An Exposition of the Gospels of St. Matthew and St. Mark Richard Watson, 1852 The Expository Times, 1894

Invitation to the Gospels Donald Senior, Paul J. Achtemeier, Robert J. Karris, 2002 Provides commentary on each of the four Gospels **Significance of the Dead Sea Scrolls and other Essays** Jonathan S. Nkhoma, 2013 Jonathan Nkhoma in this scholarly collection of essays enriches the reader with different interesting windows on how one can unearth the riches

contained in some of the New Testament writings The first two essays underscore the importance of placing the New Testament in a proper context and attempt to construct this context by discussing the historical background and the theological understanding of the Qumran Covenanters as derived from the Dead Sea Scrolls Jonathan Nkhoma treats many aspects touching the proper interpretation of the New Testament writings For example he shows how the sacramental rituals of washing and eating together in the Qumran Community add meaning to the same rituals carried over to the New Testament The significance of table fellowship is treated in greater depth in a subsequent essay Throughout the various essays the question of the historicity of the various texts is treated in a succinct way and the author is able to come to some helpful conclusions drawing on the previous work of many well know scholars The later essays tackle the very difficult question of martyrdom and Jonathan Nkhoma delves into the history of two particular cases in order to shed light on this difficult subject All essays are written in impeccable English which flows in an easy style This collection of essays would be invaluable to anyone who would wish to make a serious study of the New Testament writings

St Mark's Gospel and the Christian Faith Bob Bowie,2003 This study guide contains the key information students need for The Christian Life and St Mark s Gospel topic It is packed with effective revision techniques making it an invaluable resource for exam preparation

The Expository Times James Hastings,Ann Wilson Hastings,Edward Hastings,1894 **The Narrative Integrity of Mark 13:24-27** Peter G. Bolt,2021-11-18 Applying a literary and reader oriented approach this book asks what the Gospel of Mark refers to when it promises the coming of the Son of Man 13 24 27 This reading not only provides the solution to the various difficulties in understanding those verses but unlike other readings it allows Mark 13 24 27 to be read as an integral part of the Gospel according to Mark An examination of the wider narrative of the Gospel and Mark 13 itself both in form and function as well as in its many details demonstrates that these verses raise expectations that are then shown to be fulfilled in Jesus death resurrection and launch of the gentile mission As contemporary Christians await the future return of Christ we already look back on the coming of the Son of Man which ought to inspire us to take further steps forward in Christian mission

Oral Tradition and the Gospels Barry Henaut,1993-01-05 The problem of oral tradition is well known for without some theory of this medium no history of Jesus would be possible This study examines Mark 4 1 34 in the light of three distinctive models of orality Rudolf Bultmann s form critical method B Gerhardsson s Memory and Manuscript theory and the recent contribution of W Kelber The form critically separate units in the test allegory parables and aphorisms are examined on the basis of their attestation in various documents Mark Q Thomas to determine whether independent versions of these sayings can be identified and what they tell us about the oral phase and Jesus This analysis suggests that the criteria for authenticity of distinctiveness and multiple attestation need to be re examined in light of the folkloric understanding of orality **The Message of Mark** Donald English,2020-04-23 At first sight the Gospel of Mark is a simple account of the ministry of Jesus with lots of stories plenty of action a large amount of human interest and some very straight and searching

questions mostly from Jesus himself Yet underlying the Gospel is the cross and the cost of discipleship focusing the question of who Jesus was and how people should respond to him Donald English s exposition picks up Mark s focus on faith as a risky total commitment to Christ and on its mysteries pre eminently why some people believe and others do not even to the point of opposition *An Introduction to the New Testament, Volume 1* D. Edmond Hiebert,2002-09-30 Volume One The Gospels and Acts With typical thoroughness Dr Hiebert has produced this volume of his New Testament introductions Though not a commentary on the gospels and Acts the book presents their message along with a discussion of such questions as authorship composition and the Synoptic problem Practical suggestions on how to study these five books are included The bibliographies and annotated book lists are are extremely helpful for pastors teachers and laymen Volume Two The Pauline Epistles This is a detailed introduction to all of Paul s writings epistles that without question are among the most precious treasures of the Christian church Dr Hiebert discusses the historical circumstances of their writing deals with ethical problems and provides helpful general information on the content and nature of the books themselves Discussed in general and separately these epistles are treated in chronological order with emphasis on their eschatology soteriology Christology or ecclesiology **A Student's Guide to A2 Religious Studies for the OCR Specification** Michael Wilcockson,2004-09
