Beck, Margaret G. McKeown, Cheryl A. Sandora, 2020-11-16 This practical K-12 teacher resource explains the what's, why's and how-to's of using Questioning the Author (QtA) a powerful approach for enhancing reading comprehension and engagement. Thorough yet concise, the book shows how to plan lessons using both narrative and expository texts, formulate open-ended queries and guide class discussions around them. The authors discuss how QtA has evolved over many years of classroom application and include innovative ideas for integrating vocabulary instruction and writing prompts into QtA lessons. Also provided are steps for gradually transitioning from teacher-led instruction to independent reading. The book features extended examples of teachers implementing QtA as well as four complete texts that can be downloaded and printed for classroom use *Rosa's Gift and Other Stories* Michael Cantwell, 2013-10 From a young writer trying to win a girl to a boy grappling with confusion about sin, each protagonist in this collection of nine short stories experiences a journey, an encounter or a revelation that transforms them. In *Rosa's Gift and Other Stories*, author Michael Cantwell presents these stories reflecting the joys and sorrows of all stages of human life. In the title story, Rosa's Gift, Peter Collins, a semiretired commercial artist from New York, visits Guatemala where he studies Spanish. As he wanders around Antigua, he meets a teenage Mayan indigenous girl who sells trinkets to tourists. Peter is inspired to help her get an education. In doing so, he is forced to confront the extreme poverty of Mayan life. Christmas in the Great Depression tells the story of Philip Nason, a twelve-year-old boy who wants a bicycle for Christmas. Because of the Depression, his father explains, a bicycle is something the family cannot afford. Phil responds by waging a campaign, drawing cartoons promoting his wish and posting them all over the house and on the windshield of his father's car. As Cantwell's characters receive insights that help them meet the challenges of life, he makes each personality and destination come alive from Depression-era Detroit to a confessional in a dark church in a New England city to the streets of Havana **The Bookfinder** Sharon Spreemann Dreyer, 1977 **Three Roses and a Thorn** Rebecca M. Elizondo, 2023-06-08 *Three Roses and a Thorn* is the stunning debut of an innovative storyteller. It is the story of three generations of Latina women coming to terms with addictive behaviors, dysfunctional traits, and the representational similarities of being fatherless daughters. Rebecca M. Elizondo writes from the heart with an optimistic sarcasm. Alma, the grandmother, an uncompromising 89-year-old woman battling the final stages of Alzheimer's, who aims to make sure her tribe

is taken care of after she dies Esperanza a carefree optimistic force also known as Hope has diligently journaled her whole life including the struggles of caring for her and realizing her daughter will soon leave the nest Gabriella an outspoken jovial young woman who brings laughter into everyday life must decide whether to begin a new start on a great opportunity as a journalist From the time Hope was a child Mother's Day was celebrated at the family beach house In reminiscence Alma recalls the days when she was raised in Mazatlán Mexico before immigrating with her five sons to the United States Trying to reconcile what she believes about love her whole life with what she doesn't know about why family secrets exist Keeping this balance is essential for Hope when she navigates the inevitable of her mom's illness and letting her daughter go simultaneously A realization that they are all in this together will ultimately ensure the pain of the past and future The turbulent cycle of inherited traits and life complications is dismantled when Rebecca depicts a family of women whose bond is impenetrable and is battling Alzheimer's It is through her work she has bridged the old and new allowing a better understanding of what it means to be a Mexican woman which is to confront adversity with strength and dignity
