

A Handbook For Light Workers

A detailed illustration of a hand holding a glowing orb. The hand is rendered in a realistic style with visible skin texture and is positioned in the upper center of the frame. The orb it holds is a brilliant, multi-colored sphere that glows with intense light, emitting a starburst effect. The background is a deep, dark blue, speckled with numerous small, white stars, suggesting a cosmic or celestial theme. In the lower right, there is a large, bright, yellowish-white light source, possibly a sun or a distant star, which casts a warm, golden glow across the bottom right portion of the image. The overall composition is balanced and evokes a sense of wonder and spiritual energy.
