their having to sacrifice commitment to either Jewish or women s issues Gendered and separatist strategies enabled women to bring their concerns into the public sphere affect the course of American Jewish history and shape modern American Jewish identity The Whole Wide World Without Limits explores the international relief activities of three American Jewish organizations during this period the National Council of Jewish Women Hadassah the Women s Zionist Organization of America and the Workmen s Circle Women in all three organizations vigorously raised money for Jews in the war zones and continued to help them after the armistice Author Mary McCune demonstrates the significance of the work of each group while analyzing the interactions between class ethnicity religion and gender consciousness both inside the Jewish community and in the broader American context McCune looks at a wide variety of Jewish women Zionists and anti Zionists religious and secular capitalists and socialists wealthy and working class and sheds light on the myriad ways that personal identity shapes public activism More importantly this book reveals how women s charity work and their use of gendered strategies exerted influence over seemingly unrelated political events *Cities, Sin, and Social Reform in Imperial Germany* Andrew Lees,2002 An important examination of the colorful histories of urbanization and social reform in Imperial Germany

Female Islamic Education Movements Masooda Bano,2017-08-31 This book challenges the assumptions of creative agency and the role of Islamic education movements for women across the wider Muslim world *A History of Women's Writing in Russia* Adele Marie Barker,Jehanne M. Gheith,2002-07-11 A History of Women s Writing in Russia offers a comprehensive account of the lives and works of Russia s women writers Based on original and archival research this volume forces a re examination of many of the traditionally held assumptions about Russian literature and women s role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women s writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia s literary periods they look at how Russia s women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works

Tales from the German Underworld Richard J. Evans,Professor of European History Richard J Evans,Richard J.. Evans,1998-01-01 Through the means of four powerful and extraordinary narratives from the 19th century German underworld this book deftly explores an intriguing array of questions about criminality punishment and social exclusion in modern German history Drawing on legal documents and police files historian Richard Evans dramatizes the case histories of

four alleged felons to shed light on German penal policy of the time 25 illustrations Becoming a Nazi Town David Imhoof, 2013-10-03 Local cultural activities played a key role in altering Germany's political landscape between the world wars Gendering Modern German History Karen Hagemann, Jean H. Quataert, 2008-08 To provide a critical overview in a comparative German American perspective is the main aim of this volume which brings together experts from both sides of the Atlantic Through case studies it demonstrates the extraordinary power of the gender perspective to challenge existing interpretations and rewrite mainstream arguments Sexuality and German Fascism Dagmar Herzog, 2005 this volume makes a significant contribution to the field of German history allowing experts in the field as well as researchers in other areas a forceful immersion into the workings and deployment of sexual categories and policies during and following the Third Reich There is little doubt that it will become a standard text for teaching and future research Sexuality instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder Dagmar Herzog is Professor of History at the Graduate Center City University of New York and the author of *Sex after Fascism* Memory and Morality in Twentieth Century Germany Princeton 2004 and *Intimacy and Exclusion* Religious Politics in Pre revolutionary Baden Princeton 1996 **Women and the Nazi East** Elizabeth Harvey, Professor of Psychology Elizabeth Harvey, 2003-01-01 Examination of the role of German women in borderlands activism in Germany's eastern regions before 1939 and their involvement in Nazi measures to Germanize occupied Poland during World War II Harvey analyses the function of female activism within Nazi imperialism its significance and the extent to which women embraced policies intended to segregate Germans from non Germans and to persecute Poles and Jews She also explores the ways in which Germans after 1945 remembered the Nazi East **The Surplus Woman** Catherine L. Dollard, 2012 The first German women's movement embraced the belief in a demographic surplus of unwed women known as the *Frauenberschu* as a central leitmotif in the campaign for reform Proponents of the female surplus held that the advances of industry and urbanization had upset traditional marriage patterns and left too many bourgeois women without a husband This book explores the ways in which the realms of literature sexology demography socialism and female activism addressed the perceived plight of unwed women Case studies of reformers including Lily Braun Ruth Br Elisabeth Gnauck K hne Helene Lange Alice Salomon Helene St cker and Clara Zetkin demonstrate the expansive influence of the discourse surrounding a female surfeit By combining the approaches of cultural social and gender history *The Surplus Woman* provides the first sustained analysis of the ways in which imperial Germans conceptualized anxiety about female marital status as both a product and a reflection of changing times Gendering European History: 1780- 1920 Barbara Caine, Glenda Sluga, 2002-07-16 *Gendering European History* covers the period from the French Revolution to the end of the First World War Organised both chronologically and thematically its central theme is the issue of gender and citizenship The book encompasses the late eighteenth century revolutionary period nineteenth century developments concerning work urban and

domestic life national politics gender in the fin de siècle and imperialism and concludes with the gender crisis of the First World War Caine and Sluga explore the question of sexual difference in relation to class ethnicity and race and the development of key historical debates about identity work home politics and citizenship in specific national contexts and across Europe At the same time they provide readers new to European history with general information about the social and political contexts in which those debates arose Intended both as an introductory work for tertiary students and one that offers new interpretations for scholars in the field this study is a synthesis bringing together the extensive but often fragmented existing literature on gender in European history It also raises new questions and introduces new sources particularly in relation to the history of gender and nation building The result is a challenging view of the contours of European history in the period from the Enlightenment to the 1920 s Barbara Caine is Professor of History Monash University Victoria Australia Glenda Sluga is Senior Lecturer in History and Director of European Studies University of Sydney New South Wales Australia

Realities and Fantasies of German Female Leadership Elisabeth Krimmer, 2019 The Western tradition of excluding women from leadership and disparaging their ability to lead has persisted for centuries not least in Germany Even today resistance to women holding power is embedded in literary cultural and historical values that presume a fundamental opposition between the adjective female and the substantive leader Women who do achieve positions of leadership are faced with a panoply of prejudicial misconceptions either considered incapable of leadership conceived of as alpha male behavior or pigeonholed as suited only to particular forms of leadership nurturing cooperative egalitarian communicative etc Focusing on the German speaking countries this volume works to dismantle the prevailing disassociation of women and leadership across a range of disciplines Contributions discuss literary works involving women s political authority and cultivation of community from Maria Antonia of Saxony to Elfriede Jelinek women s social activism as embodied by figures from Hedwig Dohm to Rosa Luxemburg women in political film environmentalism neoliberalism and the media from Leni Riefenstahl to Petra Kelly to Maren Ade and political leaders Hillary Clinton and Angela Merkel The essays achieve a deeper understanding of the historical roots and theoretical assumptions that inform ideas and realities of German female leadership CONTRIBUTORS Dorothee Beck Seth Berk Friederike Brühner Margaretmary Daley Aude Defurne Helga Druxes Sarah Vandegrift Eldridge Anke Gilleir Rachel J Halverson Peter Hudis Elisabeth Krimmer Stephen Milder Joyce Marie Mushaben Lauren Nossett Patricia Anne Simpson Almut Spalding Inge Stephan Lisa Fetheringill Zwicker ELISABETH KRIMMER is Professor of German at the University of California Davis PATRICIA ANNE SIMPSON is Professor of German and Chairperson of the Department of Modern Languages and Literatures at the University of Nebraska Lincoln

American Jewish Women and the Zionist Enterprise Shulamit Reinharz, Mark A. Raider, 2005 The first and only complete exploration of the role of American women in the creation and support of the State of Israel from pre State years through the struggles of Israel s first decades

FAQs About A German Womens Movement Class And Gender In Hanover 1880 1933 Books

What is a A German Womens Movement Class And Gender In Hanover 1880 1933 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a A German Womens Movement Class And Gender In Hanover 1880 1933 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a A German Womens Movement Class And Gender In Hanover 1880 1933 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a A German Womens Movement Class And Gender In Hanover 1880 1933 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a A German Womens Movement Class And Gender In Hanover 1880 1933 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
