Downard, Engraved by Mr. Edward Whymper John Bunyan,1873 **An Extraordinary Italian Imprisonment** Brian Lett,2014-11-30 This WWII history reveals the shocking conditions and brutal treatment endured by Allied soldiers at a notorious Italian POW camp Between August 1942 and September 1943 Camp PG21 in Chieti Italy was grossly overcrowded with little running water no proper sanitation and no winter heating Conditions for POWs were so bad that they were debated in the House of Commons Tunnels were dug and the prisoners were even prepared to swim through human sewage to try and get out But those who attempted escape were violently punished or killed Even still morale in the camp remained remarkably high Two England cricket internationals staged a full scale cricket match Theater and music also thrived After the 1943 Italian Armistice the British Commander refused to allow the ex prisoners to leave camp Germans took over the camp and most prisoners were transported to Germany Some managed to hide and more than half of these subsequently escaped After the war a number of the Camp staff were arrested for war crimes **The Trial of an Action for False Imprisonment, Brought by Sergeant R. particular attention to their feelings of powerlessness marginalisation and vulnerability and the construction of identity in cultures defined by territorialism violence masculine stoicism and an anti authority code of honour The book follows the formation of masculinities through the prison gate and considers how the penal environment contributes to the continual shaping young men s identities The book also adopts Gambetta s concept of signalling to examine how young men use different practices such as language and embodiment to communicate masculinity to their wider social audience At the same time it also considers the reluctance of young men to communicate about their sources of vulnerability
