

PRAYER FOR A DECEASED FRIEND

I commend you,
my dear [name] to almighty God,
and entrust you to your Creator.
May you rest in the arms of the Lord
who formed you from the dust of the Earth.
May holy Mary, the angels, and all the saints
welcome you now that you have gone forth
from this life.

May Christ who was crucified for you,
bring you freedom and peace.

May Christ who died for you
admit you into his garden of paradise.

May Christ, the true Shepherd,
embrace you as one of his flock.

May he forgive all your sins
and set you among those he has chosen.
May you see your Redeemer face to face
and enjoy the vision of God, forever.

A Friend Of The Deceased

Douglas B. Chambers, Kenneth Watson

A Friend Of The Deceased:

Jesus weeping over his Dead Friend, and with his Friends in their Mourning. A sermon preached the Lord's Day after the funeral of the Reverend Mr. William Cooper, etc Benjamin COLMAN,1744 *Letters to a Dead Friend about Zen* Brad Warner,2019-10-08 The night Brad Warner learns that his childhood friend Marky has died Warner is about to speak to a group of Zen students in Hamburg Germany It s the last thing he feels like doing What he wants to do instead is tell his friend everything he never said to explain Zen and what he does for a living and why he spends his time Sitting Sitting Sitting Meditating my life away as it all passes by Lighting candles and incense Bowing to nothing So as he continues his teaching tour through Europe he writes to his friend all the things he wishes he had said Simply and humorously he reflects on why Zen provided him a lifeline in a difficult world He explores grief attachment and the afterlife He writes to Marky I m not all that interested in Buddhism I m much more interested in what is true and then proceeds to poke and prod at that truth The result for readers is a singular and winning meditation on Zen and a unique tribute to both a life lost and the one Warner has found *Buddhist Masses for the Dead at Amoy* Jan Jakob Maria Groot,1884 **The Law and the Dead** Heather

Conway,2016-04-14 The fate of the dead is a compelling and emotive subject which also raises increasingly complex legal questions This book focuses on the substantive laws around disposal of the recently deceased and associated issues around their post mortem fate It looks primarily at the laws in England and Wales but also offers a comparative approach drawing heavily on material from other common law jurisdictions including Australia New Zealand Canada and the United States The book provides an in depth contextual and comparative analysis of the substantive laws and policy issues around corpse disposal exhumation and the posthumous treatment of the dead including commemoration Topics covered include the legal frameworks around burial cremation and other disposal methods the hierarchy of persons who have a legal duty to dispose of the dead and who are entitled to possession of the deceased s remains offences against the dead family burial disputes and the legal status of burial instructions the posthumous use of donated bodily material and the rules around disinterment and creating an appropriate memorial A key theme of the book will be to look at the manner in which conflicts involving the dead are becoming increasingly common in secular multi cultural societies where the traditional nuclear family model is no longer the norm and how such legal contests are resolved by courts As the first comprehensive survey of the laws in this area for decades this book will be of use to academics lawyers and judges adjudicating on issues around the fate of the dead as well as the death industry and funeral service providers Letters on Religious Subjects, Written by Divers Friends Deceased.
