contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In Trials and Triumphs of Golf s Greatest Champions A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf s Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials *Forbes* Bertie Charles Forbes, 2007 This business magazine covers domestic and international business topics Special issues include Annual Report on American Industry Forbes 500 Stock Bargains and Special Report on Multinationals New York Magazine , 1997-11-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Atlanta Magazine** , 2003-03 Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only
