

I never said goodbye
to you, instead, I
said, "I love you..."

As you departed on
your journey to a
place where life is new.

I held your hand
and I kissed you,
Your leaving made me cry.

the possibility of something Ren only dreamed of as a foster child a family and a place to call home while Schaeffer begins to open up about his painful past As their time together comes to a close they want to keep the magic of what s building between them But with Ren away for months on assignment and Schaeffer s busy schedule is that wishful thinking One thing is for certain neither of them wants to say goodbye **Never Say Goodbye** Hilary Green,2006-10-05 Diana Steve Escott Stevens knows what she is getting herself into For 12 months she has fed and looked after agents preparing for a mission in France She knows that only half of them will come back But she is young brave and moreover speaks fluent French When she applies to become an agent for the Special Operations Executive she is readily accepted and sent off for training to prepare her for the field The training is demanding sabotage codes hand to hand combat parachute jumps But it is only too quickly that she finds herself in a Lysander flying to France where any mistake could mean capture torture or death for her and others *Never Say Goodbye* Quentin Rowan,2012 In *Never Say Goodbye* Quentin Rowan the most flagrant plagiarist in recent history recounts his story Rowan s debut thriller generated a media hailstorm in 2011 after it was exposed as a patchwork of other author s work Now he explains why and how he penned the infamous work tracing a path from delinquency and addiction to the solace he found in writing At the climax of his memoirs his novel is withdrawn amid a barrage of accusations The full scale of his plagiarism is revealed and Rowan faces a choice pick up the pieces and start writing or go home **Hauslon ki Udaan** Sakina Masani,2022-02-14 The greatest glory in living lies not in never falling but in rising every time we fall This anthology is compilation of 40 co author pouring their heart out The miscellany is compiled by Sakina Masani Read and warm your hearts with their stories *The Greatest Love Story Never Told* Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **Let It Rock** Neil Daniels,2014-05-26 This book is an unashamed celebration of the landmark
