It was the Roman month of September seven hundred and four years after Romulus so tradition ran founded the little village by the Tiber which was to become Mother of Nations Centre of the World Imperial Rome To state the time according to modern standards it was July fifty years before the beginning of the Christian Era The fierce Italian sun was pouring down over the tilled fields and stretches of woodland and grazing country that made up the landscape and the atmosphere was almost aglow with the heat The dust lay thick on the pavement of the highway and rose in dense stifling clouds as a mule laden with farm produce and driven by a burly countryman trudged reluctantly along Yet though the scene suggested the heat of midsummer it was far from being unrefreshing especially to the eyes of one newly come For this spot was near cool Pr neste one of the favourite resorts of Latium to the wealthy invalid or indolent of Rome who shunned the excessive heat of the capital And they were wise in their choice for Pr neste with its citadel which rose twelve hundred feet over the adjoining country commanded in its ample sweep both the views and the breezes of the whole wide spreading Campagna Here clustering round the hill on which stood the far famed Temple of Fortune lay the old Latin town of the Pr nestians a little farther westward was the settlement founded some thirty odd years before by Sulla as a colony Farther out and stretching off into the open country lay the farmhouses and villas gardens and orchards where splendid nuts and roses and also wine grew in abundant measure A little stream ran close to the highway and here an irrigating machine was raising

water for the fields Two men stood on the treadmill beside the large bucketed wheel and as they continued their endless walk the water dashed up into the trough and went splashing down the ditches into the thirsty gardens The workers were tall bronze skinned Libyans who were stripped to the waist showing their splendid chests and rippling muscles Beside the trough had just come two women by their coarse and unpretentious dress evidently slaves bearing large earthen water pots which they were about to fill One of the women was old and bore on her face all the marks which a life of hard manual toil usually leaves behind it the other young with a clear smooth complexion and a rather delicate Greek profile The Libyans stopped their monotonous trudge evidently glad to have some excuse for a respite from their exertions *Arun Deep's Self-Help to ICSE Julius Caesar Class 9 & 10 : 2023-24 Edition (Based on Latest ICSE Syllabus)* Dr. Jaideep Randhawa, Arun Deep s I C S E Julius Caesar has been written keeping in mind the needs of students studying in Class 9th and 10th This book has been made in such a way that students will be fully guided to prepare for the exam in the most effective manner securing higher grades The purpose of this book is to aid any I C S E student to achieve the best possible grade in the exam This book will give you support during the course as well as advice you on revision and preparation for the exam itself The material is presented in a clear concise form and there are ample questions for practice **The Story-Teller** Walter Scott, Washington Irving, Charles Lamb, 1850 **A Dictionary of Greek and Roman Biography and Mythology: Earinus-Nyx** William Smith, 1880 **A friend to Caesar**, 1681 *A Friend of Caesar* William Stearns Davis, 2015-10-01 Stylistically Davis never gave up on writing stories as a medium to convey his love for history as he saw it and his intense conviction that the knowledge of history should matter to his contemporaries He had a faculty for describing critical scenes such as the expulsion of the tribunes in *A Friend of Caesar* In his day he was known for his vivid almost melodramatic prose style Twentieth Century Authors would credit him with having welded fact and fiction without loss of narrative intensity or historical plausibility **The Complete Works of Shakespeare** William Shakespeare, William Michael Rossetti, 1882 **A Friend of Caesar, a Tale of the Fall of the Roman Republic** William Stearns Davis, 2008-08-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *A Friend of Caesar's* John Carew Rolfe, **The Coming of the King** Bernie Babcock, 2022-09-16 DigiCat Publishing presents to you this special edition of *The Coming of the King* by Bernie Babcock DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *Earinus-Nyx* William Smith, 1880
