A Fourfold Salvation:

A Fourfold Salvation Arthur W. Pink, 2011-02-01 Salvation is of eternal importance yet it is very often misunderstood In A Fourfold Salvation Author W Pink addresses the subject of salvation by addressing Salvation from the Pleasure of Sin Salvation from the Penalty of Sin Salvation from the Power of Sin and Salvation from the Presence of Sin Ask the average Christian Are you saved and he answers Yes I was saved in such and such a year and that is as far as his thoughts on the subject go Ask him To what do you owe your salvation and the finished work of Christ is the sum of his reply Tell him that each of those answers is seriously defective and he strongly resents your aspersion Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father s patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus **A Fourfold Salvation** Arthur Walkington Pink, 1974 *A Fourfold Salvation* Arthur Pink, 2014-08-26 A Fourfold Salvation points out four certainties the Bible makes regarding sin God will save us from the pleasure penalty power and ultimately presence of it Christians should take comfort in knowing that one day sin will no longer exist and with it the barrier that prevents us from fully knowing God and serving him perfectly will be lifted **A Fourfold Salvation** Arthur Pink, 2014-04-03 Arthur Walkington Pink was an English Christian evangelist and biblical scholar who was known for his staunchly Calvinist and Puritan like teachings in an era dominated by opposing theological traditions Pink was one of the most influential evangelical authors in the second half of the twentieth century In this writing Pink explains the complete process of salvation from beginning to end without condemnation A very uplifting read that gives you the courage and confidence to keep going **A. W. Pink's Studies in the Scriptures, Volume 09** Arthur W. Pink, 2001-09 **The Four-fold Gospel** Albert B. Simpson, 1925

The Numerical Bible F. W. Grant, 1897 This classic series combines the author's translation of Scripture with a complete Bible commentary arranged according to the numeric patterns found in God's Word *John Hick's Pluralist Philosophy of World Religions* Paul Rhodes Eddy, 2020-08-26 This title was first published in 2002 One of the most fascinating and controversial interpretations of religious diversity is religious pluralism According to John Hick's model of religious pluralism all the world's great religions are equally valid ways of understanding and responding to the ultimate spiritual reality This book offers an exposition of and critical response to John Hick's model Introducing the various interpretations of religious diversity being discussed today this book presents constructive suggestions as to how things could be further developed to offer a more accurate less confusing presentation of the various options in the theology of religions The standard threefold typology of responses to religious diversity exclusivism inclusivism and pluralism are explained and defended Hick's pluralist interpretation of religious diversity is traced culminating in a critical assessment of Hick's pluralistic model and an up to date summary of a variety of critiques directed toward Hick's proposal Paul Rhodes Eddy concludes that Hick's present model is ultimately unsuccessful in retaining both of his long cherished goals a robust religious realism and a consistent religious pluralism whilst overcoming the most difficult problem for the pluralist the fact that the world's religions understand the divine in often contradictory ways *The Atonement Creating Unions* Godfrey Kesari, 2019-01-01 Why did Jesus die on the cross Does the atonement have any spiritual significance This book is a bold and imaginative endeavor to make atonement theology rational in a fresh way in our interreligious world Seeking connections between Christian and Hindu thinking in order to create hermeneutical bridges Godfrey Kesari aims to open up creative ways of reimagining the doctrine of the atonement which is so central to the Christian message Kesari retains the particularity of the unique events embracing the life suffering and death of Christ while linking clearly to the more universal considerations that are encountered within Visistadvaitic Hinduism These explorations in turn contribute to a new way of seeing the Christian revelation This is a ground breaking work that attempts to find a way of treating and defending the centrality and theological significance of the atonement with contextual relevance **Systematic Theology, Volume 2, Second Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably
