## **A Guide To The Joseph Smith Papyri:**

*A Guide to the Joseph Smith Papyri* John Gee, 2000      **Joseph Smith** Edward Allebest, 2025-08-22 The Church of Jesus Christ of Latter day Saints has always had detractors trying to both discourage investigators from joining the church and encourage members to abandon the church Their primary tactics are to slander Joseph Smith his teachings and the church he claimed to have restored Without some fundamental knowledge about Joseph Smith and his legacy these anti LDS materials can create confusion doubt and a crisis of faith The first three essays of this collection explore Joseph Smith s character accomplishments and discipleship With that foundational information in place the reader is better prepared to examine the various controversies The fourth essay delves into the quagmire of criticisms that have enveloped Joseph Smith his doctrine and the LDS Church and suggests how to navigate the tactics used by antagonists      **Discovering Your Divine Identity** B. Dale Hansen, 2016-03-01 Dale I read the chapter tying Chinese peoples to Hebrew origins through Joktan It was most interesting and fairly convincing I was particularly struck by the figure on a throne or chair that was found in both China and Egypt Wow That is a tremendous tying figure Thanks for sharing John K Carmack Attorney LDS Emeritus General Authority Los Angeles and Salt Lake City Dale I read your paper about eternal man It is profound and mind boggling You have done a lot of research and have thought deeply about the subject Are you going to publish it I think most of us have little idea who we really are The discussion about DNA is very compelling Thank you so much for sharing such deep and wonderful thoughts with me Jack Rushton Educator CES Quadriplegic for 26 yrs Irvine California Fascinating thoughts Eastern Hebrew origins that link China and Asian people of God together even DNA Dale has introduced a unique view of the scattering of great populations throughout the world that has the potential to help many of us to re think such events A worth while read for any one interested in the early peoples of the earth and the connection between peoples including pre mortality Douglas Patterson Business Entrepreneur Washington Florida Currently in Arizona DNA there s an interesting paradox within the DNA It is there are so many bits of information in there that it is absolutely very easy to identify you as a unique individual different than any other individual that has ever lived on the earth or who will ever live on the earth Each of you is truly a unique creation But also locked within the DNA are pieces of DNA that you share with your most immediate ancestors with your brothers and your sisters and your parents and your grandparents Dr Scott Woodward Geneticist Molecular Genealogy Salt Lake City Utah      *Interpreter: A Journal of Mormon Scripture, Volume 22 (2016)* Daniel C.
