A History Of Cockermouth

J. Bernard Bradbury

A History Of Cockermouth:

A History of Cockermouth J. Bernard Bradbury, 1981 **History of Cockermouth** J. Bernard Bradbury, Cockermouth and District Civic Trust, 2006-01-01 *Cockermouth* H. E. Winter, 1992 **Cockermouth Miscellanea** Cumbria Family History Society, 1990 **Cragg Family Origins (England 1770-1859)** David Cragg, 2016-03-23 The history of the Cragg family who lived in England until 1859 before emigrating to Sydney Australia The story commences in the heart of England's Lake District in a Keswick poor house and moves to the towns of Workington and Cockermouth The majority of the family while in Cockermouth enter the woollen mills in the midst of a socially tumultuous time where mass rallies call for significant political change and widespread enfranchisement Hunger disease imprisonment and the hint of rebellion *William Wordsworth and the Invention of Tourism, 1820-1900* Saeko Yoshikawa, 2016-02-17 In her study of the opening of the English Lake District to mass tourism Saeko Yoshikawa examines William Wordsworth's role in the rise and development of the region as a popular destination For the middle classes on holiday guidebooks not only offered practical information but they also provided a fresh motive and a new model of appreciation by associating writers with places The nineteenth century saw the invention of Robert Burns's and Walter Scott's Borders Shakespeare's Stratford and the Brontë Country as holiday locales for the middle classes Investigating the international cult of Wordsworthian tourism Yoshikawa shows both how Wordsworth's public celebrity was constructed through the tourist industry and how the cultural identity of the Lake District was influenced by the poet's presence and works Informed by extensive archival work her book provides an original case study of the contributions of Romantic writers to the invention of middle class tourism and the part guidebooks played in promoting the popular reputations of authors *Cockermouth Through Time* Richard L. M. Byers, 2013-07-28 *Cockermouth Through Time* is a unique insight into the illustrious history of this part of Cumbria Reproduced in full colour this is an exciting examination of its well known streets and famous faces and what they meant to the people of this area throughout the 19th and into the 20th Century Looking beyond the exquisite exterior of these well kept photos readers can see the historical context in which they are set and through the author's factual captions for every picture and carefully selected choice of images the reader can achieve a reliable view of the local history There is something for everyone here whether they have lived in the area all their lives or whether they are just visiting Cockermouth for the first time *Cockermouth Through Time* also shows how photography has continually evolved to keep up with an ever changing society *A History of English Place Names and Where They Came From* John Moss, 2020-05-30 The origin of the names of many English towns hamlets and villages date as far back as Saxon times when kings like Alfred the Great established fortified borough towns to defend against the Danes A number of settlements were established and named by French Normans following the Conquest Many are even older and are derived from Roman placenames Some hark back to the Vikings who invaded our shores and established settlements in the eighth and ninth centuries Most began as simple descriptions of the location some identified

its founder marked territorial limits or gave tribal people a sense of their place in the grand scheme of things Whatever their derivation placenames are inextricably bound up in our history and they tell us a great deal about the place where we live

The Lake Counties from 1830 to the Mid-twentieth Century John Duncan Marshall, John K. Walton, 1981 **Issues of Regional Identity** Edward Royle, 1998 As regionalism assumes new importance in Britain and throughout the EU this work brings together historians and geographers to offer regional perspectives on Britain that avoid both the traditional parochialism of local history and the generalizations of a national approach **British Sport: Local histories** Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Road Transport in Cumbria in the Nineteenth Century* L.A. Williams, 2023-08-18 *Road Transport in Cumbria in the Nineteenth Century* 1975 is a detailed study of transportation by road in one region of Britain By the middle decades of the nineteenth century roads are being superseded by railways as the main form of land transportation but until then roads had carried the main proportion of the nation's passenger traffic as well as freight Their importance in the early years of industrialisation and rapid urban and population growth are examined as is way in which road transport interests reacted to the challenge posed by a faster cheaper and more efficient form of transportation In addition as through traffic on the roads decreased as the railways expanded short distance traffic increased considerably

Histories of Old Schools Peter John Wallis, 1966 **The New England Historical and Genealogical Register**, 1897 Beginning in 1924 Proceedings are incorporated into the Apr no **English Counties and Public Building, 1650-1830** Christopher W. Chalklin, 1998-01-01 Before the modern growth of centralised government the most important unit of administration was the county Counties were run by Justices of the Peace sitting together at Quarter Sessions where as well as trying criminal cases they dealt with all county business In the years between 1650 and 1830 a increasing proportion of their time and resources was taken up in erecting public buildings Building by counties taken together represents a substantial and previously little noticed programme of public works Unlike most other building works in this period where the details of planning building execution and cost are lost county building is well documented allowing us to follow clearly the stages of erection The county building programme reflected changes in society and in the economy apart from being itself an indication of the growing wealth of the period A sizeable part of county budgets was spent on bridges A series of increasingly elaborate bridewells and gaols reflected concerns over employment and crime also reflected in the erection of judges lodgings and court houses the latter being often incorporated in shire halls Rising humanitarian alarm about mental illness led to the building of pauper lunatic asylums after 1800 *English Counties and Public Building 1650 1830* is an original and important contribution to both administrative and architectural history Before the modern growth of centralised government the most important unit of administration was the county Counties were run by Justices of the Peace sitting

together at Quarter Sessions where as well as trying criminal cases they dealt with all county business In the years between 1650 and 1830 a increasing proportion of their time and resources was taken up in erecting public buildings Building by counties taken together represents a substantial and previously little noticed programme of public works Unlike most other building works in this period where the details of planning building execution and cost are lost county building is well documented allowing us to follow clearly the stages of erection The county building programme reflected changes in society and in the economy apart from being itself an indication of the growing wealth of the period A sizeable part of county budgets was spent on bridges A series of increasingly elaborate bridewells and gaols reflected concerns over employment and crime also reflected in the erection of judges lodgings and court houses the latter being often incorporated in shire halls Rising humanitarian alarm about mental illness led to the building of pauper lunatic asylums after 1800 English Counties and Public Building 1650 1830 is an original and important contribution to both administrative and architectural history

Sport in Britain Richard William Cox,1991 **Cockermouth Mechanics' Band** Geoff Hunter,2005 English Mechanic and World of Science ,1893 *A Regional History of the Railways of Great Britain* David St. John Thomas,1983

Brass Bands of the British Isles 1800-2018 - a historical directory Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county
