A Good Time Coming Mormon Letters To Scotland:

A Good Time Coming Frederick Stewart Buchanan,1988 **Scots in the North American West, 1790-1917** Ferenc Morton Szasz,2000 Scots trappers dominated the fur trade often proving more loyal to clan than to trading company or nation Relying on centuries of experience raising livestock for British markets Scottish investors and managers became highly visible in the post Civil War western cattle industry with thriving outfits such as the Swan Land and Cattle Company in Wyoming They introduced new breeds to western ranching such as the Aberdeen Angus that remain popular today Similarly Scots herders dominated the western sheep industry running herds of over 100 000 animals Andrew Little s sheep ranch in Idaho was so famous that a letter addressed simply Andy Little USA found its intended recipient *David O. McKay and the Rise of Modern Mormonism* Gregory A. Prince,William Robert Wright,2005 Focuses primarily on the years of McKay s presidency of the Church of Jesus Christ of Latter day Saints during some of the most turbulent times in American and world history **Desert Between the Mountains** Michael S. Durham,1999 On July 24 1847 a band of Mormon pioneers who had crossed the Great Plains and hauled their wagons over the Rocky Mountains descended into the Salt Lake valley They settled alongside the Indians there in an immense self contained region covering more than 220 000 square miles aptly named the Great Basin because its lakes and rivers have no outlet to the sea Within ten years of their arrival the Mormons had established nineteen communities extending all the way to San Diego California But theirs was not a story of splendid isolation The Mormon way of life was under a constant strain from interactions with miners soldiers explorers mountain men Indians the Pony Express railroad builders federal officials and an assortment of other Gentiles This is the definitive dramatic and multifaceted study of the Great Basin unifying its history with its geography **The Scottish Historical Review** James Maclehose (publisher.),1989 A new series of the Scottish antiquary established 1886 **Blood of the Prophets** Will Bagley,2012-09-06 The massacre at Mountain Meadows on September 11 1857 was the single most violent attack on a wagon train in the thirty year history of the Oregon and California trails Yet it has been all but forgotten Will Bagley s Blood of the Prophets is an award winning riveting account of the attack on the Baker Fancher wagon train by Mormons in the local militia and a few Paiute Indians Based on extensive investigation of the events surrounding the murder of over 120 men women and children and drawing from a wealth of primary sources Bagley explains how the murders occurred reveals the involvement of territorial governor Brigham Young and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others **Excavating Mormon Pasts** Newell C. Bringhurst,Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the

New Mormon History in the early twenty first century **Images of the New Jerusalem** Craig S. Campbell, 2004 The Kansas City suburb of Independence Missouri is associated primarily with its most famous son President Harry Truman Yet Independence is also home to a unique and complex religious landscape regarded as sacred space by hundreds of thousands of people associated with the Latter Day Saint family of churches In 1831 Joseph Smith the founder of the Latter Day Saint LDS movement declared Independence the site of the New Jerusalem where followers would build a sacred city the center of Zion Smith prophesied that Jesus Christ would return in millennial and glorious advent to Independence an act that would make the city an American counterpart to old world Jerusalem Smith s plan would have mixed the best qualities of nineteenth century American pastoral and urban psyche However the great splintering among returning Latter Day Saint groups has led to divergent beliefs and multiple interpretations of millennial place Images of the New Jerusalem culls viewpoints from publications and interviews and contrasts them with official church doctrines and mapped land holdings For example with a desire to attract mainstream American the Western LDS Church which holds the largest amount of land in northwestern Missouri keeps fairly silent on the New Jerusalem while the RLDS Church now the Community of Christ has dropped millennial claims gradually adopting a liberal secular style of pseudo Protestantism Smaller groups independent of these two see sacred space in more spatially and doctrinally limited ways The religious ecology among Latter Day Saint churches allows each group its place in the public spotlight and a number of sociopolitical mechanisms reduce conflict among them Nonetheless Independence has developed many traits of the world s most seasoned and conflicted sacred places over a relatively short time This book opens the field of scholarship on this region where profound spatial and doctrinal variation continues Craig S Campbell is professor of geography at Youngstown State University He has published articles in Journal of Cultural Geography Cartographica The Professional Geographer Political Geography and other journals *Ports to Posts* Fred E. Woods, 2003 Ports to Posts is the result of more than a quarter century of research in Latter day Saint migration narratives from the nineteenth century Fred E Woods takes the reader from early church beginnings in upstate New York to ecclesiastical gathering places in Kirtland Ohio and Jackson County Missouri The journey then incorporates international European ports to Latter day Saint gathering locations in Nauvoo Illinois and later in the Salt Lake Valley during the peak of this emigrant era Through these stories the reader will learn about the missionary proselyting process and how it led converts to Liverpool the primary place of embarkation across the Atlantic and into harbors at New Orleans Philadelphia Boston and New York Authentic voices describe the challenges church members faced as they left their homelands and endured storms and the efforts of enemies who tried to dissuade them from their destinations Ports to Posts captures not only the emigrants journeys but also how Americans perceived these often unwanted pilgrims Woods s research reveals the purpose and process by which Latter day Saints gathered to create their American Zion and converts solemn obligation to assemble in American gathering places **Utah Historical Quarterly** J.
