[A History of England Under the Anglo-Saxon Kings, Vol. 1 of 2 \(Classic Reprint\)](#) J. M. Lappenberg,2016-10-25 Excerpt from A History of England Under the Anglo Saxon Kings Vol 1 of 2 An epoch of great convulsions would scarcely seem to be consistent with the developement of the higher forms of life Perhaps my estimate of the Middle Ages which is rather more favourable than that commonly taken has been coloured by the same tendency to believe in growth rather than in sudden and violent revolutions It is difficult to study a literature and laws that are as English as our own in spirit and purpose without feeling that we have inherited good as well as evil from the past About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
