Coffey, 2015-10-26 The narrative of Spiro Agnew s rise and fall has never been fully told This compelling book tells the story of one of the most controversial high level politicians of recent American history and explains the importance of Agnew s life and career Too often overlooked by students of modern conservatism Spiro T Agnew s political career mirrored the transformation of the Republicans from a big tent party to a narrower more conservative and ideologically purer one in the 1960s and 1970s Spiro Agnew and the Rise of the Republican Right traces Agnew s life and career and shows how Agnew was a key figure in American politics and documents how a powerful politician who looked to be headed to the presidency ended up having to resign from the office of the vice president in shame and fade into the shadows of political history This political biography examines how Spiro Agnew s ideological transformation from a moderate liberal to a conservative spearheaded the rise of the Republican Right Author Justin P Coffey PhD explores the political social and racial aspects of Agnew s career and how he both influenced and was himself shaped by each of these parameters This book offers an

unprecedented study of Agnew's legacy in the present day context providing information suited for any reader interested in history or politics and filling a void in the scholarship of the rise of the conservative movement **No Way To Pick A**

President Jules Witcover, 2025-09-23 A premier political reporter considers our presidential politics and how to improve them an essential book as campaign 2000 gets under way Jules Witcover who has covered every presidential election since 1952 here combines unparalleled anecdotal knowledge about Presidential politics with scintillating wisdom about just what's wrong with those politics He shows us in memorable and dramatic detail how over the years an influx of professional mercenaries with no party loyalties and virtually no political principles has corrupted American public life and formed a new technocracy that dominates every phase of electoral politics Along with this television has changed politics dramatically even destructively which only discourages voter participation and puts off some of our most promising candidates In this lively story filled book Witcover examines the many ways in which politicians have condoned or encouraged these developments and how they have responded to the new demands of a media driven money conscious age He assesses the effect of campaign funds both soft and hard and of a press corps that practices invasive gotcha journalism in its own quest for greater celebrity and financial reward He concludes with sage and experienced recommendations on how to improve our Presidential politics beginning even this year and revive public interest and confidence in American democracy *Prosecution Among Friends* David Alistair Yalof, 2012 that occurred over the course of four decades beginning with the Nixon administration and extending up through the second Bush administration All of these cases Watergate Whitewater and others
