The Art of Killing Annabel Austen, 2014-11-25 When Julie's teenage twins leave home to go to university Julie is left at a loose end for the very first time in her life Her husband and a well-meaning friend urge her to take a job in a local company but with disastrous consequences Before long Julie finds herself at the centre of a murder investigation Read how Julie fortified by countless cups of tea and coffee and the faithful family dog attempts to make sense of what is going on around her *The First Murderer I Ever Met* Mark Dapin, 2025-08-26 For more than thirty years Mark Dapin has been hanging out with crooks and both types of cop In this gripping often funny and always surprising book he sorts the tall stories from the truth about true crime showing us what some of Australia's most famous felons are really like Mark Dapin was still in school when he met his first murderer a boy called Ian In reporting the murder Ian eventually committed newspapers used the cliché that it shocked even those who knew him best But it didn't shock Dapin because he knew Ian in real life not in clichés

Criminals are sensationalised in the press and mythologised in their own stories In describing criminals police and prison officers he s spent time with Dapin searches for the real characters and events How many of Chopper Read s stories were actually true What s it like at home with former murder cop Gary Jubelin Was the biggest art heist in Australian history carried out by one of Dapin s neighbours the mysterious Sky Blue And what happens when you go to visit a prison with celebrated escapee John Killick These encounters are better than a ring side seat to the underworld Dapin gets in the ring The First Murderer I Ever Met is the truest true crime it s what actually happened The Chancery Murders Josue Raul Conte,2009-09-23 When various members of the Rosanada Archdiocesan Chancery are brutally murdered Cristian Forte homicide detective for the Rosanada Police Department is determined to find the killer Disillusioned with seminary life and the scandals in the Church Forte dropped out of the seminary and became a detective instead of a priest but still burns with a deep desire for truth justice and a holy Church His quest to find the killer involves him in the lives of many in the contemporary Church who have a lot to hide and are lost in evils of their own making As he strives to make sense of the Church today he gradually strips away the layers of deception that hide the killer until the exciting conclusion when all is laid bare and the truth is told About the Author Son of an American mother and a Spanish father Josue Raul Conte a native of Andorra a principality in the Pyrenees was born in 1969 After his early education with the Jesuits he enrolled at the Opus Dei University of Navarra in Pamplona Spain where he received his doctorate in medieval philosophy and literature During his years at the university he became a member of the Neo catechumenal Way but later was very disillusioned with the stringent constraints of ultraconservative Catholicism and adopted a more moderate approach to the faith and dropped out of the Way Having taught at various colleges and universities he is now a freelance journalist living in San Francisco with his second wife Alicia and Ivan their Russian wolfhound He is also the author of The Stones Cry Out and Rosanada Requiem that continue the story that began and complete the Rosanada Trilogy For more information visit www.contebooks.com
